

2025-2026 ACT Test Dates

Common questions about ACT:

- All school-day ACT testing is paid for by TDOE. Districts no longer contract with ACT for spring testing.
- All school day testing is to be completed online. Students that cannot access the ACT via computer may use paper materials. Those circumstances must be approved by a DTC using guidelines supplied at the Assessment Logistics Livebinder site, then approved by ACT State Coordinator, Megan Sellers.
- Schools may choose to test online on any available day and in any combination of students desired.
- Only currently enrolled 12th grade students may participate in Fall testing.
- All currently enrolled 11th grade students should participate in Spring testing. 12th graders with fewer than 2 school day opportunities may also participate in Spring testing.
- Students that are graduating early may test with their graduating cohort.
