

TennCare PCMH Program Update: 7.26.2021

It's Not Too Late to Join Us for the July 2021 DST Conference! Have you ever watched *MasterChef*, *Chopped*, or any cooking show? Have you wondered how the chefs created those amazing dishes? If so, I have news for you. It all started with a recipe and all recipes call for ingredients! Join us and the MCOs this Tuesday and Wednesday – **July 27th and July 28th** – for the free virtual Delivery Systems Transformation (DST) Conference, *Ingredients for a Healthy Lifestyle: #Recipes for Success*, to learn your unique ingredients for success. The popular Minority Health Series will continue at this conference by taking a deep dive into the Native American population, and, as always, there will be awesome collaboratives for PCMH, EOC, and THL providers. Please view the attached agenda for more information. You don't want to miss the celebrity chef cooking demonstration or your chance to hear from various subject matter experts. If you have any questions, please feel free to email the conference mailbox monitored by BlueCare at TennCare_PCMH@bcbst.com. The MCOs and TennCare are also available for questions. Please click on the link below to learn more and to register for the conference; please note that registration is required. Get your aprons ready and let's start cooking!

June PCMH Webinar Recording and Slides Now Available! Thank you to those who joined us on Friday, June 25th for the PCMH webinar titled, "Improving Member Outreach and Engagement at the Practice Level." The webinar featured two subject matter experts, Dr. William Cannella (Medical Director, Amerigroup Tennessee) and Dr. R.W. "Chip" Watkins (Regional Medical Director, Community Care of North Carolina) who presented strategies to improve member outreach and engagement at the practice level and highlighted approaches to work with vaccine hesitant members. To view the webinar recording, please click [here](#). To view the webinar slides, please click [here](#).

PCMH Program Resources. Please visit the PCMH webpage for helpful information about the program, key documents, webinar slides, webinar recordings, conference materials, additional resources and archived PCMH program updates.
