### STEP 2: Tell us about your family.

We'll use your facts to see if you qualify for health care coverage with us. We'll check first to see if you qualify for TennCare. If your income is too high but you're under the age of 19 or pregnant and meet other rules, we'll see if you qualify for CoverKids. The kind of program you qualify for depends on the number of people in your family and their incomes. This information helps us make sure you can get coverage with us.

**Do Include:**
- Yourself
- Your spouse
- Your children (or stepchildren) under 21 who live with you
- Anyone you include on your tax return, even if they don’t live with you
- Anyone else under 19 who you take care of and lives with you

**You DON’T have to include:**
- Your parents who live with you, but file their own tax return (if you’re over 21)
- Other adult relatives who file their own tax return

**Children Under 21 also include:**
- Parent (or stepparent) who live with you
- Sibling (or stepsibling) who live with you
- Your children (or stepchildren) under 21 who live with you
- Anyone you include on your tax return, even if they don’t live with you

**Complete Step 2 for each person in your family.**
Start with yourself, then add other people who live with you. If you have more than 2 people in your family, you’ll need to make a copy of the pages and attach them. Or, you can print them from our website at www.tn.gov/tenncare.

You don’t need to provide immigration status or a Social Security Number (SSN) for family members who don’t need health coverage. We’ll keep all the information you provide private and secure, as required by law. We’ll use personal information only to check if you’re eligible for health coverage.

### Need help with your Application?
