### **DECISION ITEM C**

New Administrative Rule – Access to Public Records

### **Staff Recommendation**

(1) Adopt Chapter 1640-01-30 as Rulemaking Hearing Rules; and,

(2) Authorize the Executive Director to make any necessary technical corrections to these rules including changes suggested by the Tennessee Attorney General.

### **Background**

In 2016, the General Assembly passed Public Chapter 722, which updated the Tennessee Public Records Act. The Act required all governmental entities to adopt a written public records policy by July 1, 2017.

TSAC's Board approved an Open Records policy in September 2011, and a revised policy on May 18, 2017, based on the model policy and best practices published by the Office of Open Records Counsel.

Public Acts of 2018, Chapter 712, required agencies to promulgate rules based on the Tennessee Public Records Act. These draft rules were developed based on the Public Records Act, taking into account the intent of the legislature, as expressed in the committee hearings.

A public Rulemaking Hearing was held on February 15, 2019. No members of the public attended and no comments were submitted. No modifications have been made to the draft rules since the hearing.

These rules will be implemented following approval by the Tennessee Attorney General and subsequent filing with the Secretary of State.
