Re: ACE withdrawal to Commission 092922

Mr. Haglund,

We are in receipt of your notification of withdrawal of the new start appeals for American Classical Academy Madison, American Classical Academy Rutherford, and American Classical Academy Montgomery. As this notification was received prior to the special called Commission meeting on October 5, 2022, the staff will proceed with removing these items from the agenda. Additionally, the Commission staff will alert the local districts to each appeal as well as reach out to the members of the public currently signed up to give comment.

Sincerely,

Tom Griscom, Chairman
Tennessee Public Charter School Commission
