

# I-24 SOUTHEAST CHOICE LANES PUBLIC MEETING SUMMARY

## Meeting Overview

The Tennessee Department of Transportation (TDOT) held a series of three (3) in-person public information meetings (PIM) to present updated Project information and collect feedback from the public for the I-24 Southeast Choice Lanes Project. In addition to the in-person PIMs, a virtual public meeting (VPM) was hosted on the project website from September 30 to October 23, 2025. The VPM provided the same information and materials available at the PIMs and allowed the public to submit comments until the comment period closed on October 23, 2025. The comment period was reopened from November 5 to November 19, 2025, following requests from the public.

## Meeting Details

Each PIM was an open house format, beginning at 5:30 p.m. and concluding at 7:30 p.m. and had no formal presentation. The table below lists the times, dates, locations and attendance for each PIM. A total of 186 individuals signed into the PIMs. Copies of the sign-in sheets are included in **Appendix A**.

**Table 1: PIM & VPM Details**

Date   Time	Location	Attendance
9/30 5:30-7:30 p.m.	Smyrna Event Center 100 Sam Ridley Pkwy E, Smyrna	109
10/1 5:30-7:30 p.m.	Coleman Community Center 384 Thompson Ln, Nashville	44
10/2 5:30-7:30 p.m.	Southeast Community Center 5260 Hickory Hollow Pkwy, #202	33
9/30 – 11/19	VPM	458

## Outreach Efforts

To promote the PIMs and increase participation from the public, TDOT utilized a variety of outreach strategies. These strategies promoted both the in-person PIMs and VPM and encouraged public participation. The strategies and efforts are listed below.

- Newsletter/Email updates
  - Email #1 – September 15, 2025: 811 recipients
  - Email #2 – September 23, 2025: 819 recipients
  - Email #3 – October 1, 2025: 818 recipients
  - Email #4 – October 20, 2025: 879 recipients

- Postcards
  - Mailed to 81,771 addresses within the 37211, 37013 and 37167 zip codes prior to the PIMs and VPM launch.
- Project website
  - Updated to promote the meeting and virtual public meetings on September 15, 2025.
  - Updates were made on November 5, 2025, to promote the reopening of the public comment period.
- Legal advertisements
  - Tennessee Ledger – September 19, 2025
  - Tennessean.com – September 23, 2025
  - DNJ.com – September 24, 2025
- Digital advertising
  - Paid advertising began on September 30 and ran through October 23, 2025.
    - Impressions on Meta: 172,000
    - Engagements on Meta: 1,883
    - Impressions on Google Ads: 4,050,240
    - Clicks on Google Ads: 1,720
  - A second paid advertising campaign began on November 5 and ran through November 19, 2025.
    - Impressions on Meta: 40,619
    - Engagements on Meta: 526
- Press Releases
  - TDOT distributed a press release to local media outlets on September 15, 2025, to announce the public meetings.
  - TDOT distributed a second press release on November 3, 2025, to announce an extension of the comment period.
- Flyers
  - An 8.5x11 flier was distributed to 17 locations, listed below, throughout the project limits.
    - Symran Café, 1666 Lee Victory Pkwy, Smyrna, TN 37167
    - Speedway, 8281 Tridon Dr, Smyrna, TN 37167
    - MAPCO, 1218 Hazelwood Dr, Smyrna, TN 37167
    - Washboard Coin Laundry, 1213 Hazelwood Dr # C, Smyrna, TN 37167
    - Smyrna Public Library 400 Enon Springs Rd W, Smyrna, TN 37167
    - Smyrna Event Center, 100 Sam Ridley Pkwy E, Smyrna, TN 37167

- La Vergne Public Library, 5063 Murfreesboro Rd, La Vergne, TN 37086
- Southeast Community Center, 5260 Hickory Hollow Pkwy #202, Antioch, TN 37013
- Nashville Public Library – SE Branch, 5260 Hickory Hollow Pkwy #201, Antioch, TN 37013
- Stellar Coin Laundry, 947 Richards Rd, Antioch, TN 37013
- Circle K, 198 Haywood Ln, Nashville, TN 37211
- Clean Wash House Laundromat, 63 E Thompson Ln, Nashville, TN 37211
- Sunshine Laundromat, 204 Thompson Ln, Nashville, TN 37211
- Nashville Public Library – Thompson Lane Branch, 380 Thompson Ln, Nashville, TN 37211
- Coleman Park Community Center, 384 Thompson Ln, Nashville, TN 37211
- J.C. Napier Community Center, 73 Fairfield Ave, Nashville, TN 37210
- Nashville Public Library, Pruitt Branch, 117 Charles E Davis Blvd, Nashville, TN 37210
- Elected Official & Stakeholder Notifications:
  - A notice about the PIMs, VPM and public comment period was sent via email to 100 elected officials and stakeholders on September 15, 2025. The email included a formal letter announcing the PIMs, VPM and comment period and social media graphics and content for recipients to share on their social media channels.
  - A second email was sent on November 3, 2025, to the same 100 elected officials and stakeholders to announce the reopening of the public comment period.
- Social Media
  - In addition to the paid digital advertisements, TDOT promoted the PIMs and VPM via individual RCO channels and TDOT media channels including X (formerly Twitter), Facebook and Instagram.

## Meeting Materials

To inform and engage the public about the I-24 Southeast Choice Lanes project, a comprehensive set of educational meeting materials was developed. These materials covered key topics such as the refined alternative, project updates, environmental studies and more. In addition to the materials listed below, a VPM was available on the project website and mirrored the content available at the in-person meetings and remained accessible on demand through the end of the public comment period on October 23, 2025,

Department of  
Transportation

CHOICE  
LANES  
I-24 Southeast

and the reopened comment period from November 5 to November 19, 2025. Copies of the meeting materials are available on the VPM.

Meeting materials included:

- Project Handout with information on the meeting format, a summary of each of the stations listed below, information to submit comments and a QR code to access the VPM.
- Project Overview video sharing general information about the project through animations.
- Project Overview station covering updates since the last PIMs, Public Private Partnerships, Project Schedule, Transportation Modernization Act and the Environmental Technical Study Area.
- Environmental station covering Purpose & Need, National Environmental Policy Act, noise studies, visual impacts and future workshops, right-of-way and benefits for public transit.
- Traffic station with information on current and future traffic levels and travel times.
- Design station displaying visuals of typical sections and potential entry/exit points for the Choice Lanes.
- Visualization video showing a conceptual design of what Choice Lanes could look like. This included a disclaimer on screen indicating the design was conceptual and not final.
- Refined Alternative station displaying the refined alternative on interactive smartscreens.
- Comment station displaying the methods and directions for submitting comments and providing comment forms and tablets for members of the public to submit comments.

## Virtual Public Meeting

The VPM launched on September 30, 2025, offering the same information and accessible PDFs of the meeting materials available at the in-person PIMs. Participants could navigate through interactive stations at their own pace, exploring key topics including the Project Overview, Environmental, Traffic and Refined Alternative. At the conclusion of the VPM, visitors were invited to share their feedback through a public comment portal. The VPM remained accessible throughout the entire public comment period, which closed on October 23, 2025, and reopened from November 5 to November 19, 2025.

## Media Coverage

The table below summarized the significant media coverage on the proposed project and the public comment period. This coverage resulted from efforts by TDOT to promote the PIMs and VPM through press releases and engaging local media.

## Comment Analysis

The public comment period ran from September 29 to October 23, 2025, and reopened from November 5 to November 19, 2025. Attendees were invited to share feedback through multiple channels, including written and digital comment forms available at designated stations during public meetings. Additional options included submitting comments online via the VPM, mailing comments or calling the project hotline.

In total, 260 comments were received during the public comment period. The majority of submissions were made through the VPM. A comment response matrix was developed to share on the project website with responses to all 260 comments.

The comments addressed a number of topics that ranged from user fees, public transit and environmental impacts to how the Choice Lanes would operate and be maintained. The comment topics will be analyzed to make necessary adjustments to the refined alternative and inform outreach methods and communications leading up to the public hearing.

## Exit Survey

An exit survey was conducted to gather feedback on the public meeting format and assess attendees' perceptions. A total of 27 participants completed the survey, which was administered by team members using iPads as attendees exited the meeting. The survey included questions about how participants learned about the meeting, their opinions on Choice Lanes, whether they found the project team helpful, and if the meeting was informative. Respondents were also asked whether they interacted with the smart boards, whether they found them useful, and were invited to share any additional comments. A Below is a summary of the survey results.

1. How did you hear about today's public information meeting?
  - 13 via postcard
  - 4 via news coverage
  - 3 via social media
  - 3 via email
  - 3 via advertising in libraries or community centers
2. How do you feel about the Choice Lanes?
  - 8 supportive
  - 7 unsure
  - 6 neutral

- 4 opposed
3. Did you find the Project Team helpful?
    - 26 responded “Yes”
    - 1 responded “No”
  4. Did you find the public information meeting informative?
    - 26 responded “Yes”
    - 1 responded “No”
  5. Did you visit the interactive smart boards? If so, did you find them helpful?
    - 21 visited and found them helpful
    - 5 did not visit
  6. **Additional Comments:** Attendees shared a range of feedback. Many praised the staff for being enthusiastic, knowledgeable, and communicative. Suggestions included improving wayfinding signage and ensuring consistent postcard distribution. Some requested greater transparency around potential project bidders and advocated for infrastructure additions, such as an interchange at Antioch Pike and I-24. Concerns were raised about equitable lane access, the lack of park-and-ride options, and the need for long-term planning. A few participants expressed interest in more formal presentations with Q&A opportunities, while one attendee voiced opposition to the project’s current approach.
