

TennCare PCMH Program Update: 8.20.2021

July 2021 Conference Materials Now Available. Thank you to all who participated in the Delivery Systems Transformation Conference, *Ingredients for a Healthy Lifestyle: #Recipes for Success*, on July 27th and 28th! The conference featured terrific speakers from several subject matter experts on the importance of preventive and primary care in improving health outcomes, the drivers of health disparities in the Native American population, and the root causes of and addressing anxiety. We're pleased to inform you that materials from the conference are now available. The video is posted on the website and can be found [here](#). The TennCare update presentation is attached to this email; additional presentation slides can be provided upon request from your MCO coach or representative.

Webinar Recording of the 2021 EPSDT Stakeholder Webinar Now Available. Thank you to those who attended the 2021 EPSDT Stakeholder Webinar on August 6th to hear about statewide data and TennCare's strategy for EPSDT. The recording is posted on the website and can be found [here](#).

PCMH Provider Performance Reports. Amerigroup, BlueCare, and UnitedHealthcare will be delivering *final PY2020* provider performance reports and PY2020 member outcome panels for waves 1, 2, 3, and 4 by August 31st. In addition, the MCOs will be delivering the *first PY2021* provider performance reports for all waves by August 31st.

Joint PCMH & THL Webinar on September 29th from 11 AM – 12 PM CT. Medication management and adherence are critical components of wellness. Members enrolled in PCMH and/or THL are impacted when either are not in alignment. The HEDIS[®] metric, Antidepressant Medication Management (AMM), intersects both programs and is influential with other quality metrics. Join us on September 29th for a combined webinar titled, *Antidepressant Medication Management (AMM) HEDIS: Why Is It Important?* exploring this measure. The presentation will focus on how providers can be successful with this integral HEDIS metric. The subject matter experts will also delve into the impact COVID-19 and provide tangible strategies for improvement. Mark your calendars and grab a notebook! Webinar information is listed below, and a calendar invitation will be sent shortly! The webinar slides and recording will be posted to the website following the presentation. For additional information, please feel to contact TennCare or an MCO representative.
