Reminder – May 2021 PCMH & THL Provider Performance Reports Delayed in Order to Include W30 & WCV

Thresholds: In order to include the W30 & WCV thresholds in the upcoming PCMH & THL Provider Performance Reports, the delivery of the reports will be delayed until **June 22nd**. This delay will allow the MCOs to incorporate the W30 and WCV thresholds, your organization’s performance on those measures, and your organization’s potential outcome payment for PY 2020 (THL and PCMH waves 1 – 4 only) in the upcoming reports. The final PY 2020 PCMH & THL Provider Performance Reports, as well as the first PY 2021 PCMH & THL Provider Performance Reports, will be delivered on the regular schedule of August 31, 2021. Please contact me or your MCO representative with any questions.
