

1021- Students Experiencing Homelessness Procedures

Commission LEA Policy 6503 – Students Experiencing Homelessness lays out the broad requirements and expectations for serving students experiencing homelessness to ensure that these students have equal access to the same free, appropriate public education as provided to other children and youth. This document provides the standard operating procedures for compliance with the McKinney-Vento Act for Commission-authorized charter schools. These procedures cover:

- Homeless Point of Contact
- Identification
- Enrollment
- Records
- Transportation
- Services and Title I Homeless Set Aside Funds
- Placement
- Dispute Resolution Process
- Forms and Appendices

Homeless Point of Contact

Each charter school shall name a Homeless Point of Contact (“POC”) who will be the main contact for families and students in the school as well as for the Commission’s homeless liaison. The school’s POC shall communicate on at least a monthly basis, but as frequently as necessary, with the Commission’s homeless liaison with regard to services for students experiencing homelessness. The school’s homeless POC shall also be responsible for completing the relevant sections of the school’s annual Sub-recipient Monitoring Self-Assessment. More information about the Sub-recipient Monitoring Self-Assessment can be found in the Commission’s Sub-recipient Monitoring Guidebook.

Every year, the charter school shall notify the Commission of the school’s homeless POC by submitting the individual’s name and contact information on spreadsheet contained within the reporting calendar. The homeless POC shall be familiar with the McKinney-Vento Act as well the requirements to serve students experiencing homelessness. Resources that are helpful to review include, but are not limited to:

- [McKinney-Vento Toolkit: A Guide for Homeless Liaisons, Districts, and Schools](#)

- [McKinney-Vento Statute](#)
- [McKinney-Vento Non-Regulatory Guidance](#)
- [The Most Frequently Asked Questions on the Education Rights of Children and Youth in Homeless Situations](#)
- [McKinney-Vento Parent Poster \(English\)](#)
- [McKinney-Vento Parent Poster \(Spanish\)](#)

Identification

- New Student Enrollment: Each school's homeless POC is responsible for ensuring that students experiencing homelessness are quickly identified. Therefore, upon enrollment, all parents/guardians shall complete the Student Residency Questionnaire in order to identify students experiencing homelessness and/or unaccompanied youth and ensure these students have access to education and support services. If a parent/guardian indicates on the questionnaire that the family lives in a residence that is not permanent, fixed, or adequate, the school's homeless POC should immediately initiate the McKinney-Vento checklist included in these procedures, which includes giving the parent/guardian or unaccompanied youth the Notification of Rights form.
- Mid-Year Change of Status: The school must conduct ongoing awareness and outreach strategies during the school year to identify students who may be homeless or become homeless during the school year. These activities include placement of posters in the school setting, offering training to parents/guardians, and outreach to local shelters or community service organizations. If a school is notified that a student has become homeless during the academic year, the homeless POC should work with the parent/guardian to complete the required residency questionnaire and initiate the McKinney-Vento checklist included in these procedures.

A completed copy of the checklist and accompanying documents shall be placed in the student's cumulative file by the school's homeless POC and provided to the Commission's homeless liaison via Teams within two (2) business days of a student being identified as homeless. Additionally, each school's homeless POC shall ensure that informational posters for parents/guardians and youth are posted in well-trafficked areas of the school in a language that parents/guardians can understand. Posters shall include updated contact information for the Commission's homeless liaison and State's homeless liaison. Questions throughout the process should be directed to the Commission's homeless liaison.

Enrollment

A charter school shall immediately enroll a student experiencing homelessness if the charter school has capacity based on the approved charter agreement, even if the student is unable to produce records normally required for enrollment (i.e., academic records, immunization records, health records, proof of residency), or missed the charter school's application or enrollment deadlines.

Records

The charter school's homeless POC shall ensure that each student who is identified as experiencing homelessness is coded accurately in the Commission's student information system with an H code. The Commission will run reports on the students identified as homeless in EIS on a regular basis and cross-reference with the data reported to the Commission homeless liaison by each charter school.

The charter school homeless POC shall maintain a list of the students experiencing homelessness who enrolled in the charter school without immunization or proof of immunization and the length of time required for these students to be immunized or to obtain immunization records. An annual report with this data is due to the Commission using a template provided within the reporting calendar.

Transportation¹

The school is responsible for developing a policy to provide transportation services to students experiencing homelessness, at the request of the parent/guardian. The school policy shall include a description of transportation options that are available. If requested, transportation must be arranged promptly to ensure immediate enrollment and to ensure barriers are not created for homeless students' attendance, retention, and success. The excess costs of transportation to the school of origin (costs above what the school would have otherwise provided to transport the student) may be paid for using Title I, Part A funds reserved to defray the excess costs of transportation of homeless students to and from their school of origin or from McKinney-Vento subgrant funds (a system of providing gas vouchers, cards, or reimbursements can be utilized and funded through the Title I, Part A homeless set-aside funds).

¹ TN Department of Education, "[Students in Transition Program Guide](#)," March 2018, p. 8

The cost of transportation will be the responsibility of the school or shared equally with another LEA, if the school and LEA mutually agree.

Services and Title I Homeless Set-Aside Funds

The charter school's homeless POC shall ensure that each student experiencing homelessness is provided services comparable to those offered to other students within the school, including transportation, special education services, programs in career and technical education, programs for gifted and talented students, and school nutrition. These services include, but are not limited to, obtaining or providing:²

- Items of clothing, particularly if necessary to meet a school's dress or uniform requirement;
- Clothing and shoes necessary to participate in physical education classes;
- Student fees that are necessary to participate in the general education program;
- Personal school supplies such as backpacks and notebooks;
- Birth certificate necessary for the student to enroll in school;
- Immunizations;
- Food and access to free meals;
- Medical and dental services;
- Eyeglasses and hearing aids;
- Counseling services to address anxiety related to homelessness that is impeding learning;
- Outreach services to students living in shelters, motels, and other temporary residences;
- Extended learning time (before and after school, Saturday classes, summer school) to compensate for lack of quiet time for homework in shelters or other overcrowded living conditions;
- Tutoring services, especially in shelters or other locations where homeless students live;
- Parental involvement activities specifically oriented to reaching out to parents/guardians of homeless students;
- Fees for AP and IB testing; and/or

- Fees for SAT/ACT testing.

Annually, as a part of the district plan and budgeting process, the district is required to set aside Title I funds on the district level to serve students experiencing homelessness if all other school and community resources are exhausted. Each year, authorized charter schools must complete the Annual Needs Assessment for Homeless Students form included in these procedures and submit it via the Commission's reporting calendar. A charter school must demonstrate that it has exhausted all school and community resources before requesting to use the reserved funds to serve students experiencing homelessness. Incremental transportation costs for students experiencing homelessness (costs above what the school would have otherwise provided to transport the student) may be reimbursable through the district set-asides.³

Placement

The charter school's homeless POC shall work with the school leader or designee on the placement process. At all times, a strong presumption that keeping the student in the school of origin⁴ is in the student's best interest shall be maintained, unless doing so would be contrary to a request made by the student's parent/guardian or the student in the case of an unaccompanied youth. When determining placement, student-centered factors, including but not limited to impact of mobility on achievement, education, health, and safety shall be considered. The Checklist for Decision Making shall be completed to assist in the best interest

³ U.S. Department of Education, "[Education for Homeless Children and Youths Program Non-Regulatory Guidance](#)," July 27, 2016, p. 28.

⁴ Per Commission LEA Policy 6503, school of origin shall mean the school that a child or youth attended when last permanently housed or the school in which the child or youth was last enrolled, including a preschool/pre-k program. Therefore, in the case of the Commission's authorized charter school, the school of origin shall mean:

(1) The authorized charter school, if it was the school that a child or youth attended when last permanently housed; or (2) A child or youth's local attendance zone school in which the student was last enrolled, including a preschool/pre-k program, if the student has submitted an application for enrollment into a charter school. School of origin shall also include the designated receiving school at the next grade level when the student completes the final grade level served by the school of origin.

determination. The charter school's homeless POC shall immediately notify the Commission's homeless liaison if a student's placement at the school of origin is being discussed.

If the charter school determines that it is not in the student's best interest to attend the school of origin or the school requested by the parent/guardian or unaccompanied youth, the school leader or designee shall provide a written explanation of the reasons for the determination, in a manner and form that is understandable to the parent/guardian and unaccompanied youth. The written explanation shall include:⁵

- A statement regarding the right to appeal the placement decision to the Commission's homeless liaison and the dispute resolution process provided in these procedures;
- Notice that if the parent/guardian or unaccompanied youth are English learners, use a native language other than English, or need additional supports because of a disability, translators, interpreters, or other support services related to their disability will be made available without charge;
- Notice of the right to be immediately enrolled in the school in which enrollment is sought pending final resolution of the dispute, which includes receiving adequate transportation to and from the school of origin and the ability to participate in all school activities;
- List of legal and advocacy service providers in the area that can provide assistance during any part of the appeal process; and
- Contact information for the school liaison, district liaison, and state coordinator.

A copy of the written explanation shall be sent to the Commission's homeless liaison within 48 business hours of the placement decision.

⁵ TN Department of Education, "[Students in Transition Program Guide](#)," March 2018, p. 8.

Dispute Resolution Process

The McKinney-Vento Act requires that each local education agency (LEA) has a dispute resolution process in place. Commission LEA Policy 6503 – Students Experiencing Homelessness states that if a placement decision is appealed, the authorized charter school shall refer the parent/guardian or unaccompanied student to the Commission’s homeless liaison to begin the dispute resolution process. Upon notice of an appeal, the school shall immediately enroll the student in the school in which enrollment was sought pending a final resolution of the dispute including all available appeals. The dispute resolution process is as follows:

Dispute Resolution Process Level 1: Commission’s Homeless Liaison

If a parent/guardian or unaccompanied youth wishes to appeal a charter school’s decision related to eligibility, enrollment, or school selection, the case should be appealed to the Commission’s homeless liaison or the charter school where the dispute is taking place.

1. The request for dispute resolution shall be filed by:
 - Submitting the written appeal form that initiates the dispute resolution process to either the Commission’s homeless liaison or the charter school’s homeless POC, who sends the form to the Commission’s homeless liaison.
 - If the form is submitted to the charter school’s homeless POC, the school shall immediately forward the request to the Commission’s homeless liaison.
 - The request for dispute resolution must be submitted within five (5) business days of receiving the written notification of the determination;
 - In the event that the Commission’s homeless liaison is unavailable, a Commission designee may receive the request to initiate the dispute resolution process.
2. The Commission’s homeless liaison shall log their receipt of the complaint, including the date and time, with a written description of the situation and the reason for the dispute, and a copy of the complaint must be forwarded to the liaison’s immediate supervisor and the Commission’s Director of Schools.
3. The Commission’s homeless liaison shall review the record of the complaint and, if possible, interview the parent/guardian either in-person or via telephone.
4. Within five (5) business days of their receipt of the complaint, the Commission’s homeless liaison must make a decision on the complaint and inform the parent/guardian or unaccompanied youth in writing of the result. It is the responsibility of the Commission to

verify the parent's/guardian's or unaccompanied youth's receipt of the written notification regarding the homeless liaison's Level 1 decision.

5. If the parent/guardian or unaccompanied youth disagrees with the decision made and wishes to move the dispute resolution process forward to Level 2, the parent/guardian or unaccompanied youth shall notify the Commission's homeless liaison of their intent to proceed to Level 2 within five (5) business days of receipt of notification of the Level 1 decision.
6. If the parent/guardian or unaccompanied youth wishes to appeal the Commission's homeless liaison's Level 1 decision, the Commission's homeless liaison shall provide the parent/guardian or unaccompanied youth with an appeals package containing:
 - A copy of the parent's/guardian's or unaccompanied youth's complaint which was filed with the Commission's homeless liaison at Level 1;
 - The decision rendered at Level 1 by the Commission's liaison; and
 - Any additional information from the parent/guardian, unaccompanied youth, and/or homeless liaison.

Dispute Resolution Process Level 2: Commission's Director of Schools

If after Level 1 of the Dispute Resolution Process the dispute remains unresolved, the parent/guardian or unaccompanied youth may appeal the Commission's homeless liaison's Level 1 decision to the Commission's Director of Schools through the following process.

1. If a parent/guardian disagrees with the decision rendered by the Commission's homeless liaison at Level 1, the parent/guardian or unaccompanied youth may appeal the decision to the Commission's Director of Schools or the Director of Schools' designee using the appeals package provided at Level 1. The designee shall be someone other than the Commission's homeless liaison.
2. Within five (5) business days of receiving the notification of intent to proceed to Level 2 of the dispute resolution process, the Director of Schools, or the Director of Schools' designee, will schedule a personal conference with the parent/guardian or unaccompanied youth. It is preferable, but not required, for the conference to be in person if the schedules of the Director of Schools and the parent/guardian or unaccompanied youth allow. If an in-person conference is not possible due to time and schedule constraints, a telephone conference may be used. Once scheduled, the meeting between the Director of Schools or the Director of Schools' designee and the parent/guardian or unaccompanied youth is to take place as expeditiously as possible.

3. The Director of Schools or the Director of Schools' designee will provide a decision in writing to the parent/guardian or unaccompanied youth with supporting evidence and reasons. It is the responsibility of the Commission to verify the parent's/guardian's or unaccompanied youth's receipt of the written notification regarding the Director of Schools' Level 2 decision.
4. A copy of the appeals package, along with the written decision made at Level 2, is to be shared with the Commission's homeless liaison.
5. If the parent/guardian or unaccompanied youth disagrees with the decision made at Level 2 and wishes to move the dispute resolution process forward to Level 3, the parent/guardian or the unaccompanied youth shall notify the Commission's homeless liaison of intent to proceed to Level 3 within five (5) business days of receipt of the notification of Level 2 decision.

Dispute Resolution Process Level 3: McKinney-Vento State Coordinator

If after Level 2 of the Dispute Resolution Process the dispute remains unresolved, the parent/guardian or unaccompanied youth may appeal the Commission's Director of Schools' Level 2 decision to the McKinney-Vento state coordinator through the following process.

1. If the Commission's homeless liaison is notified by the parent/guardian or unaccompanied youth of the intent to appeal the Level 2 decision, the Commission's Director of Schools or designee shall forward all written documentation and related paperwork to the McKinney-Vento state coordinator for review within five (5) business days of receiving the notification from the parent/guardian or unaccompanied youth.
 - It is the responsibility of the Commission to ensure that the documentation that is submitted is complete and ready for review at the time it is submitted to the state coordinator.
2. The McKinney-Vento state coordinator shall make a final decision within seven (7) business days of receipt of the complaint.
3. The final decision will be forwarded to the Commission's homeless liaison for distribution to the parent/guardian and the Commission's Director of Schools.

Dispute Resolution Process Level 4: Assistant Director of Federal Programs and Oversight

If after Level 3 of the Dispute Resolution Process the dispute remains unresolved, the parent/guardian, unaccompanied youth, or the Commission may appeal the McKinney-Vento

state coordinator's decision to the assistant director of Federal Programs and Oversight (FPO) at the Tennessee Department of Education through the following process.

1. The Commission, parent/guardian, or unaccompanied youth shall forward a written request to have their case reviewed when there is a conflict with the decision rendered by the McKinney-Vento state coordinator within five (5) business days of receipt of the decision rendered at Level 3 to the assistant director of FPO.
2. The assistant director of FPO shall then forward a request to the McKinney-Vento state coordinator to obtain all written documentation and related paperwork for review.
3. Upon request of the assistant director of FPO, the McKinney-Vento state coordinator shall forward all written documentation and related paperwork to the assistant director of FPO for review within three (3) business days of the request for documentation regarding the dispute.
4. The assistant director of FPO, along with the appropriate other department personnel, will make a final decision within seven (7) business days of receipt of all documentation and related paperwork.
5. The final decision will be forwarded to the Commission's Director of Schools and homeless liaison for distribution to the parent/guardian or unaccompanied youth.

The Commission shall maintain a record of all disputes related to the education of students experiencing homelessness and youths. These records shall include disputes resolved at levels 1, 2, 3, and/or 4 and shall be made available upon request by the Tennessee Department of Education.

Forms and Appendices

The following documents are required forms and sample templates for Commission's authorized schools to use when serving students experiencing homelessness. Annual Needs Assessment for Students Experiencing Homelessness

Annually, the Commission will budget in the Consolidated Funding Application for a homeless set aside of the district Title IA funds to help pay for services for students experiencing homelessness. A charter school must demonstrate that it has exhausted all school and community resources before requesting to use the reserved funds to serve homeless students. Incremental transportation costs for students experiencing homelessness (costs above what the school would have otherwise provided to transport the student) may be reimbursable through the district set-asides.

In order to plan and budget appropriately for the upcoming school year, each school shall complete this Annual Needs Assessment for students experiencing homelessness and turn it into the Commission via the March reporting calendar.

- Number of students experiencing homelessness currently identified: _____
- Estimated number of students experiencing homelessness for upcoming school year: _____

Rationale for estimate number (including an explanation if it is different from what is in EIS/SIS):

The Commission and each authorized charter school are required to provide services that support students experiencing homelessness to succeed in school and to meet academic achievement standards. Title I funds cannot supplant other state or local funds. Therefore, if a school used school or community resources to provide a service, the school cannot request reimbursement of funds for the service.

Needs Assessment for Services⁶

Please mark with an "X" how the school plans to provide the following services to students experiencing homelessness if necessary. This document should be utilized as a part of the school's planning process for the upcoming school year and will help the Commission in the district planning and budgeting process. The school may use multiple resources for a service. If the school plans to use the district set-aside funds for the service, the school must provide an explanation why school or community resources are not available. The submission of this assessment does not constitute approval of the use of funds by the school.

Unaccompanied Youth Eligibility Flowchart (*guidance*)

The following is a chart intended to serve as a general guide for determining the status of unaccompanied youth. Please note that all McKinney-Vento determinations should be made on a case-by-case basis, weighing the individual circumstances of each student. To be eligible for McKinney-Vento services as an unaccompanied homeless student, the student must meet the criteria of both homeless and unaccompanied. If a student is identified as unaccompanied, the school shall institute practices to support the unique needs of unaccompanied youth experiencing homelessness.

Guiding Questions

Is the student residing with someone who is not a parent or court-appointed legal guardian?
 Why is this student with this person?

Examples of homeless and unaccompanied	Examples of homeless but not unaccompanied or unaccompanied but not homeless.
Family was evicted; cannot find housing altogether; parent/guardian placed student temporarily with a friend or relative	Parent/guardian transferred for work; plan for student care and support in place so student can stay to finish school

Caregiver Form - (template)

This form is intended to address the McKinney-Vento Act (Title IX, Part A of the Every Student Succeeds Act) requirement that homeless children have access to education and other services for which they are eligible. The McKinney-Vento Act states specifically that barriers to enrollment must be removed. In some cases, a child or youth who is homeless may not be able to reside with his/her parent or guardian; however, this fact does not nullify the child or youth's right to receive a free, appropriate public education.

Dear Parent/Guardian/Student,

Your child(ren) or you, as an unaccompanied homeless youth, are currently eligible for the McKinney-Vento program. Per the McKinney-Vento Act, transportation will be provided to your child(ren) or you, as an unaccompanied youth, to and from school.

Communication of Absences

If a student is going to be absent from school and therefore does not need transportation for part or all of a day, parents or guardians must call and inform the designated driver no later than [X] a.m. on the day of the absence so the driver can adjust the route accordingly.

Homeless Set-Aside Reimbursement Form

(required)

Authorized charter schools must use this form to request reimbursement of expenses that qualify for the district's homeless set-aside. Forms must be submitted to Claire.Seguin@tn.gov on the 15th of the month.

Annually as a part of the district plan and budgeting process, the District is required to set-aside Title I funds on the district-level to serve homeless students if all other school and community resources are exhausted. A charter school must demonstrate that it has exhausted all school and community resources before requesting to use the reserved funds to serve homeless students. Incremental transportation costs for homeless students (costs above what the school would have otherwise provided to transport the student) may be reimbursable through the district set-aside. For additional information on reimbursable expenses and the homeless set-aside, please see Commission Homeless Students Procedures.

Reimbursements may only be requested for expenses that have already been paid by the school. Only those expenses deemed by the District to qualify for reimbursement will be approved.
