

## **Commercially Useful Function Checklist**

Checklist Instructions:

- 1. To be completed by the Project Inspector for each DBE on every project.
- 2. <u>If at any time a DBE is observed not performing a CUF or if there are any items</u> <u>that are suspicious, red flags or warrant further attention, this must be reported to</u> <u>the Local Government DBE Liaison.</u>
- 3. Submit the completed form to the TDOT Local Program Monitor.

| Date of Review:                        | 1/15/18                                                   |

## **Workforce**

List the name and position of each DBE employee observed during today's operation.

|                                                                                                                                                                                                                                                                                           | YES | NO | N/A |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|----|-----|
| Materials                                                                                                                                                                                                                                                                                 |     |    |     |
| Did the contractor order and pay for materials? In order to verify<br>the contractor ordered and paid for all the materials they have<br>agreed to purchase in their subcontract, the DBE must submit<br>copies of all invoices from each of their suppliers to the Project<br>Inspector. |     |    |     |
| (If no, this could warrant more attention or be a red flag. Two                                                                                                                                                                                                                           |     |    |     |
| party checks are a red flag.)                                                                                                                                                                                                                                                             |     |    |     |
| If yes, have material invoices been submitted:                                                                                                                                                                                                                                            |     |    |     |
| If no, action taken:<br>Performance                                                                                                                                                                                                                                                       |     |    |     |
| Does the DBE appear to be executing the work of the contract by actually performing, managing, and supervising the work involved? (If no, this could be a red flag.) If no, explain:                                                                                                      |     |    |     |
| Has any other contractor performed any amount of work specified<br>in the DBE's contract? (If yes, this could be a red flag.)<br>If yes, who performed this work and why?                                                                                                                 |     |    |     |

|                                                                                                                                                                                                                                                                                                                               | YES | NO | N/A |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|----|-----|
| Regular Dealers/Manufacturer                                                                                                                                                                                                                                                                                                  |     |    |     |
| Check here if this section doesn't apply or the DBE isn't a regular dealer.                                                                                                                                                                                                                                                   |     |    |     |
| Check here if this section doesn't apply or the DBE isn't a manufacturer.                                                                                                                                                                                                                                                     |     |    |     |
| Does the DBE have a business that sells to the public on a routine basis on the product being supplied? (If no, this is a red flag.) If no, explain:                                                                                                                                                                          | X   |    |     |
| Does the business stock the product for the use on the project as<br>a normal stock item? (If no, this is a red flag.)<br>Who is delivering and unloading the material?<br>Who are the material invoices made out to?<br>In whose name are materials shipped?<br>(If material is not shipped to the DBE, this is a red flag.) |     |    | X   |
| Is the DBE acting as a Distributor?<br>If not, explain:                                                                                                                                                                                                                                                                       |     |    |     |

## Local Government Project Supervisor's Comments (including red flags noted):

N/A

## Actions Taken (if any):

N/A

Does  $\Box$  Does *not*  $\Box$  appear to be performing a Commercially Useful Function
