

Nolensville Pk. / State Route 11 Widening

September 27, 2024

Phase 1 Project Description:

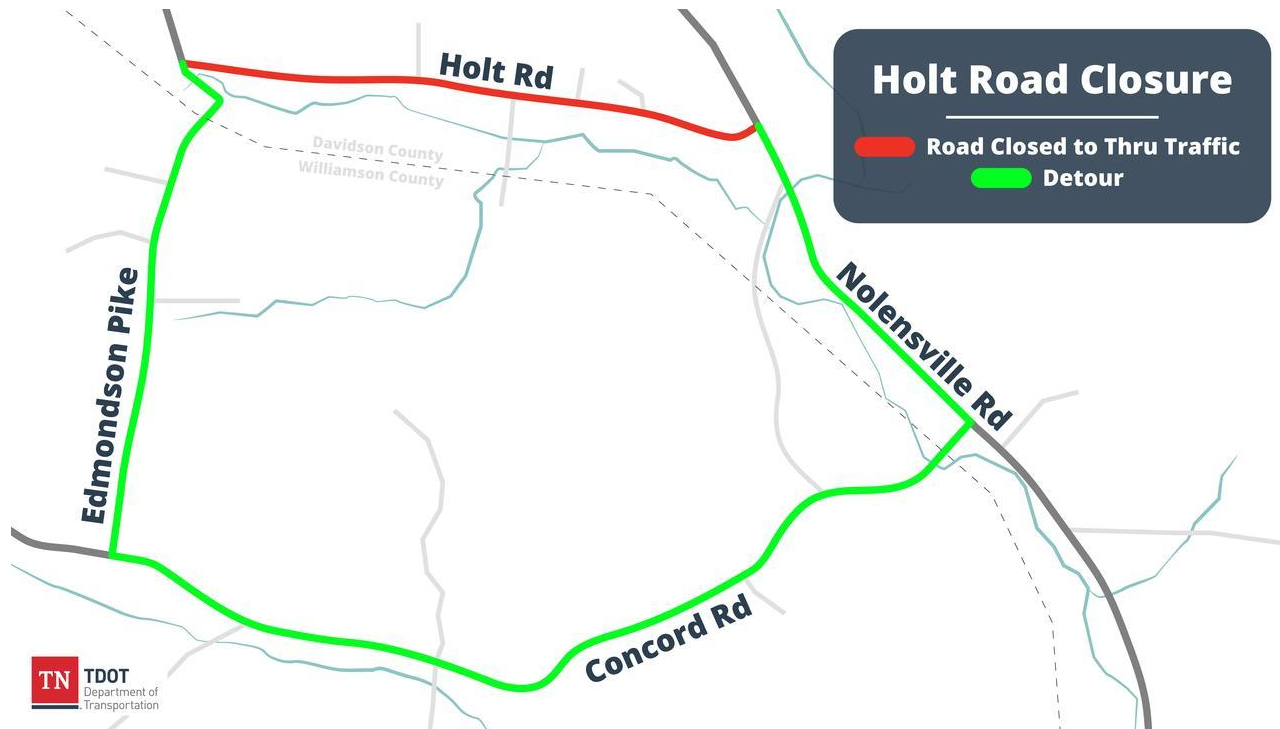

The project widens Nolensville Pike from a two-lane road to a five-lane road (including a dedicated turn lane and bike lanes). It stretches from south of Burkitt Road to near SR 254 (Old Hickory Boulevard). The proposed improvements are intended to address congestion, improve safety, and accommodate growth in this rapidly developing area.

Due to the size of improvements to SR 11, TDOT has split this project into two phases. Phase 1, from north of Mill Creek to near SR 254 in southern Davidson County, is currently under construction.

Traffic Update: Holt Road Closure Now Oct. 7

[Subscribe](#) to our email list.

Starting October 7th through summer 2025, Holt Road from Edmondson Pike to Nolensville Road will be closed to through traffic for grading and utility relocation. Motorists will detour via Edmondson Pike and Concord Road to Nolensville Road. The detour route is designated in green in the image below.

Community Updates:

The community was invited to have coffee with members of this project team and TDOT representatives on September 16, 2024. We appreciate the feedback and conversation, and we hope anyone unable to attend will join us for a virtual chat on Monday, October 7, 2024 at 7 p.m. CST. Email Erin.Zeigler@tn.gov for a calendar invite and link.

Project Progress Aerials (9-25-2024):

Utility work: Nolensville Pike near Holt Road looking south.

Water line preparation: Nolensville Pike near Holt Road looking north.

Gas line/utility prep: Nolensville Pike near Sugar Valley Drive looking north.

A closer look at the stream relocation.

Nolenville Pike near Kinhawk Drive looking south.

View of largest retaining wall in project: Nolensville Pike near Brentwood Highlands Drive looking north.
