

On November 18, 2025, the Registry of Election Finance held a “show cause” hearing on the candidate’s failure to provide records related to the contribution audit of Brian Carniello’s 2023 Mid-Year Supplemental Campaign Finance Statement. The statement shows \$614.00 in unitemized contributions, which was more than 30% of the contributions reported.

Due to lack of response, the candidate was issued a max penalty of \$10,000 as outlined in November 18, 2025, meeting minutes and the audit was dismissed in favor of the board actions and any subsequent actions by the board.

As such this audit was not performed and all activity related to the board’s actions are documented in the board minutes.
