TRAFFIC MEMORANDUM NO. 2610

Traffic Design Manual—Updated Modules 1, 2, and 3

Effective Immediately, the Traffic Design Manual modules have been updated and reorganized. The module numbers have been revised as follows:

- **Module 1—Signs and Pavement Markings**
- **Module 2—Traffic Signals**
- **Module 3—Lighting**

These updates include the following:

- Updates to **Module 1—Signs and Pavement Markings**, including the addition of sign placement details and a revised, detailed Chapter 2 addressing sign placement and related design considerations.
- Minor updates to **Module 2—Traffic Signals**, including:
  - Revisions to the titles of personnel or groups identified for contact during the signal design and review process.
  - Addition of a reference to the new **Signals Checklists**, which are available as resources on the Traffic Design website.
- Minor updates to **Module 3—Lighting**, including revisions to the requirements for mid-block lighting to provide additional flexibility when evaluating and designing lighting improvements.

The updated Traffic Design Manual modules are available on the Traffic Design website at https://www.tn.gov/content/tn/tdot/traffic-design/traffic-operations-division-resources/traffic-design-manual.html.

For any questions or clarifications, please contact Scott.Pate@tn.gov P: (615) 253-1062.
