Tennessee Promise at Four-Year Institutions:

In order to use the Tennessee Promise scholarship at a four-year college or university, students must enroll in an associate degree program at that school – not a bachelor’s degree program. A list of associate degree programs at each eligible four-year institution across the state is below for your reference. Students enrolling in a health sciences program will only begin receiving funds once admitted into the actual program of study.

At a four-year institution, the Tennessee Promise scholarship will not be last-dollar, meaning it will not cover all tuition and fees. The amount of funding you will receive will be based on the average amount of tuition and fees at a community college, which is estimated to be \$4,000. As a last-dollar scholarship, Tennessee Promise will provide whatever amount remains after your Pell, HOPE, and TSAA funds are applied. For example, if you were to receive \$3,000 in HOPE funds, but no other federal or state financial aid, Tennessee Promise would provide \$1,000 to cover the remaining amount that you could apply toward tuition and fees at a four-year school.
