# COORDINATOR WORK STREAMS

#### **WORK TO DATE**

- General Operations
  - All LEA policies have been established on first or final reading and shared with schools
  - LEA procedures are being transitioned from SBE and will be finalized by July 1 (deadline in LEA policies)
  - Conducted monthly check-ins on transition with SBE staff
  - All transitioning charter agreements on April agenda
  - Established district number and school directory entries
  - Recruitment and hiring for two coordinator roles
- Finance
  - Initial enrollment projections shared with TDOE for BEP and federal funding allocations
  - Met with TDOE to discuss the process for payments to charter schools and other back-office finance support
  - Held contracts meeting with Central Procurement Office to determine how SBE contracts will be transferred
  - Developed written procurements procedures as required by statute

#### WORK TO DATE (CONT.)

- Federal Programs
  - Secured InformTN/ePlan access to LEA plan and Consolidated Funding Application
  - LEA plan submitted
  - Project plan created for CFA completion and federal programs procedures update
- Special Populations
  - EasyIEP transfer established
  - DCS/Charter Commission MOU finalized
  - Ongoing discussions with EL ILP vendor regarding transfer
- Human Resources
  - DCS Background Check process established (schools run TBI check)
  - Established relationship with TCRS for school reporting and contributions

## WORK TO DATE (CONT.)

- Data Management
  - Held meetings with TDOE district technology and PowerSchool regarding SIS transfer
    - Established regular project check-cadence
- Assessment
  - Held meetings with TDOE Divisions on assessment and accountability to discussion transition and any implications for the district/schools
