TARA BEMBRI 310 GREAT CIRCLE RD NASHVILLE TN 37243

It's time to renew your coverage! (Coverage means TennCare, CoverKids, or Medicare QMB/SLMB)

Each year, we must see if you still qualify for coverage. This letter is for people in your household whose coverage is up for renewal:

Who	Person ID
TARA BEMBRI (Age: 14)	182261527

Do you want to see if you can keep your coverage? You must fill out and return the Renewal Packet that came with this letter by June 1, 2024.

This is the date your packet is due. This is not the date your coverage will end.

In the Renewal Packet, we tell you everything we know about your household. We need you to check the facts we have listed and tell us about any changes that happened in the last year. We may ask you questions about people in your household that are not listed in the table above. Knowing about other people in your household helps us decide if you qualify. If you need more space to answer any of these questions, please attach a separate sheet of paper with the information. Be sure to write your name and this number 116011299 on any additional pages you send.

To request a free instruction guide on how to complete the Renewal Packet, call **TennCare**Connect at **855-259-0701**. Or you can get it online. Go to:

https://www.tn.gov/tenncare/members-applicants/redetermination/renewal-packet-instructions-.html

If you act **now**, you may be able to keep your coverage without a break. We must get your renewal by **June 1, 2024.** If we don't, your coverage may end.

Be sure to answer all of the questions that you can. And be sure to give us the proof we ask for to renew your coverage. Giving us proof can help us make a faster decision on your coverage.

There are 3 ways to renew your coverage. You only need to choose one. By June 1, 2024 send us your complete, signed Renewal Packet by:

1. Over the phone by calling 855-259-0701.

OR

2. Fill out, sign, and send us this Renewal Packet. There are 2 ways to send your pages to us.

By Mail: TennCare Connect P.O. Box 305240 Nashville, TN 37230-5240

By Fax: 855-315-0669

Be sure to keep the page that says your fax went through.

We'll use your answers to see if you can keep your coverage or not. The kind of coverage you have may change. To decide, we'll look at things like your age, your household income, how many people live with you, and if you have other insurance.

After we review your packet, we'll send you a letter that says if you can keep your coverage or not. If you can't keep your coverage, it will tell you the date your coverage will end and how to file an appeal. If the kind of coverage you qualify for changes, it will say that too.

Here are the kinds of coverage we'll see if you qualify for:

TennCare Medicaid - There are several different groups of people that may qualify for TennCare Medicaid. Some of those people are children under age 21, pregnant women, parents or caretaker of a minor child (who lives with you and is a close relative), or people that need long-term services and support. Each group has different income limits. Some of the groups also have limits on how much you own-your "resources". These are things like bank accounts, cars, and land. The number of people who live in your household count too.

We'll look first to see if you qualify for TennCare Medicaid.

TennCare Standard - This is only for children under age 19 who can't keep TennCare Medicaid **and** who don't have access to other health insurance (like through a parent's job).

CoverKids - This is for children under age 19 or pregnant women who are not enrolled in other health insurance. If you don't qualify for TennCare Medicaid, are under age 19 or pregnant, and meet other rules, we'll review your packet for CoverKids. If you qualify for CoverKids, you could get help with your co-pays if you are American Indian or Alaskan Native (see Appendix B).

Medicare Savings Programs - This program is for people who have Medicare and qualify for help paying their Medicare cost sharing. You might know this as "QMB" or "SLMB." These pay for your Medicare premiums and sometimes your Medicare co-pays, and deductibles. If you want help paying for your Medicare, you must tell us in your packet.

To learn more about our programs go to https://tn.gov/tenncare.

Remember, to be sure you can keep coverage while we review your packet, we must get it by June 1, 2024. What if you send us your Renewal Packet on time but we get it on or close to the due date? You may have a short break in coverage. However, once we record your Renewal Packet as returned, we'll give your coverage back while we look at it.

What if you don't send us your Renewal Packet by June 1, 2024? You'll get a letter that says when the coverage you have now will end. The letter will also say how to appeal.

When your coverage ends, we won't pay for **any** of your health care or medicine anymore. Does TennCare pay your Medicare premiums now because you also have QMB or SLMB? If so and you don't return your Renewal Packet, your Medicare Savings Program will also end. **This** means TennCare will stop paying your Medicare premium and your Social Security check may go down.

Even if you get a letter that says when your coverage will end you can still send in your packet and proof. If we get your packet and proof, we'll use it to see if you qualify for coverage. Then we'll send you a letter that says if you qualify or not. If you think we made the wrong decision, the letter will also say how to appeal our decision.

What if we get your packet before your coverage ends but we need more facts or proof from you to decide? We'll send you a letter that says what's missing. You'll only have 20 days from the date on that letter to give us the facts or proof we need.

What if you **don't** return the facts or proof we need within those 20 days? You may not be able to keep your coverage. We'll use the facts and papers you have given us to decide (even if you've only given us your Renewal Packet). So **don't wait!** Try to give us all your facts and proof when you send us your packet.

Do you want to end your TennCare, CoverKids, or Medicare Savings Program (like QMB or SLMB), or Katie Beckett? If you don't want your coverage anymore, call TennCare Connect for free at 855-259-0701. Tell us the coverage that you want to end. We'll stop your health care coverage and send you a letter telling you about your end date.

Is there someone living with you now that doesn't have coverage and wants to apply for TennCare, CoverKids or a Medicare Savings Program? Use Appendix A to tell us more about that person.

What if you don't have Katie Beckett coverage but want to see if you qualify? This program is for children under the age of 18 with complex medical needs and disabilities. It can help a child qualify for Medicaid by not counting the household income or resources. If you think you qualify for Katie Beckett because your household income or resources have gone up, tell us. Go to tennoareconnect.tn.gov. Log in to your account or create an account and tell us you want to be reviewed for Katie Beckett.

Do you need help with this letter because you have a health problem, learning problem or a disability? Or, do you need help in another language? If so, you have a right to get help and we can help you. See the "Do you need Special Help" page with this letter. Or call TennCare Connect for free at 855-259-0701.

□ **Do you have a mental illness and need help with this letter?** The TennCare Advocacy Program can help you. Call them for free at **800-758-1638**.

People who lie on purpose to get TennCare or CoverKids may be fined or sent to jail.

Are you eligible for other kinds of benefits like unemployment income, retirement income or disability? If so, you must apply for those benefits also to keep coverage with us.

We do not allow unfair treatment in our program.

No one is treated in a different way because of race, color, birthplace, religion, language, sex, age, or disability. Do you think you've been treated unfairly? Do you have more questions? Do you need more help? You can make a **free call** to **TennCare Connect** at **855-259-0701**.

Part 1: Your Household

Start by reviewing the information we have in our records below.

1. **Do the people listed below still live together?** Check the box "Yes" or "No" for each person listed in the table below.

If we have the Social Security Number for the people listed, it will say "On File". We won't show the SSN here. If the SSN column is blank, please write in the person's SSN. We use SSNs to check income and other information so we may not have to ask you to send us proof. We'll use your personal information **only** to see if you qualify for coverage. We keep all the information you give us private and secure as required by law.

You don't need to provide a Social Security Number (SSN) for family members who don't want coverage in our programs. Giving us the SSN of these family members can help speed up your renewal.

Part 10: Read and Sign this Renewal Packet

There's one more page before you're finished. It's for you to **Read and Sign** this Renewal Packet. ☐ I'm signing this page under penalty of perjury which means I've provided true answers to all the questions to apply for or renew health coverage or report changes for the persons named in this Renewal Packet and its supplements to the best of my knowledge. ☐ I know that I must tell the **TennCare** if anything changes (and is different than) what I answered on the Renewal Packet within 10 days of that change. I can report changes online at https://tn.gov/tenncare. I can call 855-259-0701 to report any changes. I can mail changes to TennCare Connect at P.O. Box 305240, Nashville, TN 37230-5240. I can fax changes to 1-855-315-0669. Someone at a county DHS office can help me report a change. I understand that a change in my information could affect the eligibility for member(s) of my household. ☐ I know that under federal law, discrimination isn't permitted on the basis of race, color, national origin, sex, age, sexual orientation, gender identity, or disability. If you think you have been treated unfairly, call 855-259-0701 to report it. It's a free call. ☐ I know that if I am approved, I can't keep any health insurance payments or medical payments I get from insurance or other companies. Those payments belong to the State. I understand that I must sign them over to the State. ☐ I know that TennCare may use the email address (or mobile phone number) that I provided to send emails or Short Message Services (SMS) messages related to my coverage, depending on my communication preference selections. TennCare and their partners may also use the phone number I provided to call me about my coverage. ☐ I know that if the Tennessee Bureau of Investigation, TennCare, Office of Inspector General, or another agency asks for my help catching health care fraud and abuse, I must help. ☐ I know that if the State pays for medical bills or for nursing home care for me, the State may get that money back. I know that after my death, the State may be paid back with money from my estate. ☐ I know no one else can use my health care card. I know if I let someone else use my card I may have to pay the State back for that other person's medical bills. And I could go to jail. ☐ If I have a Social Security Number (SSN) and I'm applying for coverage, I know I am required to provide a valid SSN. Federal and State law lets us ask for an SSN. [42 CFR 435.910; Tenn. Code Ann § 71-5-106] ☐ If anyone on the Renewal Packet is eligible for health care coverage with TennCare, I am giving TennCare rights to pursue and get any money from other health insurance, legal settlements, or other third parties. I am also giving TennCare rights to pursue and get medical support from a spouse or parent. □ Does any child on this Renewal Packet have a parent living outside of the home? If yes, I know I will be asked to cooperate with the agency that collects medical support from an absent parent. If I think that cooperating to collect medical support will harm me or my children, I can tell TennCare and I may not have to cooperate. ☐ If I think TennCare or CoverKids (CHIP) has made a mistake, I can appeal its decision. To appeal means to tell someone that I think the action is wrong, and ask for a fair review of the action. I know that I can be represented in the process by someone other than myself. My eligibility and other important information will be explained to me. I know that I can find out how to appeal by contacting TennCare Connect at 855-259-0701. □ I understand if I'm eligible for other kinds of benefits like disability, unemployment income, or retirement income, I must apply for those programs if I want to keep coverage with TennCare. ☐ If I think TennCare is taking more than 45 days (or more than 90 days if I applied for long-term care), I can ask for a "delay hearing." I know I can ask for a delay hearing by contacting TennCare Connect at 855-259-0701.
