Updated PCMH application and selection timeline

The application window for Tennessee’s PCMH program has been shifted to accommodate the CPC+ schedule. CMS will announce selected regions for the CPC+ program on July 15. This does not affect the program’s launch date of January 1, 2017.

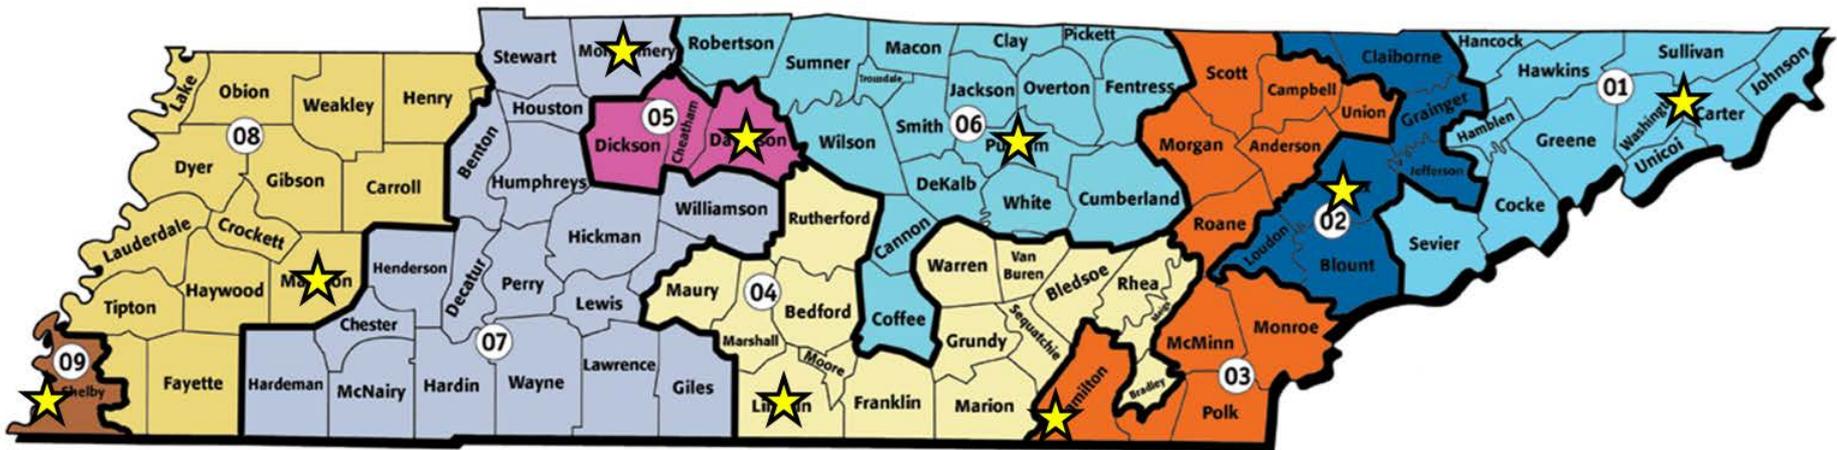

Tennessee Health Link application available- Reminder

- Tennessee is working with providers to improve integrated and value-based behavioral and primary care services for TennCare members with significant behavioral health needs.
- Tennessee Health Link will help providers to integrate care and build practices' capacity to transition to value-based payment and delivery in the future.
- The State is continuing to accept applications from providers interested in participating in the program.
- You may view the provider application and program description on our website at <http://www.tn.gov/hcfa/article/tennessee-health-link>.
- Providers selected to participate as Tennessee Health Links will be notified by June 15, 2016. The program will launch October 1, 2016.

State SIM Population Health Improvement Update

PHIP Focus Group Feedback

- Regional Relevance of Health Topics
 - Obesity was #1 in 1/3 of cities
 - West & South TN, especially
 - Perinatal Health & NAS was #1 in 1/3 of cities
 - Middle & East TN, especially
 - Tobacco Use was only #1 in 1 city in NE TN
 - Twice the prevalence of state average
 - Missing Health Topics of Relevance:
 - Mental Health
 - Substance Abuse
 - Dental/Oral Health
- Regional Recommendations
 - There's still a struggle to access basic care in rural areas, much less preventive services.
 - Social nudges work.
 - Health is steeped in culture.
 - Build up public/private partnerships.
 - Flexibility is a must, because cultures are vastly different across (and within) communities.
 - Missing pieces: Mental/behavioral health, oral/dental health, substance abuse, asthma, autism

Average Rank of Health Topics Across TN:

Obesity
Perinatal Health
Child Health
Diabetes
Tobacco Use

Medicare Access and CHIP Reauthorization Act of 2015 (MACRA)

- On April 27, 2016, the Notice of Proposed Rulemaking was issued by the Centers for Medicare & Medicaid Services (CMS) to implement key provisions of the MACRA.
- The MACRA replaces the Sustainable Growth Rate (SGR) formula for paying clinicians with a framework called the “Quality Payment Program” beginning in 2019.
- The Quality Payment Program includes two paths: (1) the Merit-Based Incentive Payment System (MIPS) or (2) Advanced Alternative Payment Models (APMS).
- CMS is seeking public comment on this Notice of Proposed Rulemaking until June 27, 2016. For more information visit <http://federalregister.gov/a/2016-10032> .
