PUBLIC CHARTER SCHOOL COMMISSION

**NASHVILLE COLLEGIATE
PREP INTERIM REVIEW**

APRIL 16, 2026

INTERIM REVIEW PROCESS

- TCA 49-13-121(k) states "The authorizer shall conduct an interim review of a public charter school in the fifth year of a public charter school's initial period of operation and in the fifth year following any renewal of a charter agreement..."
- Quality Authorizing Standards outlines that the interim review process reviews the progress of the school achieving its goals, pupil performance and other requirements as outlined in the charter agreement.
- The State Board of Education's guidance for authorizers states that this review determines whether the school is on or off track for renewal.
 - The Commission utilizes the approved renewal criteria in Policy 3.600.
 - Intervention will be recommended for areas that are off track.

INTERIM PROCESS

- **October:** Commission staff provides guidance, protocol, and draft renewal criteria to school.
- **December:** School submits interim report to Commission.
- **January:** Commission staff reviews report, renewal criteria, historical performance to prepare for site visit.
- **February:** Commission staff completes a full-day site visit, including a data discussion with school and network staff. May schedule additional meetings as needed.
- **March:** Commission staff issues the school's interim report determining on- or off-track status for renewal and additional information.
- **April:** Commissioners discuss interim report and determine any intervention, as necessary.
