INSTRUCTIONAL BULLETIN NO. 08-15

Regarding **Metric** Roadway Design Guidelines and Standard Drawings

Effective immediately, the Design Division will no longer be updating or revising existing Metric Roadway Design Guidelines, General Notes, and Standard Drawings. As a result of this decision, these documents will no longer be distributed in hard copy or posted on TDOT web site. Designers needing access to metric documents should contact the Design Division, Quality Assurance and Standards Office at (615)741-2806 to obtain guidance for preparing metric plans.

This bulletin voids the following Instructional Bulletins:
