T.C.A. § 49-3-311	Capital Outlay	Because we finance our own buildings and do not have the power to raise taxes to fund capital outlay, it is critical that we gain freedom from non- health and safety standards for the school site and have control of the facility vested in our board, rather than the city board of education.	Having this freedom will allow us to use our school site resources most effectively and efficiently and align our building choices with our mission and goals.	Entire charter term	
T.C.A. §§ 49-5-408-409	Contracts and Termination of Contracts	Every teacher will be assessed based on their performance. Teachers who attain the required levels of performance, as outlined in their contracts, will be offered a contract for the following school year.	Retaining high-performing teachers allows KA at the Crossings to maximize impact on student growth and achievement.	Entire charter term

T.C.A. § 49-1-302(e)	Duty Free Lunch	Teachers shall have a lunch period of at least the length of the student lunch period, though it may not be a truly "duty free" lunch as they may be asked to provide oversight to student lunch in the classroomcommunity.	Part of our model is to create communities where teachers are part of the student experience throughout the day, including lunch period. This also creates an opportunity for students to become familiar with other adults in the building. While we support duty free lunch when possible, this isn't always possible when ensuring coverage and appropriate supervision of students.	Entire charter term

T.C.A. § 49-3-359(a)	Instructional Materials/Supplies	In lieu of distributing funds to teachers to purchase their own instructional materials/supplies, KA at the Crossings will acquire high-quality instructional materials/supplies for each teacher and will distribute them prior to the first day of school.	Acquiring high-quality instructional materials/supplies for all teachers and distributing them prior to the first day of school, as opposed to distributing funds to teachers for them to buy their own, will ensure that KA at the Crossings maintains consistency and uniformity among the instructional materials/supplies used in each classroom. This will also ensure that the materials purchased are of high-quality and effective in supporting KA at the Crossings's innovative academic model.	Entire charter term

As outlined in KA at the Crossings's Personnel Handbook Section 4.7: Leave of Absence, a leave of absence for any number of days can be requested and approved on a case-by-case basis after 12 months of employment with the charter school. With discretion, the following periods of leave allowance shall apply: FMLA up to 12 weeks unpaid leave; military leave following state and federal statute; bereavement leave up to 3 days; other leave on a case-by-case basis up to 12 weeks.</p>	<p>A major factor in student success is consistency in the classroom, which can only be achieved when teachers are dedicated to being in the classroom daily.</p>	<p>Entire charter term</p>
