DB2503 I-24 Shellmound Bridges Project

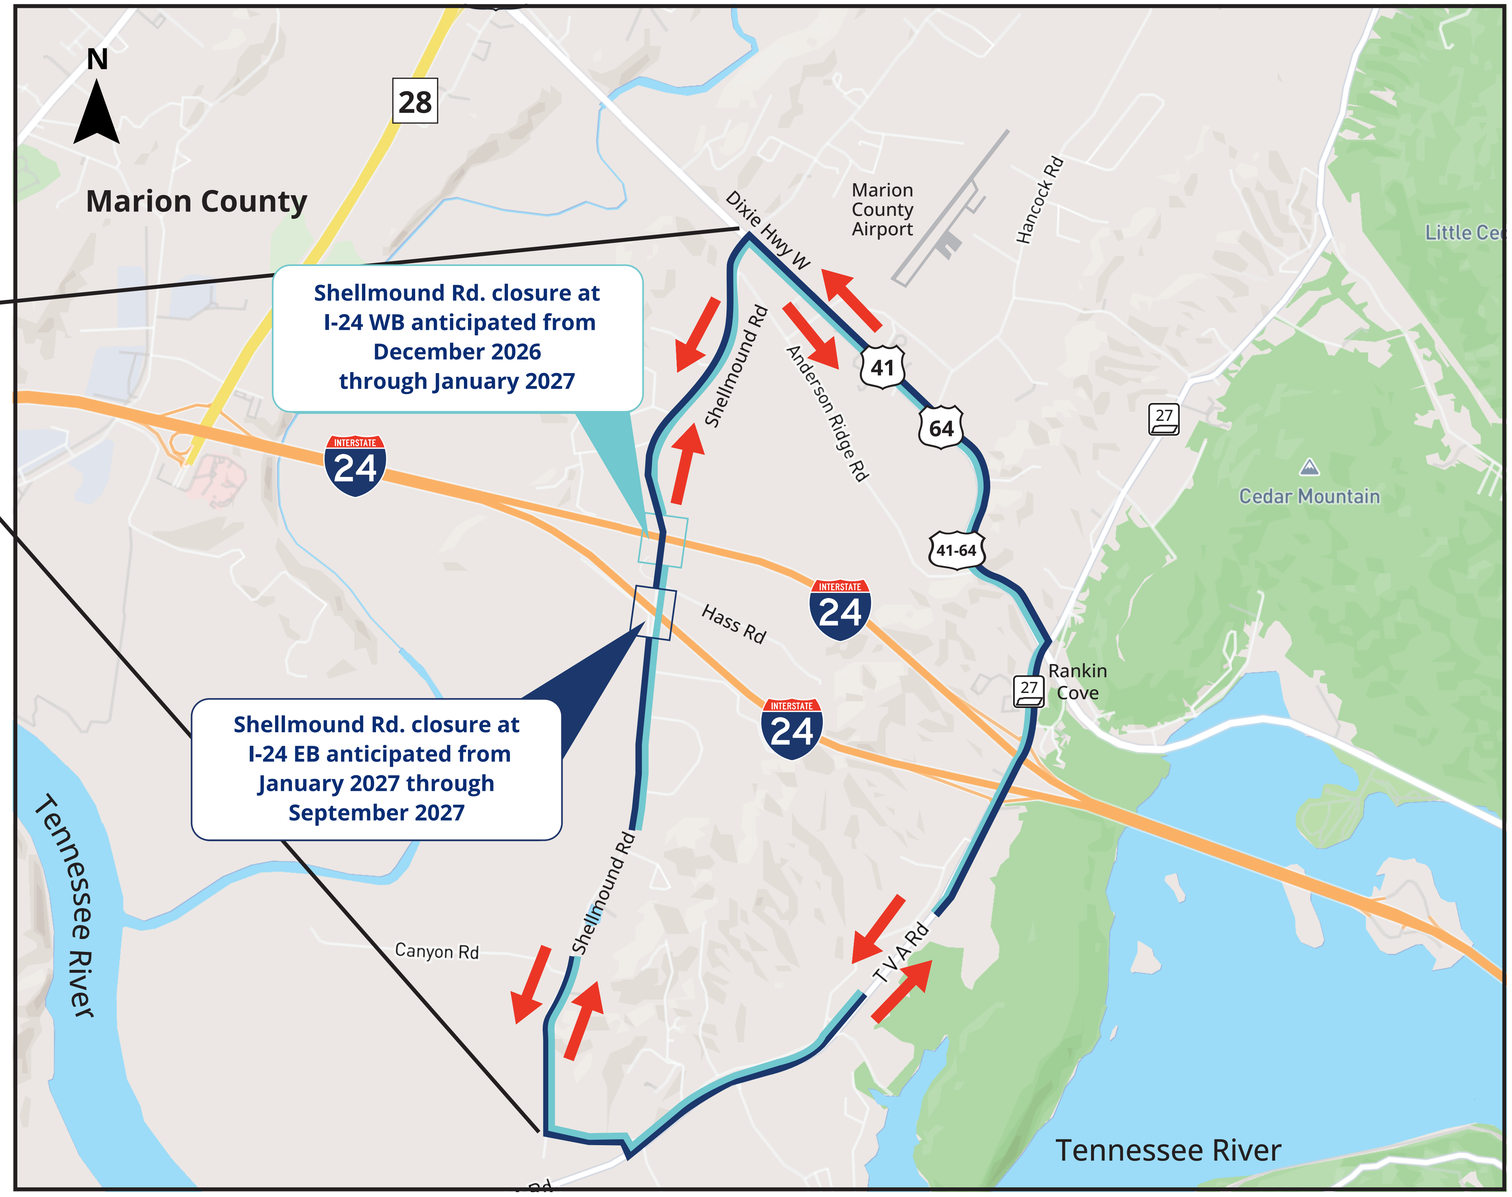

Proposed Detour Routes

- Hass Road, including the community between the eastbound and westbound interstates, will always be open via Shellmound Road and neither I-24 westbound or eastbound will ever be closed.
- Road closures at each bridge will not happen simultaneously.
- Access to properties along Shellmound road must be provided at all times.
- Connector road improvements must be in place prior to implementing the detour.

Legend

- Shellmound Rd. closure at I-24 WB
- Shellmound Rd. closure at I-24 EB
- Interstate
- State Route
- Proposed Detours
