

Hospital Presumptive Eligibility Worksheet

To be completed by a hospital employee for each individual applicant when TennCare Access can't be accessed. Once the worksheet is complete, fax it to TennCare Connect. Always use TennCare Access to complete the Hospital Presumptive Application when possible.

If there is more than one person applying and TennCare Access can't be used, complete this worksheet for each individual and write the name and date of birth for the individual on each page. You can staple the pages together for your records.

For guidance on completing this form, refer to the Hospital Presumptive Eligibility Reference Guide.

Definitions

Eligibility Category: Former Foster Care, Pregnant Woman, Child < 1 year, Child 1-5, Child 6-18, or Parent/Caretaker Relative.

Former Foster Care: An individual under age 26 who was in foster care in Tennessee and enrolled in TennCare Medicaid at age 18.

Parent/Caretaker Relative: Individual related to a child (by blood, adoption, or marriage) who lives with the child and has primary responsibility for the child's care. The child must be under 18 (or is 18 if a full-time student).

Household Size: The total number of people in the family who live with the applicant. Count a spouse, siblings, and any other children or stepchildren. Count unborn babies only for the household size of a pregnant applicant. See the Step-By-Step Instructional Guide for Hospital PE for more information.

Monthly Income: The family's monthly income before taxes. Include wages, salaries, self-employed income, unemployment, alimony received, Social Security retirement and SSDI. Do not include SSI or child support. See the Step-By-Step Instructional Guide for Hospital PE for more information.

U.S. Citizen: Individual born in the U.S., became a naturalized U.S. citizen, or derived U.S. citizenship from parents.

Eligible Immigrant: Non-citizen who is eligible for Medicaid because he or she has a particular type of immigration status. See the Step-By-Step Instructional Guide for Hospital PE for more information.
