

TennCare PCMH Program Update: 10.13.2021

October Delivery Systems Transformation Conference – Registration Now Open! Fall season in Tennessee is a wonderful time of year! The color on the leaves change, we can pull out those boots we bought on sale, and of course...Pumpkin Spice lattes!!! This time of year is also associated with harvest. Seasoned and newly minted farmers begin gathering crop preparing for what's to come. The act of harvesting can translate into other areas of life and we want to help you explore those! Join us on **October 20th & 21st** for the final Delivery Systems Transformation (DST) conference of the year as we delve into #CulturalHarvest. Our Minority Health Series continues with Asian American and Pacific Islander Health Disparities. Other topics include: *Men's Health, Emergency Medicine Groups as Quarterbacks, and Identifying and Addressing Implicit Bias in Patient Care*. We've got an assortment of subject matter experts ready to help you reap the benefits of this season. **Please click the following link to learn more and to register: <https://cvent.me/Eg70Og>. Please note that once registered, you will receive a confirmation email. That email will contain your unique link and should not be forwarded on to others.**

September Joint PCMH & THL Webinar Recording and Slides Now Available! Thank you to those who joined us on Wednesday, September 29th for the joint PCMH & THL webinar titled, "Antidepressant Medication Management (AMM) HEDIS®: Why Is It Important?" Presenters provided tips on how providers can be successful with this integral HEDIS metric. To view the webinar recording, please click [here](#). To view the webinar slides, please click [here](#).

Care Coordination Tool (CCT) AUP Renewal: Now that the new CCT has been live for a year, we are coming into the annual renewals for user's Acceptable Use Policy (AUP) form. Please watch your inbox for notice that your AUP renewal is coming due from TennCare.CCT@tn.gov. We will provide you with at least one month's notice to complete the form. These are personalized requests based on when a user signed up and their role in the CCT, so please do not forward to your coworkers.

2022 PCMH Program Enhancements Webinar: Please join us on Wednesday, December 15th from 11 AM – 12 PM CT for a webinar on PCMH program enhancements for 2022. Webinar login information may be found below and will be sent in a separate calendar invitation. The webinar slides and recording will be posted to the website following the presentation.
