Dear Respected Tennessee Charter School Commission Members,

My name is KHALID MEZOUAR and I have 1 child(ren) in the Antioch community. This letter is to provide support and an intention to enroll my student(s) if Saber STEM Academy was approved by your commission.

We believe that Saber STEM Academy will be our choice because of its promise to provide a culturally responsive and rigorous STEM education for our students. Our community values the Arabic language and it will be the only school to offer such a robust program in the area. The proposed facility is conveniently located for my family and I believe that it is a safe, and welcoming environment for my child(ren)'s needs.

Thank you for considering Saber STEM Academy's application and we look forward to this school being our school of choice.

Sincerely,

My name is Ahmad Khalil Azizi and I have ⁴ child(ren) in the Antioch community. This letter is to provide support and an intention to enroll my student(s) if Saber STEM Academy was approved by your commission.

We believe that Saber STEM Academy will be our choice because of its promise to provide a culturally responsive and rigorous STEM education for our students. Our community values the Arabic language and it will be the only school to offer such a robust program in the area. The proposed facility is conveniently located for my family and I believe that it is a safe, and welcoming environment for my child(ren)'s needs.

Thank you for considering Saber STEM Academy's application and we look forward to this school being our school of choice.

Sincerely,

Dear Respected Tennessee Charter School Commission Members,

My name is Mohamed Saleh and I have 1 child(ren) in the Antioch community. This letter is to provide support and an intention to enroll my student(s) if Saber STEM Academy was approved by your commission.

We believe that Saber STEM Academy will be our choice because of its promise to provide a culturally responsive and rigorous STEM education for our students. Our community values the Arabic language and it will be the only school to offer such a robust program in the area. The proposed facility is conveniently located for my family and I believe that it is a safe, and welcoming environment for my child(ren)'s needs.

Thank you for considering Saber STEM Academy's application and we look forward to this school being our school of choice.

Sincerely,

Parent Name (print) Mohamed Saleh

PETITION

TO: THE TENNESSEE PUBLIC CHARTER SCHOOL COMMISSION

The ICT "The future home of the Saber STEM Academy" and its' members are grateful for the opportunity to have a charter school at our facility where our children have the promise to experience a culturally responsive and rigorous STEM- focus curriculum that aligned with Tennessee state education standards. Also, our diverse children will have the chance to learn the valuable language "Arabic" that we all struggle to teach our children in a strong educational platform. All these promises will not come true unless you reconsider the Saber STEM Academy application.

We, the undersigned affix our signatures in support for the petition of Saber STEM Academy.
