

2019 Update to the TennCare Quality Strategy

Wednesday, January 29, 2020

The Division of TennCare has prepared an update to the TennCare Quality Strategy, which will be submitted to the Centers for Medicare and Medicaid Services (CMS). The Quality Strategy is required by federal regulation (42 C.F.R. Part 438, subpart E) and is used to assess and improve the quality of managed care services offered within the state.

The draft update to the TennCare Quality Strategy (located online at <https://www.tn.gov/content/dam/tn/tenncare/documents2/2019UpdateOfQualityImprovementStrategy.pdf>) is open for public comment until close of business on Wednesday, February 12, 2020. Comments should be submitted by email to public.notice.tenncare@tn.gov.

TennCare will review any comments received and will make the final version of the 2019 update to the TennCare Quality Strategy available on the webpage located at <https://www.tn.gov/tenncare/policy-guidelines/waiver-and-state-plan-public-notices.html>.
