

2024 AMENDED CHARTER AGREEMENT
EMPOWER MEMPHIS CAREER AND COLLEGE PREP CHARTER SCHOOL

This Charter Agreement (hereinafter referred to as "this Agreement") is entered into this, the 2nd day of December 2024, by and between the Tennessee Public Charter School Commission (hereinafter referred to as "the Commission" or "the Authorizer") and Empower Memphis Career and College Prep Schools, Inc. (the "Applicant(s)") (collectively, the "Parties") to operate Empower Memphis Career and College Prep Charter School (hereinafter referred to as "the Charter School").

For purposes of this Agreement, "Charter School" refers to the Governing Body and the charter school. The terms "Charter School" and "Governing Body" are used interchangeably herein; however, references herein to "Charter School" shall not include other schools operated by the Governing Body.

Whereas the Commission was authorized for the service as the LEA for any public charter school it authorizes in accordance with T.C.A. § 49-13-105(a);

Whereas the Parties desire to terminate the initial Charter Agreement and, in its place, enter into this 2024 Amended Charter Agreement;

This Agreement consists of the following documents:

- This document and any exhibits hereto or documents incorporated herein by reference
- Approved Charter School's Application (Exhibit 1)
- Current Approved Performance Frameworks – Academic, Organizational, and Financial (Exhibit 2)
- Pre-Opening Checklist (Exhibit 3)
- Approved Waivers (Exhibit 4)
- Original Charter Agreement (Exhibit 5)

In consideration of the mutual covenants and promises contained herein and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Parties hereto agree as follows:

1. General Terms

1.1. Applicable Law. This Agreement and the Charter School's operations shall be governed by and construed in accordance with the laws of the state of Tennessee and applicable federal laws. Though the Charter School may, pursuant to Tennessee Code Annotated ("T.C.A.") § 49-13-111, seek waivers from the Authorizer or the commissioner of education from Tennessee laws or rules of the State Board of Education that inhibit the Charter School's ability to meet its goals or comply with the school's mission, the Parties understand that currently, waivers may not be provided from the types of laws and rules specifically listed in T.C.A. § 49-13-111, from any provisions of Title 49, Chapter 13 (the Tennessee Public Charter Schools Act, hereinafter referred to as the "Act"), those included in the Act by reference, or from other laws specifically applicable to charter schools (such as

those related to benefits or retirement of charter school employees contained in Title 8, Chapter 27, Part 3).

To the extent there is a conflict between the terms of this Agreement and the Charter School's Application, the terms of this Agreement shall govern.

By signing this Agreement, the Authorizer approves any waivers requested in the Charter School's Application, unless such waivers are excluded from Exhibit 4. Approved waivers are attached as **Exhibit 4**.

1.2. Effective Date. This Agreement shall be effective immediately following signature by the Charter School and the Authorizer. This Agreement shall expire on June 30 of the tenth (10th) year after the date of opening of the Charter School, unless earlier terminated or renewed pursuant to the terms of this Agreement or state law.

1.3 Pre-Opening Process. Upon approval by the Authorizer, the pre-opening checklist (the "Pre-Opening Checklist", incorporated into this Agreement as **Exhibit 3**), will be sent to the Charter School outlining specific actions that must be put in place during the planning year and completed prior to the Charter School opening for instruction. If the Pre-Opening Checklist is substantially incomplete at the time of inspection, the Authorizer may decide to not allow the Charter School to open until the Charter School has completed all pre-opening steps under T.C.A. § 49-13-111, Authorizer policies, and the Pre-Opening Checklist. Further, if the Authorizer may require the Charter School to delay opening for up to one (1) school year through an amendment to this charter agreement as set forth in Section 10, pursuant to T.C.A. § 49-13-108(5)(D).

If the Charter School is allowed to open under the Commission's authority despite the failure to complete all items required by the Pre-Opening Checklist, the Charter School must provide proof to the Authorizer that all items on the Pre-Opening Checklist have been completed by the date specified by the Authorizer. The failure of the Charter School to complete all items on the Pre-Opening Checklist by the specified date shall be a material violation of this Agreement and shall subject the Charter School to corrective actions, including but not limited to revocation, in accordance with the Authorizer's Intervention policy. The Authorizer retains the right to delay the effective date of this agreement by one (1) year in accordance with T.C.A. § 49-13-108(b)(5)(D) upon written notification if the Applicant fails to complete the **Ready to Open** items on the Pre-Opening Checklist by the specified date.

The Authorizer shall notify the Applicant of any changes to the Pre-Opening Checklist but do not constitute material changes. Any such changes will be acknowledged in an addendum to this Agreement, if applicable. Any changes to the Pre-Opening Checklist which constitute material changes will not become binding upon the Charter School without the Applicant's consent, except through amendment to this Agreement.

1.4. Charter School Performance. The operation of the Charter School shall be subject to the terms and conditions of this Agreement and the Act, in accordance with T.C.A. § 49-13-143. Decisions by the Authorizer regarding amendment, renewal, or revocation of this

Agreement shall be based upon applicable laws, rules, policies, this Agreement, and/or the academic, organizational, and financial Performance Frameworks (the "Performance Frameworks") incorporated into this Agreement as **Exhibit 2**, as well as the Authorizer's Intervention Policy.

The Authorizer shall have broad oversight authority over the Charter School and may take all reasonable steps necessary to oversee compliance with this Agreement and applicable laws, rules, and policies. This oversight authority includes, but is not limited to, the right to visit, examine, and inspect the Charter School and its records during the pre-opening year, during the annual monitoring visit, and to investigate a complaint (notice including a statement of the complaint shall be given to the Charter School, unless in the judgment of the Authorizer such notice would inhibit the Authorizer's ability to investigate the complaint. Information that may identify the complainant may be redacted if deemed necessary by the Authorizer).

Upon reasonable notice, the Authorizer may interview Charter School employees, Board members, students, and families as necessary to resolve complaints and grievances. With respect to complaints and grievances, additional information is contained in Section 8.2.

The Authorizer shall provide in writing to the Charter School no later than July 1 of each school year a Master Reporting Calendar which will set out key deadlines for the Charter School to provide certain information and reports. Additionally, at least thirty (30) days prior to any site visit, the Authorizer shall provide the Charter School with a written list of any required documentation and/or specified actions for the site visit.

The Parties agree that the most critical performance measures contained in the Performance Frameworks are the academic measures, which may include student achievement, student growth measures (including annual measurable objectives), readiness for successive school levels (middle, high, or post-secondary) and employment, as well as mission-specific academic goals defined in the Performance Frameworks.

For the purposes of accountability, renewal, and/or revocation evaluation, the Performance Frameworks supersede all assessment measures, educational goals and objectives, financial operations metrics, and organizational performance metrics set forth in the Charter School's Application and not explicitly incorporated into the Performance Frameworks. However, this shall not prevent the Authorizer from holding the Charter School accountable for any goals contained in the Charter School's Application that do not conflict with Performance Frameworks for purposes of accountability, renewal, and/or revocation evaluation. The specific terms, form and requirements of the Performance Frameworks are maintained and disseminated by the Authorizer and shall be binding on the Charter School.

The Authorizer shall—at least annually—monitor and report on the Charter School's progress in relation to the indicators, measures, metrics, and targets set out in the Performance Frameworks, as well as compliance with federal and state laws and regulations, and when required by the Performance Frameworks and such laws and regulations. The

Authorizer will conduct an annual scheduled comprehensive site visit each year, which will be used to the Charter School's progress on the Performance Frameworks.

The Authorizer shall conduct an interim review at the end of the fifth year after the effective date of the Agreement, pursuant to T.C.A. § 49-13-121.

Changes to the Performance Frameworks to align with changes to applicable state or federal accountability requirements shall apply to the Charter School. In the event of such changes, the Authorizer will use best efforts to apply expectations for school performance in a manner consistent with those set forth in the Performance Frameworks as initially established in the most recent charter agreement.

Changes to the Performance Frameworks that are not required by state or federal law or accountability requirements will not become binding upon the Charter School without the Charter School's consent, except at the time of charter renewal or amendment.

1.5. Location. The location of the Charter School is governed by T.C.A. §§ 49-13-107, 49-13-110, and 49-13-113. The Charter School location is in the Parkway Village and Oakhaven neighborhoods of Memphis, Tennessee, while serving the neighborhoods of Parkway Village, Oakhaven, Orange Mound, and South Memphis. If the Charter School proposes to change its location, such change shall not require an amendment to this Agreement unless the location change is materially different from the location of the Charter School as discussed in the Charter School's Application and described in this agreement. Non-material changes in location shall require at least thirty (30) days prior notice to the Authorizer. Any change in location that is determined by the Authorizer to be materially different from the Charter School's Application shall require an amendment to this Agreement as set forth in Section 10. If the Charter School is located at a site owned or controlled by the local education agency (LEA) in which the Charter School is located or a site owned or controlled by the local government where the Charter School is located, the use of such site shall be subject to and governed by a Facilities Agreement between the Applicant and the LEA or local government. The Authorizer shall have no rights or responsibilities regarding any Facilities Agreement. The Authorizer shall have no rights or responsibilities beyond the terms of this Agreement regarding any Facilities Agreement between the Applicant and any party with which the Applicant may contract for the location of the Charter School.

1.5.1. Inspections. The Authorizer will have access at all reasonable times to any facility owned, leased, or utilized in any way by the Charter School for purposes of inspection and review of the Charter School's operation and to monitor the Charter School's compliance with the terms of this Agreement.

1.5.2. Impracticability of Use. If use by the Charter School of a facility is rendered impracticable by any cause whatsoever, or if the funds necessary to construct/renovate or upgrade a facility cannot be secured, the Charter School shall notify the Authorizer. The

Authorizer shall not be obligated to provide an alternative facility for use by the Charter School.

1.6. Employment Status. All teachers and other staff of the Charter School shall be employed by the Charter School, and not the Authorizer. None of the provisions in this Agreement shall be construed to create a relationship of agency, representation, joint venture, ownership, or control of employment between the Parties.

1.7. Mission. The Charter School, in its work, shall progress toward its established mission, in accordance with T.C.A. § 49-13-107(b)(1). The Authorizer shall evaluate the mission of the Charter School in accordance with the goal and indicators established within the School Performance Framework, as detailed in Exhibit 2, on an annual basis. If over the duration of this agreement, the Charter School needs to change any part of the mission-specific goal in the School Performance Framework, the Charter School shall notify the Authorizer within thirty (30) days. The Authorizer will determine if the change is material such that it requires an amendment to this agreement pursuant to Section 10.

2. Charter School Organizational Responsibilities

2.1. Student Enrollment and Retention. The Charter School shall enroll students according to T.C.A. § 49-13-113. The Charter School shall not discriminate with respect to admissions on the basis of race, color, ethnicity, religion, national origin, English language proficiency, sex, disability, or the need for special education and related services as set forth in the Charter School's Application and the Act.

The Charter School may enroll students up to a total maximum enrollment of 450. When the school is serving all authorized grades, increases in total enrollment numbers greater than 450 must be reported to the Authorizer and evaluated to determine if they are material changes to this agreement. Reductions in enrollment greater than 15% must be reported to the Authorizer and evaluated to determine if they are material changes to this Agreement. Until the school is serving all authorized grade levels, the Authorizer will annually evaluate the school against the enrollment listed submitted in the July 1st budget and against the maximum enrollment of 450. If, after completion of the annual enrollment evaluation, the Charter School's actual enrollment fall below 15% of the projected enrollment, the Authorizer shall have the right to determine if the actual enrollment is a material change to this Agreement. Reductions in enrollment in successive years or changes that affect the financial solvency of the Charter School are considered material and shall require an amendment to this Agreement. Any change in enrollment that is considered to be material to this Agreement shall not be permitted unless a formal amendment to this Agreement is secured in advance according to the provisions outlined in T.C.A. § 49-13-110(d), Commission Rule 1185-01-01-.04, and this Agreement.

The Charter School may enroll students in the grade levels approved in the Charter School's Application, as evidenced in the chart below.

Enrollment

Grade Level	Year Approved to Enroll
K-2	Year 1
K-3	Year 2
K-4	Year 3
K-5	Year 4
K-6	Year 5
K-7	Year 6
K-8	Year 7

If the number of applications for the Charter School exceeds the capacity of a program, class, grade level, or building, enrollment shall occur according to the preferences in T.C.A. § 49-13-113. If enrollment within a group of preference set out in subdivision (d)(4) exceeds the planned capacity of the Charter School, enrollment within that group shall be determined on the basis of a lottery that complies with statute. The Charter School shall ensure a random selection process, equitable to all students and publicly verifiable, in accordance with federal, state, and local law. The Charter School shall be responsible for adherence to the obligations of a public charter school, in accordance with T.C.A. § 49-13-101 et. seq., including but not limited to enrollment of all eligible students where space is available.

2.1.1 Student Transfers and Exits. The Charter School will comply with the Tennessee Department of Education's student transfer and exit reporting requirements and shall provide information to the Authorizer upon request. The Charter School shall enact a discipline policy that complies with Authorizer's policies as well as federal, state, and local laws and may not counsel out enrolled students.

2.2. Academic Program. The Charter School shall operate the academic program in accordance with this Agreement, the Charter School's Application, and applicable state and federal law, including providing at least the same equivalent time of instruction as other public schools and complying with assessment and accountability laws and rules (T.C.A. § 49-13-111). If the Charter School is performing below standards, the Authorizer may review the academic program. The Charter School will notify the Authorizer of any material changes to the academic program that are a change from the Charter School's Application, and the Authorizer will evaluate to determine if they are material changes to this Agreement. Any changes to the school structure shall be considered material to this Agreement and shall not be permitted unless a formal amendment to this Agreement is secured in advance according to the provisions outlined in T.C.A. § 49-13-110(d), Commission Rule 1185-01-01-.04, and this Agreement. For purposes of this Agreement, school structure shall be defined as the academic focus or goals of the Charter School and grade levels served.

2.2.1. Assessments. The Charter School shall administer all state-mandated assessments to the extent such assessments are required by the Tennessee Department of Education, which currently include but are not limited to TCAP or its successor assessment, writing assessments, and English learner (EL) assessments for the required grades and testing

windows, in accordance with T.C.A. § 49-13-111(a)(6). The Charter School shall comply with all Department of Education-required assessment administration, security, and reporting requirements. The Charter School may use additional assessments of its own choosing.

2.3. Special Education. Special education services, related services, and accommodations for students who are eligible under the Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973 (Section 504), the Americans with Disabilities Act (ADA), or any applicable provisions of state law, shall be provided in accordance with applicable state and federal law, this Agreement and Authorizer rules and policies. The Authorizer is the LEA for purposes of ensuring compliance with IDEA, Section 504, and all other federal and state laws and regulations concerning accommodation of and education of students with disabilities.

The Charter School shall have a qualified special education coordinator who will be responsible for monitoring individual case management of all special education students and disabled students and for arranging the provision of services required by their IEP and/or 504 plan. The Charter School shall maintain documentation of the Charter School's compliance with IDEA and Section 504 as required by law. No student shall be denied admission nor counseled out of the Charter School due to the nature, extent, or severity of his/her disability or due to the student's request for, or actual need for, exceptional education services or accommodations pursuant to IDEA, Section 504, or the ADA. Any attempts by the Applicant to counsel out students for any reason, including due to the nature, extent, or severity of his/her disability or suspected disability or due to the student's request for, or actual need for, exceptional education services or accommodations pursuant to IDEA, Section 504, or the ADA, shall be deemed a material violation of this Agreement.

The Charter School shall also implement the requirements of Response to Instruction and Intervention ("RTI²"), as set forth by the Tennessee Department of Education.

The Charter School shall report to the Authorizer any and all formal complaints, relating to IDEA Due Process for special education and Office of Civil Rights complaints for disability accommodations within five (5) business days of the Charter School's notification of such occurrences. The Charter School shall comply with any state or federal investigation as required by the Authorizer. Nothing herein shall obligate the Authorizer to represent or defend the Charter School in any legal matter resulting from a federal or state investigation related to IDEA Due Process for special education and Office of Civil Rights complaints for disability accommodations, as noted in Section 12 of this Agreement.

The Charter School's indemnity of the Authorizer relating to special education and disability accommodations is provided in Section 12.

2.3.2. Costs for Special Education. The Charter School is financially responsible for child find including student identification, evaluation, and assessment expenses. All costs associated with providing educational services to students with disabilities are the responsibility of the Charter School. The Charter School shall bear the financial responsibility for evaluations and reevaluations and the provision of all services consistent with student IEPs and 504 plans.

The Authorizer will pass federal funding to the Charter School based on the allocation received from the Tennessee Department of Education and in accordance with the Authorizer's funding procedures. Funding is available on a reimbursement basis.

2.4. English Learners (EL). The Charter School shall address the needs of EL students pursuant to applicable federal and state laws and regulations (including Title III of the Every Student Succeeds Act (ESSA) and Title VI of the Civil Rights Act of 1964 (Title VI)). The Charter School agrees to maintain and consistently implement a policy to identify students in need of EL services, to provide services in an equitable manner to ensure meaningful access to the school's educational program (including the provision of appropriate accommodations), and to facilitate obtaining English proficiency and exit from EL services according to individual student capacity. In addition, the Charter School shall ensure that Limited English Proficiency (LEP) parents and guardians have meaningful access to school-related information.

The Charter School assumes responsibility for the provision of services, development, and implementation of individualized learning plans (ILPs), screening, assessment and all other obligations under state law and State Board Rule for students identified as limited English proficient and/or English learner enrolled in the school. The Charter School shall have a qualified English language coordinator who will be responsible for monitoring individual case management of all English learner students, both active and transitional, and for arranging the provision of services required by their ILP. The Charter School shall maintain documentation of the Charter School's compliance as required by law and State Board Rule.

2.5. Student Discipline/Due Process. In accordance with T.C.A. § 49-6-4002(a)(1), the Charter School is responsible for administering its discipline policy in a manner consistent with state and federal law and rules, and the Authorizer's policies that ensure students' due process rights are satisfied, including the provision of appropriate informal or formal hearings. The Charter School shall promptly notify the Authorizer and the LEA in which the student resides of any student expulsion. The Charter School shall not remand a student prior to a decision of suspension or expulsion, in accordance with federal and state laws, rules, Authorizer policies, and regulations. If the LEA in which the student resides determines that the expelled student is eligible for its Alternative School program and the LEA in which the student resides allows for the student to attend the Alternative School program, the Charter School shall work with the LEA in which the student resides to provide an expelled student access to the LEA's alternative school programs, in accordance with T.C.A. § 49-6-3402(h)(1).

2.6.1. Student Information Systems. The Charter School shall adopt the Student Information System selected by the Authorizer. The Authorizer shall bear the cost of any needed licenses for the Charter School.

2.6.2. Student Information Reporting. To ensure compliance with federal and state law regarding student records, the Charter School shall report to the Authorizer student information enrollment projections for the coming year by March 1, or sooner if required by the Tennessee Department of Education. Any errors in data reported to the State by the Charter School shall be the sole responsibility of the Charter School to identify and correct.

3. Staffing

3.1. Teachers and Staff. The Charter School shall ensure that all teachers and staff are licensed and endorsed as required by state statutes, State Board rules, Authorizer policies and rules, and meet applicable federal qualifications including exceptional education certified and ESL certified, in accordance with T.C.A. § 49-5-406. The Charter School shall also provide any training required by state or federal law.

3.2. Background Checks. All current employees of the Charter School who have or who will have contact with children at the Charter School within the scope of the individuals' employment, and employees of contractors or sub-contractors of the Charter School who have contact with children within the scope of the individuals' employment, shall complete criminal background checks as required by state law using the ORI number of the Charter School and Department of Children's Services background checks through the Authorizer.

4. Facilities

The Charter School shall ensure the Charter School's grounds and facilities comply with applicable health and safety laws, including the ADA, state fire marshal codes, and state and local zoning and land use codes.

The Charter School shall not commence instruction prior to completion of applicable inspections and receipt of a completed Pre-Opening Checklist (attached as Exhibit 3) from the Authorizer, unless the Authorizer permits the Charter School to open and provide later certification of completion of all items on the Pre-Opening Checklist.

5. Food Service

If the Charter School offers food services on its own or through a third-party contract, the Charter School may apply directly to, and if approved, operate school nutrition programs with reimbursement from the United States Department of Agriculture, under supervision of the Tennessee Department of Education.

6. Transportation

The Charter School will provide transportation as set forth in the Charter School's Application. If the Charter School has elected to provide transportation for its students, the Authorizer shall provide to the Charter School the funds that would otherwise have been spent to provide transportation as provided in T.C.A. § 49-13-114. In order to receive these funds, the Charter School must comply with state laws and Authorizer rules and policies regarding student transportation. Transporting students in buses that have not been approved for operation by the Tennessee Department of Safety may be grounds for non-renewal or revocation of this agreement. A change to the Charter School's plan to provide or not provide transportation for its students is considered material and requires an amendment. However, a modification in a plan to provide transportation is not considered material.

7. Insurance

The Charter School shall maintain the following insurance, in accordance with T.C.A. § 49-13-107(b)(19):

- a. General Liability/Automobile Liability Policy: must be equal to or greater than \$5,000,000. This insurance shall be primary insurance. Any insurance or self-insurance programs covering the State of Tennessee, its officials, employees, and volunteers shall be in excess of this insurance and shall not contribute to it. The first one million dollars must be with a company licensed to do business in the state of Tennessee. The remaining \$4,000,000 can be covered under an excess liability policy (also known as an "umbrella" policy). The policy must name the State of Tennessee as an additional insured. The policy must cover contractual liability. Automobile coverage shall cover vehicles owned, hired, and non-owned.
- b. Professional Liability Policies: Directors and Officers Policy must be equal to or greater than \$5,000,000. Teachers Professional Liability Policy must be equal to or greater than \$1,000,000.

Insurance shall be for the full replacement cost of the property and contents with no coinsurance penalty provision.
- e. Sexual Abuse: Must have \$1,000,000 required coverage.
- f. State of Tennessee shall be named as an additional insured on the charter school insurance policy.

Certificates of insurance, in a form satisfactory to the Authorizer, evidencing coverage shall be provided to the Authorizer prior to commencement of performance of this Charter Agreement. Throughout the term of this Charter Agreement, Charter School shall provide updated certificates of insurance upon renewal of the current certificates.

8. Governance

8.1. General Requirements. The Charter School shall notify the Authorizer of any change to its status as a nonprofit federal tax exempt organization under IRC § 501(c)(3).

The Governing Body and/or Charter School shall include parent participation in governance through membership on the Governing Body or establishment of a school advisory council pursuant to T.C.A. § 49-13-109.

The Charter School shall comply with all applicable provisions of the Tennessee Open Meetings Act, including statutory provisions concerning the scheduling of Governing Body meetings, meeting agendas, public notice of meetings, and records of those meetings. At the start of each school year, the Charter School shall provide to the Authorizer the list of names of all board members and a schedule of Governing Body meetings for that school year.

As required by T.C.A. § 49-13-111, the Governing Body shall be subject to the conflict of interest provisions contained in T.C.A §§ 12-4-101 and 102.

The Charter School shall be nonsectarian in its programs, admissions policies, employment practices and all other operations. The Charter School shall not be to any extent under the control or direction of any religious denomination.

The Charter School shall not discriminate against any student, employee or any other person on the basis of race, ethnicity, national origin, sex (except with respect to admission of students by single-sex schools), disability or any other ground that would be unlawful if done by any other public school. The Charter School shall take all steps necessary to ensure that discrimination does not occur, as required by law.

8.2. Complaints. Except as otherwise provided by this Agreement, the Governing Body shall be the first avenue for formal appeal in case of any complaints or grievances filed against the Charter School or its employees and volunteers. The Governing Body will ensure that the Charter School establishes policies and procedures for receiving and addressing complaints or grievances directed toward the Charter School or its employees and will make those policies available to students, parents/guardians, employees, and any other persons who request it. If grievances persist following an appeal to the Governing Body, or for complaints regarding alleged violations of law or the Charter Agreement, including any violations that may subject the school to revocation or non-renewal under T.C.A. §§ 49-13-121 or 122 may be investigated by the Authorizer. The Authorizer shall also have the ability to investigate complaints in compliance with the Authorizer's policies and procedures. Grievances that are not resolved by the Charter School or Governing Body, or a pattern of serious grievances, may be considered in any application for renewal of this Agreement or any action to revoke the charter.

The Charter School shall notify the Authorizer within seven (7) business days if the Charter School has been named a party to a lawsuit that has been filed in court.

8.3. Reporting of Corporate Status. The Charter School shall report any change to the Charter School's corporate legal status or any change in its standing with the Tennessee

Secretary of State's Office to the Authorizer within five business (5) days of the change. Any change to the Charter School's corporate legal status as a not-for-profit organization shall constitute grounds for immediate revocation unless, during the term of this Agreement, the Act is amended to allow Charter Schools to be operated by organizations other than not-for-profit organizations.

8.4 Required Policies and Procedures. The Charter School shall adopt all required policies, procedures, and plans as required by the Authorizer's LEA policies and procedures pursuant to federal law, state law, and the State Board of Education's rules and policies. The Authorizer will conduct periodic policy and procedure audits to ensure compliance with these requirements.

9. Finance

9.1. State and Local Funds. The Authorizer shall allocate one hundred percent (100%) of state and local student-generated funds for member schools as provided in T.C.A. § 49-13-112 and as calculated by the formula provided by the Tennessee Department of Education, in accordance with T.C.A. § 49-3-101 et. seq. The Authorizer shall allocate and distribute state and local funds to the Charter School by the 15th of the month in August, September, October, November, December, January, February, March, April, and June, in accordance with Tenn. Comp. R. & Regs. 0520-14-01-.03(1)(f) and the calculations provided by the Tennessee Department of Education. The Parties agree that the student-generated local funds for member schools shall be subject to recoupment, in whole or in part, wherever reductions to total school and/or district allocations, as calculated by the Tennessee Department of Education or Authorizer, result in an amount due to the State of Tennessee or geographic LEA. Any such calculations or reductions shall be determined in accordance with the requirements of applicable law and State Board of Education rule.

9.2. Federal Funds.

- a. **Eligibility:** Each year, the Authorizer shall provide to the Charter School the school's proportionate share of applicable federal ESSA funding (e.g. Title I, Title II, Title III, Title IV, or Title V) and other federal grants received by the Authorizer for which the Charter School is eligible. Schools are eligible for such funds upon approval of their plans for such funds either by the Authorizer and/or the Tennessee Department of Education (TDOE), as applicable. The Authorizer may reduce the allocation to charter schools by a percentage allowable under federal rules and regulations for administrative, indirect, or any other category of cost or charges.
- b. **Fund Distribution & Reporting:** Funds shall be distributed on a documented expenditure reimbursement basis with the required documentation. The Charter School shall submit grant reimbursement reports to the Authorizer at least quarterly but no more frequently than monthly. The Authorizer shall distribute to the Charter School federal reimbursement funds within 30 days approval of expenditure reimbursement requests.
- c. **Use of funds.** The Charter School shall comply with all regulations tied to such federal funds, including 2 C.F.R. 200 – Uniform Administrative Requirements, Cost

Principles, and Audit Requirements for Federal Awards, ESSA, IDEA, and any other applicable federal or state laws.

9.3. Fee for Services Agreement. Pursuant to T.C.A. § 49-13-142(f), the Charter School may enter into a separate fee for services agreement, for the provision of services (including but not limited to school or student support services such as food services and transportation) to be provided to the Charter School by the LEA in which the Charter School is located. The Charter School may also enter into a separate fee for services agreement with the Authorizer for the provision of services. Fees for services provided to the Charter School by the Authorizer shall be deducted from the state and local funding provided to the Charter School. Failure of the Charter School to enter such an agreement with the Authorizer shall not be grounds for revocation or non-renewal of this Agreement.

Annually, the Charter School shall notify the Authorizer of any fee for services agreement(s) entered into with the LEA in which the Charter School is located or with any other vendor or outside contractor specific to the Charter School, including, but not limited to any agreement for the provision of services relating to the service of special populations and shall provide a copy to the Authorizer of any agreement(s) entered into. The Charter School shall undergo an independent financial audit conducted in accordance with T.C.A. §§ 49-13-111(l) and 49-13-127. The audit shall be furnished to the Authorizer, the Commissioner of Education, and the Comptroller of the Treasury by December 31 of each year in accordance with the Authorizer's reporting calendar. If such audit is not received by the Authorizer on or before December 31 of each year, it shall be considered a material breach of this Agreement, which the Charter School shall have 15 business days, or such other time as the Parties may agree, to cure. The audit should express an unqualified opinion on the financial statements. A qualified audit opinion will result in an automatic review and request for explanation from the Charter School. In addition, any material weaknesses in controls should be disclosed during the audit. A material weakness will result in a potential review and explanation from the Charter School. The Charter School agrees to submit all information requested by the Authorizer regarding the management arrangement, including a copy of the proposed

contract and a description of the management company, with identification of its principals and their backgrounds. The Charter School shall not enter a management contract without written approval from the Authorizer.
