TRAFFIC MEMORANDUM NO. 2609

New Signals Checklists Available on the Traffic Design Website

Effective Immediately, three new Signals Checklists are available on the Traffic Design website. These checklists are intended to provide additional resources for the preparation and review of traffic signal plans and related project documentation.

The new resources include the following:

- **Functional Design Plans Checklist**
- **Plan-in-Hand Checklist**
- **PS&E Checklist**

The checklists are intended to support consistency during the preparation and review of traffic signal projects. They should be used in conjunction with the applicable Traffic Design Manual requirements, standard drawings, specifications, and other project-specific guidance.

The Signals Checklists are available on the Traffic Design website at https://www.tn.gov/tdot/traffic-design/traffic-operations-division-resources/traffic-design-checklist0.html

For any questions or clarifications please contact Scott.Pate@tn.gov P: (615) 253-1062.
