Governor Lee signed [2022 Tenn. Pub. Ch. No. 1044](#) on May 11, 2022. The legislation is effective July 1, 2022, and refines how Tennessee regulates postsecondary educational institutions as defined in Title 49, Chapter 7, Part 20. The legislation streamlines the state authorization process and codifies current practices, while maintaining important consumer protections and institution accountability.

At the direction of the Tennessee Higher Education Commission, Commission Staff filed Emergency Rules with the Tennessee Secretary of State's office on June 29, 2022. Per Rule 1540-01-02-.02(2)(g), I am "empowered to extend authorization time periods of institutions authorized as of July 1, 2022, in order to effectuate the purposes of the Act and these rules." As a result of the foregoing, effective July 1, 2022, institution authorization end dates shall be amended as stated in the following attachments. This memorandum and the attachments thereto numbered one through four may be shared with any agency having any interest in the operation or authorization of an institution.

Commission staff shall post on the Commission's website notice of this memorandum and provide notification via email of the posting to all institutions authorized as of June 1, 2022, and thereafter. Questions concerning this memorandum shall be sent to Julie Woodruff at [julie.woodruff@tn.gov](mailto:julie.woodruff@tn.gov) or Marcie Mills at [marcie.mills@tn.gov](mailto:marcie.mills@tn.gov).
