*Design Public Meeting - March 26, 2026*

## Project Overview

The proposed improvement for the SR 54 (US 641) corridor from near Smith Road to near Howard Road will improve connectivity, traffic flow, and mobility for motorists and pedestrians.

These proposed modifications include the following design features:

- Project Length: 8.4 miles (approx.)
- From near Smith Road to SR 218; 5-lane roadway with 12' lanes, with a 12' center two-way left turn lane, 10' shoulders, and curb & gutter
- From SR 218 to Puryear Country Club Road; 5-lane roadway with 12' lanes, with a 12' center two-way left turn lane and 12' shoulders
- From Puryear Country Club Road to Howard Road; 5-lane roadway with 11' lanes, with a 12' center two-way left turn lane, 6' shoulders with curb & gutter and a 5' sidewalk on each side
- From Howard Road to the end of the project; 5-lane roadway with 11' lanes, with a 12' center two-way left turn lane, 6' shoulders with curb & gutter that transitions to match the new SR 54 northern section
- Traffic Signals at SR 218 and Main Street
- Side road improvements

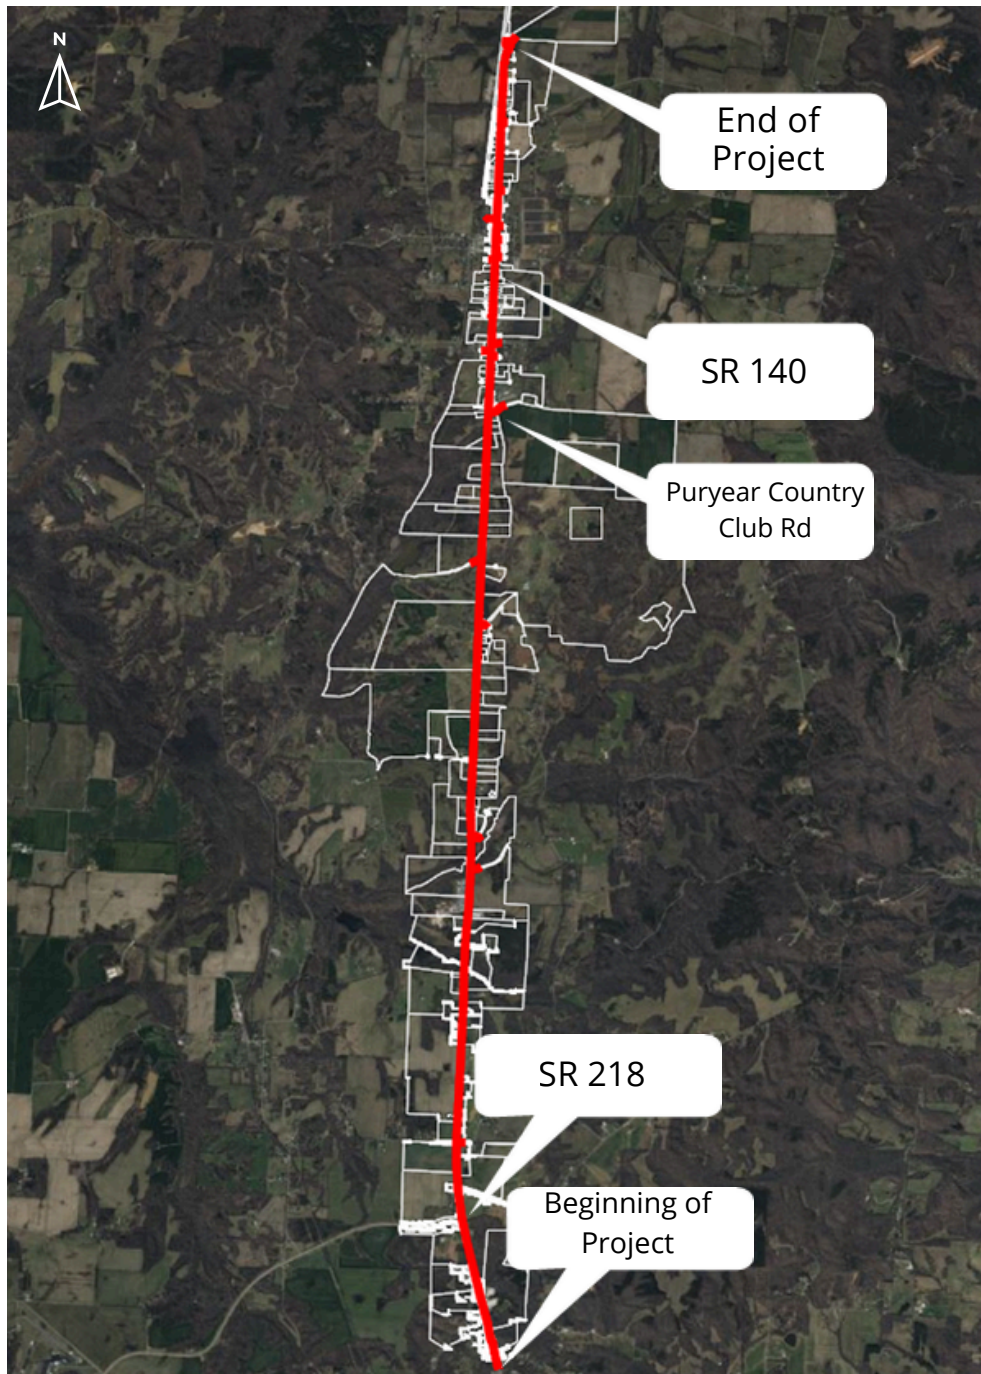

## We want your feedback!

A court reporter is available for anyone who would like to make a statement about the project and have it included in the official meeting transcript. If you prefer not to speak today, or if you later think of something you would like to add, you may submit written comments within twenty-one (21) days from the date of this hearing to:
