

COMMUNITY-BASED MITIGATION PLAN SURVEY

Interstate 40/State Route 194 (Project Blue Oval), Environmental Assessment Haywood, Tipton, and Fayette Counties, Tennessee, PIN: 132132.01

The Tennessee Department of Transportation (TDOT), in cooperation with the Federal Highway Administration (FHWA), is conducting targeted public outreach to gather input from community members on ideas for potential mitigation strategies for Interstate 40/State Route 194 (Project Blue Oval) Environmental Assessment. On a scale of 'Strongly Agree' to 'Strongly Disagree', please indicate below which potential mitigation ideas you would be most interested in seeing funded through a Community-Based Mitigation Plan for Interstate 40/State Route 194 (Project Blue Oval). Please also feel free to share any of your own mitigation ideas.

**Please note that the term environmental justice is used throughout this survey and is defined as the following: Environmental Justice means identifying and addressing disproportionately high and adverse effects of TDOT and FHWA programs, policies, and activities on minority populations and low-income populations to achieve an equitable distribution of benefits and burdens.*

COMMUNITY HISTORY / PRESERVATION

Farms and African American History Preservation

Funding for a study to document the cultural history and character of the impacted environmental justice communities through the support of a qualified historian and photographer. The study efforts could include collecting oral history, archival research, collection of historic photography, and the development of a report that will be available for viewing online and a location(s) to be determined within the community.

EDUCATION / JOB TRAINING

Tennessee College of Applied Technology Scholarships

Funding for a scholarship fund for residents who are currently enrolled or intend to enroll at the Tennessee College of Applied Technology (TCAT). The TCAT scholarships would provide members of the environmental justice community the opportunity to acquire marketable skills for entry into the labor market or upgrade present skills and knowledge of persons already employed, incorporate appropriate work habits and attitudes into the occupational program, and meet the present and anticipated needs of the business and industrial community.

TRANSPORTATION / MULTIMODAL

Improvements to Local Roadways

Funding for improvements to local roadways that have been impacted by the construction of Blue Oval City.

STRONGLY AGREE AGREE NEITHER AGREE NOR DISAGREE DISAGREE STRONGLY DISAGREE

Enhanced Transit Options

Funding to implement the recommendations of the Blue Oval Transit Study to provide feasible commute alternatives to driving for employees, support existing rural and urban communities, support local and regional economic and development goals, and develop sustainable transit services over the long term.

COMMUNITY ENHANCEMENTS

Library

Funding for capital or program expenses at existing local libraries that serve the community.

STRONGLY AGREE AGREE NEITHER AGREE NOR DISAGREE DISAGREE STRONGLY DISAGREE

Community Center

Funding for property acquisition, design, and construction of a centrally located community center with an activated outdoor space, childcare facilities, job training and resume assistance, and community meeting space. Funding could also provide for the administration of the community center, as well as childcare and job training programs.

STRONGLY AGREE AGREE NEITHER AGREE NOR DISAGREE DISAGREE STRONGLY DISAGREE

Health Clinic

Funding for property acquisition, design, and construction of a centrally located State of Tennessee Department of Health Clinic.
