ACADEMIC PERFORMANCE: KEY TAKEAWAYS

- Twelve out of thirteen schools met standard on the academic section.
 - All schools in the West Grand Division met standard on the academic section and existing schools showed improvement.
 - Most notable growth from Bluff City High School
 - Most schools in the Middle Grand Division met standard.
- Commission schools demonstrated growth from SY22-23 to SY23-24 on TVAAS, the student outcomes metric, and the overall score on the academic section.

ORGANIZATIONAL PERFORMANCE

- Indicator sections include:
 - Education Program
 - Financial Management and Oversight
 - Governance and Reporting
 - Students and Employees
 - School Environment
 - Additional Obligations

FINANCIAL PERFORMANCE

- The financial performance framework is comprised of ratings based on schools near term and sustainability indicators.
- Near term indicators depict the school's financial position and viability in the coming year.
- Sustainability measures indicate the school's longer-term financial performance and viability over time.

KEY TAKEAWAYS

- Organizational Performance
 - Commission schools are organizationally sound.
 - Promise Academy Spring Hill has partnered with Commission staff and has come into compliance with the shortcomings identified in SY23-24.
 - Commission staff continues to provide transparent feedback to schools throughout the year.
- Financial Performance
 - Commission schools are financially healthy.
 - All audits were received on-time with LEAD Neely's Bend's audit on an approved extension.

NEXT STEPS

- Commission staff is continuing to work with schools to address any shortcomings.
- The results of our schools 2023-24 performance are being presented and discussed during meetings with each school's governing board.
- A final draft of the annual report will be published upon receipt of all final audits.

SCHOOL PERFORMANCE FRAMEWORK UPDATE

SCHOOL PERFORMANCE FRAMEWORK UPDATES

- Commission staff will re-open the framework for updates this year.
- We do not anticipate major updates to the framework but rather refining certain indicators.
- A redlined version with updates will be presented for first read in March, with adoption in July.
