Organization	Program Name	Populations Served	Services Provided	Funding and Operating Mechanisms
ACL	<a href="#">ACL Nutrition Program</a> <i>(see next three rows for additional details)</i>	Older Americans	Through the Older Americans Act (OAA) Nutrition Program, ACL’s Administration on Aging (AoA) provides grants to states, tribes and territories to help support nutrition services for older people throughout the country including the Congregate Nutrition Program and the Home-Delivered Nutrition Program	Families First Act: \$250M emergency funds for OAA nutrition programs <sup>1</sup> <a href="#">Coronavirus Aid, Relief and Economic Security (CARES) Act</a> : \$480M additional Title III funding (nutrition programs); \$20M additional Title VI funding (services for Native Americans); establishes new waivers that will allow (1) 100% of funds to be transferred between congregate and home-delivered meal programs, (2) individuals who are homebound for social distancing purposes to be eligible for home-delivered meals, regardless of state or local policies, and (3) waiver of dietary guidelines <sup>2</sup>
ACL	Congregate Nutrition Program (Older Americans Act)	Older adults (60+) at risk of losing independence or their ability to remain in the community <sup>2</sup>	Provision of “health-promoting meals” in group settings (e.g. senior centers). Also offer related services such as nutrition screening, assessment, education, and counseling. <sup>3</sup>	Aside from the <a href="#">Families First Coronavirus Response Act</a> and CARES Act funding listed above, ACL administers awards to state, tribes, and territories each fiscal year for a nationwide total of roughly \$510M. Funding is disseminated through a statutory formula based on state/territory’s relative share of 60+ population. States must normally provide matching share of 15% <sup>4</sup> ; however, match for the funding appropriated through the Families First Coronavirus Response Act and CARES Act has been waived.
ACL	Home-Delivered Nutrition Program (Older Americans Act)	Older adults (60+) at risk of losing independence or their ability to remain in the community <sup>2</sup>	Provision of “health-promoting meals” in the homes of homebound older adults. Often provides an informal safety check as well. <sup>2</sup>	Aside from the Families First Coronavirus Response Act and CARES Act funding listed above, ACL administers awards to state, tribes, and territories each fiscal year for a nationwide total of roughly \$510M. Funding is disseminated through a statutory formula based on state/territory’s relative share of 60+ population. States must normally provide matching share of 15% <sup>5</sup> ; however, match for the funding appropriated through the Families First Coronavirus Response Act and CARES Act has been waived.

ACL	<a href="#">Nutrition Services Incentive Program of the OAA</a>	States, US territories, and Tribal organizations providing Congregate or Home-Delivered Nutrition Programs <sup>3</sup>	Provide grants to states, territories, and Tribal organizations to support Congregate and Home-Delivered Nutrition Programs. Grantees may receive their grants as cash, commodities (food), or a combination. <sup>1</sup>	ACL administers awards for roughly \$160M in funding each year through this program. No COVID-19 specific funding has been made available for this program.
ACL	Services to Native Americans (Older Americans Act § 613 and § 623) <sup>6</sup>	Native American, Alaskan Native, and Native Hawaiian elders	Similar to OAA Title III nutrition programs - Provision of “health-promoting meals” in group settings (e.g. senior centers) and in the homes of homebound elders. This program also provides for other supportive services to elders.	Aside from the Families First Coronavirus Response Act (\$10 million) and CARES Act (\$20 million) funding mentioned above, ACL administers awards to Tribes each fiscal year for a nationwide total of roughly \$34 million. Funding is disseminated through a statutory formula based on the share of the American Indian, Alaskan Native, and Native Hawaiian population aged 60 and over in a tribal jurisdiction.
ACL	<a href="#">ACL Eldercare Locator</a>	Older Americans	Nationwide service that connects older Americans and their caregivers with trustworthy local support resources for caregivers, support services, housing, health, transportation	This service is administered and funded by the Administration on Aging within the Administration of Community Living. ACF	Social Service Block Grant (Title XX of the Social Security Act, as amended in 1981.)	Households with low income. <sup>10</sup>	Services and eligibility requirements vary by state. Service categories most frequently supported by SSBG include childcare, child welfare, services for persons with disabilities, case management services, and protective services for adults. States and territories must submit a plan specifying how grant funds will be used. An annual post-expenditure report is also required. States may provide services directly, or sub-allocate funds to local qualified providers. States may transfer up to 10% of their TANF funds to SSBG. <sup>10</sup> According to the FY 2017 SSBG Report to Congress, a small percentage of SSBG funds were used for home-delivered and congregate meals for vulnerable and elderly adults. <sup>10</sup>	
ACF	Head Start (Head Start Act 42 USC 9801 et seq.)	Children from birth to age five who are from families with incomes below the poverty guidelines are eligible for Head Start and Early Head Start services. Children from homeless families, and families receiving public assistance such as TANF or SSI are also eligible. Foster children are eligible regardless of their foster family's income. <a href="#">Sec. 645 of the Head Start Act.</a>	Head Start provides comprehensive services to program participants including nutrition services. According to the Head Start Performance Standards: <b>1302.44 Child nutrition.</b> A program must design and implement nutrition services that are culturally and developmentally appropriate, meet the nutritional needs of and accommodate the feeding requirements of each child, including children with special dietary needs and children with disabilities. Family style meals are encouraged as described in <a href="#">§1302.31 (e)(2)</a> . The Head Start Performance Standards outline specific nutrition requirements programs must follow regarding how many meals must be provided, ensuring healthy meals and snacks, feeding infants and toddlers according to their developmental readiness and feeding skills, etc.	The Coronavirus Aid, Relief, and Economic Security (CARES) Act included \$750M for Head Start, which includes up to \$500M for <i>summer</i> Head Start programs and the balance to be distributed to Head Start programs to help them respond to coronavirus-related needs of children and families. Jurisdictions must use funds from USDA Food, Nutrition, and Consumer Services child nutrition programs as the primary source of payment for meal services. Early Head Start and Head Start funds may be used to cover those allowable costs not covered by the USDA.
CDC	<a href="#">Interim Guidance for Home Care of People Not Requiring COVID-19 Hospitalization</a>	Home care coordinators	This interim guidance is for staff at local and state health departments, infection prevention and control professionals, and healthcare personnel who are coordinating the home care and isolation <sup>1</sup> of people with confirmed or suspected COVID-19 infection, including persons under investigation (see <a href="#">Criteria to Guide Evaluation of Persons Under Investigation (PUI) for COVID-19</a> ).
