

Commission Statement on 2024-2025 Letter Grades

December 22, 2025

With the release of the state report card and school letter grades for the 2024-2025 school year, the Tennessee Public Charter School Commission (Commission) wants to commend our schools for their outstanding performance. More than half of our schools received either an A or B rating, outpacing the statewide district average. **KIPP Antioch Global High School, KIPP Antioch Global Middle School, KIPP Antioch College Prep Middle, KIPP Antioch College Prep Elementary, and Rocketship Dream Community Prep** all received A ratings, with **Cornerstone Prep Denver, Cornerstone Prep Lest, LEAD Neely's Bend, and Libertas School of Memphis** receiving B ratings. This caps off our 4th straight year as a TVAAS level 5 district, with five of our schools earning reward status and the Commission earning its first exemplary district designation.

We want to thank all of our schools, teachers, students and families for their hard work last year, and look forward to continuing to work closely with our schools to continue the strong growth we've seen in our portfolio over the last several years.
