

Tennessee Department of Transportation Design Public Meeting

February 5th, 2015

5:00-7:00p.m.

Improvements to SR 11 from North of Mill Creek to near SR 254 (Old Hickory Blvd.)

Thank you for attending the Design Public Meeting for the proposed widening of SR11 (Nolensville Road) from North of Mill Creek to near SR 254 (Old Hickory Blvd.). This 2.4 mile segment represents Phase I of an overall 4.4 mile project to improve SR 11 from Burkitt Road to Old Hickory Blvd.

The proposed improvement includes upgrading this urban principal arterial from the existing two-lane roadway section to a five-lane section with additional turning lanes, bicycle lanes and sidewalks. The improvements intend to address congestion, improve safety, and accommodate area growth.

The project area is undergoing rapid population growth with the addition of new residential, retail, and commercial developments occurring throughout this segment of SR 11.

Project Development Process:

- ◆ Local Requests
- ◆ Planning
- ◆ **Design / Environmental**
- ◆ R.O.W.
- ◆ Construction

Meeting Purpose :

- ◆ Opportunity for Public Comment
- ◆ Review of Project Displays
- ◆ Presentation of Project
- ◆ Description of Environmental Features
