

I-65 Widening in Davidson & Sumner County

Update: June 11, 2026

Traffic Updates:

Blasting

Blasting continues on the south side “top bench” of this project ([radius map here](#)). Blasting on the north side “bottom bench” of this project ([radius map here](#)) will follow. Once drilling operations are underway at the “bottom bench”, blasting operations will alternate daily between the two locations.

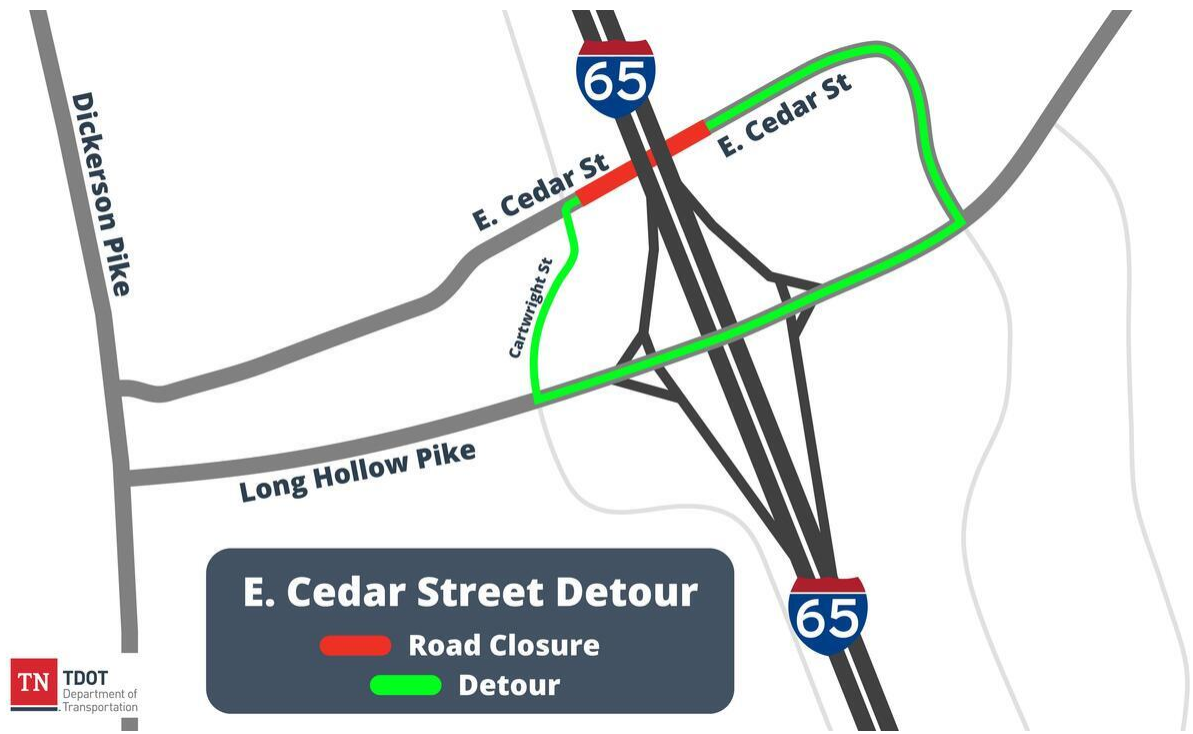

Due to weather, blasting on the "bottom bench" has been delayed and is now anticipated to begin on June 24th. More information will be published prior to this blasting beginning.

Blasts are only permitted on **weekdays between 10 a.m. and 2 p.m.** A rolling roadblock on I-65 near mile markers 96 – 99 will be in place in both directions during the blast. Only one blast will occur each day. All blasting will comply with the state fire marshal’s office regulations. More information about blasting can be found on the [Tennessee Department of Commerce & Insurance website](#).

East Cedar Street

Starting **Saturday, June 13, at 6 a.m.** through **Sunday, June 14, at 6 p.m.**, East Cedar Street will be closed in both directions for the demolition of the East Cedar Street Bridge over Interstate 65.

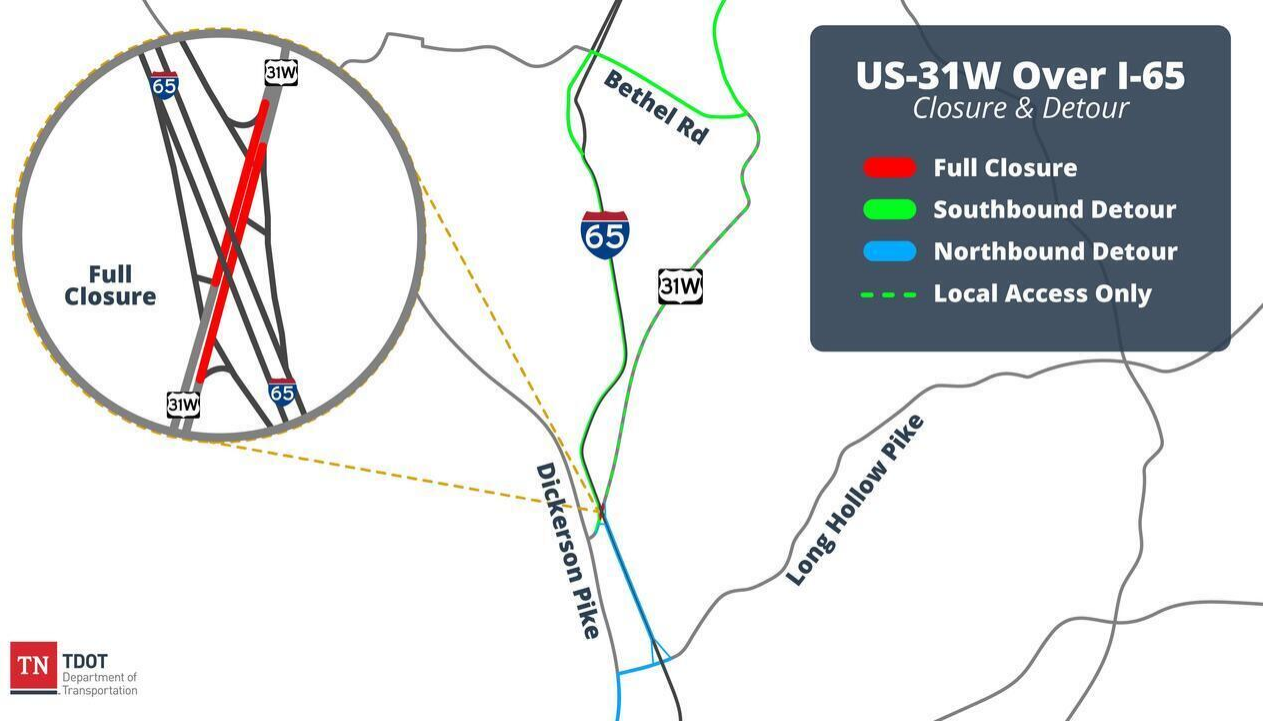

A detour and signage will be in place.

State Route 41 (US 31W)

Starting **Sunday, June 14, through Thursday, June 18**, US-31W will be closed in both directions for the demolition of the US-31W bridge. The closures will take place from **8 p.m. – 5 a.m.**

A detour and signage will be in place.

Ramp Closures

Starting **Sunday, June 14, through Friday, June 18, from 8 p.m. - 5 a.m.**, expect intermittent temporary lane closures on the I-65 Exit 98 (US 31W/Millersville) off-ramps for paving operations.

Remember, all work is weather-dependent. As always, drivers are reminded to allow additional time, slow down, and move over when traveling through a work zone. The Move Over Law was passed in 2006. The penalty for violating the law in Tennessee includes the possibility of up to 30 days in jail and a maximum fine of \$500.
