(5) communications resources;
(6) priorities for recovery of processes, functions, critical applications and vital records; and
(7) alternate operating capability and facilities.
Priorities for recovery process, functions, critical apps & vital records – Addressed throughout the plan
CONTINUITY PLAN TEMPLATE AND INSTRUCTIONS

This template provides instructions, guidance, and sample text for the development of continuity plans and programs in accordance with Continuity Guidance Circular 1 (CGC 1), Continuity Guidance for Non-Federal Governments (States, Territories, Tribes, and Local Government Jurisdictions), dated July 2013, and Continuity Guidance Circular 2 (CGC 2), Continuity Guidance for Non-Federal Governments: Mission Essential Functions Identification Process (States, Territories, Tribes, and Local Government Jurisdictions), dated October 2013. The guidance in this template has been adapted and modified from the FEMA Non-Federal Continuity Plan Template and Instructions, dated September 2013, and applies to all levels of State departments and agencies within the State of Tennessee.

This document is organized in a flexible format so that organizations may select all or only certain sections of the template to develop or improve their plan. While using this template to assist in developing continuity plans and programs, State departments/agencies are encouraged to tailor the template to meet their specific continuity planning requirements. It should be noted that in its current format, the template is unclassified.

Note: Once organization-specific information is entered into the body of the template, delete the italicized/bolded/blue instructions found throughout the document and classify the plan as appropriate.
