

ADDENDUM NO. 6

July 3, 2025

Reference: **New Canada Road (PIN 107036.00)**
City of Lakeland
Shelby County, TN

The following additions, deletions, and/or revisions shall be made part of the Plans dated **August 30, 2024**, for the referenced project. This addendum shall have precedence over the plans and specifications on all items listed and described herein; however, it shall not change the intent and requirement of the plans and specifications for any item not specifically mentioned.

Clarification:

Clarification 1: Addendum #3 - Question #14, Paragraph d – Engineer's response stated *'Retaining wall backfill will be taken out of this volume when final payment is made based on cross sections of completed roadway.'*

The statement listed above has been rescinded because both SP624 and SP205A state that the select backfill material and unclassified backfill used behind the designed retaining wall shall be paid under item 203-10 Embankment (Compacted In Place). If Contractor's design (retaining wall) requires the use of select backfill, the unit price for the wall shall exclude any additional backfill costs due to the use of select backfill material. The volume of backfill behind the retaining walls will be included in Pay Item 203-10.

Bidder Must Acknowledge Receipt of this Addendum, utilizing the attached "Addenda Acknowledgement Form." The acknowledgment form must be submitted with the bid package.
