

# NADSP E-Badge Academy in Tennessee

Are you a Direct Support Professional (DSP) or a Front Line Supervisor (FLS) that wants to increase their skillset and be eligible to earn bonuses?

The NADSP E-Badge Academy helps Direct Support Professionals get credit for competency and education that would otherwise go unnoticed. DSPs can highlight their skillsets, share their professional achievements, and build their professional portfolios. The National Alliance for Direct Support Professionals (NADSP) recently launched the E-Badge Academy, which offers DSPs and FLSs the ability to earn national certification through stackable electronic badges.
