

## **Notice of Change in 1915(c) HCBS Waivers – Posted July 29, 2022**

The Commissioner of the Tennessee Department of Finance & Administration is providing official notice of intent to renew the Section 1915(c) Home and Community Based Services Self-Determination (SD) Waiver and amend the Section 1915(c) Home and Community Based Services Comprehensive Aggregate Cap (CAC) and Statewide (SW) Waivers:

### **Waiver TN.0128.R06.00**

---

#### ***Statewide Home and Community Based Services (or "Statewide") waiver***

### **Waiver TN.0357.R04.00**

---

#### ***Comprehensive Aggregate Cap Home and Community Based Services (or "CAC") Waiver***

### **TN.0427.R03.02**

---

#### ***Tennessee Self-Determination Waiver Program***

These waivers are operated by the Department of Intellectual and Developmental Disabilities (DIDD) under an Interagency Agreement with TennCare, the State Medicaid Agency.

The requested effective date of these changes is January 1, 2023.

The primary purpose of these waiver submissions is to submit the SD Waiver Application for a renewal period of five years and to resubmit the Intellectual and Developmental Disabilities (I/DD) Integration changes that were submitted to the Centers for Medicare and Medicaid Services (CMS) in September 2021 to transition 1915(c) Home and Community-Based Services (HCBS) provided under all three waivers into managed care. The individuals served in these waivers are already part of managed care for their physical and behavioral health services. These changes simply integrate 1915(c) HCBS waiver benefits for individuals with I/DD, with their current managed care health plan also becoming responsible for the delivery of 1915(c) HCBS waiver services. Most of the changes in the SD renewal are also in the amendments for the CAC and SW Waivers.

To ease your review, proposed changes are tracked in a Summary Document: *Proposed Renewal and Amendments to Tennessee's Section 1915(c) Home and Community-Based Services Waivers: Opportunity for Public Comment*
