- A gift accepted in violation of the gift prohibitions shall not be a violation if the prohibited gift from a lobbyist or an employer of a lobbyist is returned within 10 days after receipt of the gift or within 10 days after learning that the gift is prohibited or may pay for the gift (equal or greater value) within this same time period.

- **Campaign Finance Notes:**

- Use of Campaign Funds on Legislative Per Diem Days:

On a day that a member of the General Assembly receives per diem, that member may not use campaign funds to pay for non-campaign related meals for themselves or any other member of the General Assembly that is receiving per diem on that day. On a day per diem is received, meal expenses in excess of the per diem paid to a member by the State of Tennessee are not considered “ordinary and necessary expenses incurred in connection with the office of the officeholder” [T.C.A. § 2-10-114(a)(7)] and thus are not allowable campaign fund expenses. In addition, these

excess meal expenses are not considered expenses “for the furtherance of the office of the officeholder” [T.C.A. § 2-10-102(6)(B)].

- Pursuant to Public Chapter 1026 (2022), Members may now use campaign funds to pay for lodging expenses, or a portion of lodging expenses, on the same day that the member earns a mileage reimbursement or per diem, if the lodging is necessitated by the normal course of the member's duties and the member is not otherwise eligible for reimbursement for such lodging or the member's reimbursement does not cover the total amount of the lodging expense.
- Also pursuant to Public Chapter 1026 (2022), Members may now use campaign funds to reimburse the member for mileage above the mileage for which the member is reimbursed by the state for travel to Nashville, if the additional miles traveled are necessitated by the normal course of the member's duties.
- For those who were up for re-election in 2023, the next Campaign Financial Disclosure Report will be the 4Q Report, which is due on January 25, 2024. For those who were not up for reelection in 2023, the next Campaign Financial Disclosure Report due will be the Year End Supplemental Report, which is due on January 31, 2024.
- Fundraising – Members may not accept contributions after the commencement of legislative session until the earlier of May 15, 2024, or the end of session.

Political Campaign Committee (“PAC”)

Definition

22

- A political campaign committee is
- (A) Any corporation or any other organization making expenditures to support or oppose a candidate
- (B) Any **committee, club, corporation, or other group of persons** which receives contributions or makes expenditures to support or oppose any candidate for public office or measure **during a calendar year in an aggregate amount exceeding \$1000.**
- T.C.A. § 2-10-102(12)
- **By definition, a limited liability company or a limited liability partnership is considered a “person” and thus cannot be a political campaign committee.** Compare T.C.A. § 2-10-102(10)(B) with T.C.A. § 2-10-102(12)

PAC Registration Requirements

23

- As of the effective date of PC 1087, all multicandidate PACs must certify to the Registry the name and address of all officers of the PAC and all persons who directly control PAC expenditures. All such PACs must have at least one officer, not including the PAC treasurer, and at least one person who directly controls expenditures. PC 1087, § 27.
- **TIP – The phrase “person or persons who directly controls expenditures” is not defined. The PAC therefore should define that person or persons in this document as well as by an internal memo to avoid any confusion as to the identity of this person or persons. Normally this person should be the treasurer, except for “leadership PACs” (usually PACs established by an elected State official) the person controlling expenditures would be the elected official who established the PAC.**
- Any multicandidate PAC that registers on or after 7/1/2022 must submit evidence of identification for each officer, person who directly controls expenditures, and treasurer of the PAC **prior to** the PAC making expenditures or receiving contributions. For any PAC in existence on the effective date of PC 1087, the PAC must submit any such required evidence by 1/31/2023. Any changes in these positions must be reported to the Registry and identification for the new person in the position provided to the Registry within 30 days of the designation. PC 1087, § 27.
- **Not applicable to local election commissions.**

PAC Registration Requirements (2)

- “Evidence of identification” has the same meaning as the term is used in T.C.A. § 2-7-112(c), which includes a Tennessee driver’s license, except that when a Tennessee identification is specified any other equivalent identification issued by another state may be used. PC 1087, § 27.
- Changes persons responsible for civil penalties assessed against a multicandidate PAC by the Registry to include any person who directly controlled expenditures as well as any candidate or candidates who “constructively controlled or directed” the PAC.
- **TIP – Again identify by internal and external documentation who this person or persons is to avoid confusion, especially given this person or persons is now liable for the payment of civil penalties.** Any civil penalty for a Class 2 offense must **not** be paid using the PAC’s funds. PC 1087, § 11. Prior law also provides that the PAC treasurer is personally liable for the payment of any civil penalty assessed against the PAC. T.C.A. § 2-10-110(f)(1).

Where To File

25

- **State Candidates/PACs/SMCs/TEs file CFDs with the Registry, T.C.A. § 2-10-105(a) & (b)(2).** State candidates include:

- Candidates do not have to file CFD reports pursuant to T.C.A. § 2-10-101(b) if:
 - Part-time service
 - Compensation is less than \$1,000 per month

- Each county election commission shall file, on the form developed by the Registry, a report certifying that all local candidates have filed their campaign financial report timely or a list of all candidates who have failed to report timely. T.C.A. § 2-10-111(b).

Types of Expenditures Not Considered Contributions

37

□ Independent Expenditures

- Expenditures not coordinated with any candidate, and which advocate election or defeat of a candidate, see T.C.A. § 2-10-102(6)
- Groups making Independent Expenditures that must register as a PAC must report these expenditures, see T.C.A. § § 2-10-105, -106, -107
- Independent Expenditures are not subject to Contribution Limits, see T.C.A. § 2-10-302
- Reported on CFDs by PACs

□ **Certain Tax-Exempt Organizations:** Any 26 U.S.C. § 501(c)(4), (5) or (6) organization spending at least \$5,000 within 60 calendar days of a primary or general election that “expressly contain the name or visually depict the likeness of a state candidate in a primary or general election.” **Only report expenditures made during the election year, not contributions.** PC 1087, § 13.

□ Issue Advocacy

- Expenditures not expressly advocating election or defeat of a candidate, or passage or defeat of a “measure” on the ballot under T.C.A. § 2-10-102(8)
- Groups making expenditures for general issue advocacy, as opposed to advocating for a “measure” on the ballot, are not required to register as a PAC, see T.C.A. 2-10-102(8) & (12)
- Issue Advocacy expenditures not subject to Contribution Limits, see T.C.A § 2-10-302
- No reporting requirements

Independent vs. In-kind Contributions

38

- ❑ Note the differences between these two types of contributions!
- ❑ To be an in-kind contribution, there must be collaboration between the person/entity making the contribution and the candidate. See T.C.A. § 2-10-303(5); Registry Rules 0530-1-1-.03, 0530-1-3-.07; Tenn. Att’y Gen. Op. 96-90 (July 24, 1996)
- ❑ In-Kind contributions **must be reported** to the candidate receiving the contribution under T.C.A. §§ 2-10-102(4), 2-10-105 & 2-10-107(c). The candidate should be advised of the amount of the contribution (fair market value), date given, and a description of the item.
- ❑ In-Kind contributions, unlike independent expenditures, count towards the contribution limits established by T.C.A. §§ 2-10-301 et seq.

Contribution Restrictions

39

- \$50 limit, per election, on cash contributions from any person, T.C.A. § 2-10-311(a) & (b)
- Candidate can not accept cash contributions from PACs, T.C.A. § 2-10-311(c)
- Fish Bowls generally discouraged - must obtain donor information on cash contributions, see T.C.A. § 2-10-105(a) & (b)
- Silent Auctions/Giveaways are legal, but must obtain information on both giver of donated item and winner of auction/giveaway, see T.C.A. § 2-10-105(a) & (b)
- Candidates - no personal use of campaign contributions, T.C.A. § 2-10-114(b)(1), and T.C.A. § 2-10-114(b)(2) lists **non-exclusive** examples of expenditures that are personal to the candidate and thus cannot be paid from the candidate's campaign account OR indirectly paid thru a "leadership" political campaign committee controlled by the candidate

Definition of Campaign Expenditures

40

- Expenditures essentially defined in two places, T.C.A. § § 2-10-102(6) and 2-10-114(b)
- T.C.A. § 2-10-114(b)(1) states the “disbursement of campaign funds for a candidate’s own personal use is not permitted.” Applies to candidate expenditures, not political campaign committee (PAC) expenditures. **However, a PAC cannot make an in-kind contribution to a candidate for the candidate’s personal use.**
- T.C.A. § 2-10-114(b)(2) lists expenditures that are specifically prohibited. **List is not exclusive!**
- Violation of this subsection is a Class 2 offense as defined in T.C.A. § 2-10-110(a)(2), subject to imposition of civil penalty by Registry Board.

Expenditures

41

- All expenditures must be reported.
- Includes all expenditures to one payee during a reporting period, and all such expenditures must be itemized to include the following information:
 - Name
 - Address
 - Purpose
 - Amount

Changes to Expenditure Reporting

42

- Effective January 16, 2023, all expenditures must include the full name and address of each person to whom an expenditure was paid and must list all expenditures by category and amount.
- **The prior statutory provision allowing expenditures of \$100 or less to not list this detailed information has now been eliminated, thus requiring greater transparency on these expenditures. PC 1087, § 7.**

Type of Filing

43

- **Short Form – \$1,000 or less in contributions and expenditures in a reporting period**
 - Report Balance on Hand, Obligation Balance, and Loan Balance
 - May file on paper (both state and local candidates)

- **Long Form – over \$1,000 in contributions or expenditures in a reporting period**
 - Must file electronically (if a state candidate)
 - Contributions
 - Monetary
 - In-Kind
 - Expenditures
 - Loans
 - Obligations

Segregated Campaign Accounts (2022 PC 1087; 2023 PC 108)

- A candidate **SHALL** ensure that all funds in a campaign account remain separate and segregated “**at all times**” from other funds, including personal funds. Likewise, credit transactions incurred by the candidate’s campaign account must be separate and segregated from other credit transactions incurred by the candidate personally. Reemphasizes that funds in a candidate’s campaign account are not the personal property of a candidate or other individual. PC 1087, § 12, amending T.C.A. § 2-10-106(b); PC 108, § 2 (removing political campaign committees (“PACs”) from this provision). See also T.C.A. § 2-10-131 (governing how campaign funds must be invested).
- **OBSERVATION - A PAC may use as a campaign account a single account that holds PAC funds for Tennessee, other states and federal campaigns.**
- Effective July 1, 2022, all candidates and political campaign committees are required to identify on their initial registration document the financial institution where campaign/PAC funds are held, and if that institution changes to require the Registry be notified of such change, to ensure compliance with this section.
- Violation of these requirements is subject to a Class 2 civil penalty by the Registry. 2023 PC 108, § 3.

Record Retention for Campaign Financial Statements

45

- Explicitly confirms that candidates, campaigns and political campaign committees must retain all identified documents related to the receipt or disbursement of any funds subject to disclosure in campaign financial statements “for two (2) years after the date of the election to which the records refer.” PC 1087, § 16. See also T.C.A. § 2-10-105(f).
- **Failure to retain these documents is in and of itself a violation of Tennessee’s campaign financial statutes. See T.C.A. § 2-10-110(a)(2).**

- Rule 4.2 – Political and Campaign Activities of Judges and Judicial Candidates in Public Elections
- Rule 4.3 – Activities of Candidates for Appointive Judicial Office
- Rule 4.4 – Campaign Committees
- Rule 4.5 – Judges and Judicial Candidates Seeking Nonjudicial Office
- All rules administered by the Tennessee Supreme Court, not the Registry Board

Campaign Contributions by Judicial Candidates

51

- Unlike other candidates for public office, under Rule 4.2(B) a judicial candidate cannot establish a campaign committee to raise funds for an election, or promote his or her candidacy in any way, more than “365 days before the first applicable primary election, caucus, or general or retention election.”

□

Tension Between Supreme Court Rules and Campaign Finance Statutes

53

- Rule 4.1(8) states judges and judicial candidates may not “[e]xcept as provided by law . . . personally solicit or accept campaign contributions other than through a campaign committee authorized” by Rule 4.4 YET
- T.C.A. §§ 2-10-105 and 2-10-110, as well as Registry Rule Chapter 0530-1-3, place the responsibility on the candidate for correctly reporting and verifying all contributions and expenditures from a candidate’s campaign account and Rules 4.2(8) and 4.4(A) & (B) requires judicial candidates to comply with these laws.
- Rule 4.2(D) speaks of allowing judicial candidates to establish a “joint campaign committee” but T.C.A. § 2-10-105 requires separate campaign financial disclosure reporting by each judicial candidate.

Impact of 2022 Public Chapter 668, T.C.A. 2-10-313

54

- Effective March 18, 2022, the General Assembly passed, and the Governor signed, legislation that states “[n]otwithstanding any law to the contrary, a judicial candidate may personally solicit and accept contributions.” 2022 Tenn. Pub. Acts 668.
- Subsequently the Judicial Ethics Committee issued Advisory Opinion 22-01 addressing the impact of this new law. The opinion states in part that “[w]hile the statute and the wording of Rule 4.1(A)(6) (of the Code of Judicial Conduct) now allows a judge or judicial candidate to personally solicit and receive campaign contributions, we note that other sections of the Code may be implicated by the solicitation or receipt of campaign contributions. Consequently, we recommend that judges and judicial candidates be mindful of the Code as a whole when deciding whether or how he or she should personally solicit or accept contributions.”

A component of one of these exceptions is that a member elected, and providing such services, prior to July 1, 2021, may continue to provide these services if the member discloses the nature of the service and the name of the State entity to which the service is provided or offered on the member's statement of interest disclosure no later than September 1, 2021, and every year thereafter in each year that the member has continuously served as a member of the General Assembly. A component of a separate exception is that a member who holds such an interest in a blind trust must disclose such interest in the blind trust on the member's annual statement of interest disclosure. A third exception, added in 2023, excludes from the term "financial interest" any investment held in a federally or state chartered bank, a share in a mutual fund or certain defined securities in business enterprises so long as such interests are properly disclosed. Amends the statute describing the required contents of a statement of interest disclosure to capture the exception(s) above. Effective date: July 1, 2021.

T.C.A. § 2-10-123
- However, the term "consulting service" is narrowly defined as advising or assisting a person or entity in influencing state legislative or administrative action, including but not limited to, services to advise or assist those in maintaining, applying for, soliciting, or entering a contract with the State of Tennessee. T.C.A. § 2-10-122(1)
- Any person or entity (other than the State, a county, or a municipality) must disclose to the Tennessee Ethics Commission any commission or any other form of compensation for consulting services paid to any staff person or employee of the General Assembly, members or employees of commissions established by the General Assembly, and members or employees of the executive branch. T.C.A. § 2-10-125. Likewise, those individuals receiving such compensation must disclose such compensation to the Tennessee Ethics Commission. T.C.A. §§ 2-10-126, -130

The provisions of T.C.A. § 2-10-125(b) & (e) and § 2-10-216 were again amended by PC 37 to clarify the disclosure must be updated annually if the campaign services agreement extends more than 12 months.

- Note Governor Lee's Executive Order 2, governing executive branch employees, at Section 4 has a broader gift prohibition that extends beyond lobbyists & employers of lobbyists and does not contain all the gift exceptions listed by T.C.A. § 3-6-305(b).

Gift Ban

72

- The general rule is that gifts, direct or **indirect**, from employers of lobbyists and lobbyists to a candidate for public office, an official in the legislative or executive branch (including all employees of both), or the immediate family of the candidate or official are prohibited. Guiding Principles of Ethical Conduct

GUIDING PRINCIPLES OF ETHICAL CONDUCT FOR PUBLIC OFFICIALS

ARTICLE 1 STATEMENT OF PURPOSE

Under T.C.A. § 3-6-106, the Tennessee Ethics Commission (“Commission”) was given the responsibility to recommend guiding principles of ethical conduct for consideration and adoption by the legislative and executive branches. Hence, the purpose of this Guide is to provide the officials listed in § 3-6-106, for their consideration, these suggested standards of ethical conduct when serving the State of Tennessee.

The Commission was established to secure and enhance the integrity of the processes of government and to sustain the public’s confidence in government by increasing the integrity and transparency of State and local government. All citizens of the State of Tennessee have the right to expect that government will be administered and managed with the highest degree of professionalism void of undue influence by any individual or group. It is, thus, the obligation of every public official to conduct himself or herself in a manner that will not violate the public trust.

ARTICLE 2 DEFINITIONS

(1) “**Compensation**” means any salary, fee, payment, promise, forbearance, reimbursement, or other valuable consideration, or any combination thereof, whether received or to be received.¹

(2) “**Gift**” means any payment, honorarium, subscription, loan, promise, advance, forbearance, rendering, or deposit of money or services, unless consideration of equal or greater value is received. “Gift” does not include a campaign contribution otherwise reported as required by law, a commercially reasonable loan made in the ordinary course of business, or a gift received from a member of the person’s immediate family or from a relative within the third degree of consanguinity of the person or of the person’s spouse, or from the spouse of any such relative. “Gift” does not include the waiver of a registration fee for a conference or educational seminar.²

(3) “**Immediate Family**” means a spouse or minor child living in the household.³

(4) “**Public Official**” includes:

¹ T.C.A. § 3-6-301(7)

² T.C.A. § 3-6-301(11)

³ T.C.A. § 3-6-301(12)

- a. Members of the General Assembly; and
- b. The Governor, Secretary of State, Treasurer, Comptroller of the Treasury, members of the Governor's Cabinet, and Cabinet level staff within the Governor's Office.⁴

(5) “*Solicit*” means to entreat, to implore, to ask, to attempt, or to try to obtain.⁵

ARTICLE 3

CONFLICTS OF INTEREST

(1) SECTION 1. *Independence of Judgment.* Public officials should be independent and impartial, and should avoid conflicts of interest and the appearance of conflicts of interest when performing their duties. In addition, all public officials should be elected, appointed, hired and promoted based upon their qualifications, integrity, honesty, competence, and dedication to fulfilling the public policies of the State. A public official should not act in conflict with the proper discharge of his or her duties in the public interest by

- (a) failing to disclose any financial or other interest, or
- (b) engaging in any business or transaction or professional activity, or
- (c) incurring any obligation of any nature

which would create such a conflict.

(2) A public official should not accept another position, whether compensated or not, which

(a) either will impair, or is likely to impair, the public official's independence of judgment as to the public official's duties or employment, or

(b) will require or induce the public official to disclose confidential or inside information acquired in the course of and by reason of the performance of the official's duties, other than as permitted or required by law.

(3) A public official, a member of the official's immediate family, or a business, in which he or she is an officer, director, or holds more than a minimal interest, should not bid on, or otherwise respond to, a request for proposal or information, or seek any contract with the State, other than a contract of employment as a public official or pursuant to a court appointment, unless the contract has been awarded through an open and public process or as otherwise permitted by law.

(4) A public official, who is involved in making decisions relating to the awarding of State grants or contracts, should not ask any officer, director, employee, or agent of any current or prospective contractor or grantee or contractor to reveal: (a) the party affiliation of the

⁴ T.C.A. § 3-6-106(a)(1)(A-B).

⁵ T.C.A. § 3-6-301(22).

individual; (b) whether the individual or entity has made campaign contributions to any political party, elected official, or candidate for elective office; or (c) whether the individual or entity voted for any elected official or candidate for elective office.

(5) A public official should not take part in any contracting decision relating to:

(a) a member of the public official's immediate family; or

(b) any entity in which a member of the official's immediate family is an officer, director, or partner, or in which a member of the official's immediate family holds more than a minimal interest, except as otherwise permitted by law.

(6) A public official, in the performance of his or her official duties, should not request or demand that any other person or entity make or offer to make any monetary contribution or in-kind contribution to any campaign or to any political campaign committee in exchange for, or as a condition of, receiving some benefit from the State of Tennessee or any department, agency or official thereof, to the person or entity whose contribution is requested or demanded, or to the person making the request or demand.

(7) A public official should not, by his or her statements or conduct, give reasonable basis for the impression that any person can improperly influence him or her, or receive favoritism in the performance of his or her official duties, or that the official's decisions are affected by the kinship, rank, position, or influence of any political party, entity or person. A public official should be prepared to disclose the conflict or the potential conflict of interest or relationship and, if necessary, recuse himself or herself in order to negate any appearance of improper influence.

SECTION 2. *Integrity of the Processes of Government.* The integrity and reputation of the government and its processes should at all times be maintained. Government employment is a privilege rather than a right, and is based upon the trust and confidence placed in the State by the public. All public officials should act in a manner consistent with the public trust.

(1) A public official, in the performance of his or her official duties, should not use or attempt to use his or her official position to secure or create unwarranted privileges, exemptions, advantages, or treatment for himself or herself or others. A public official, alone or through others, should not use or attempt to use improper means to influence a department, agency, board, or commission of State government.

(2) A member of the General Assembly should not vote on or influence legislation in committee or on the floor of either house, where he or she has a personal interest in the matter being considered, debated or voted upon, unless the official makes it abundantly clear that the member's decision or vote was not the result of any personal interest, but rather that it was through deliberative processes based solely on the member's views of the merits of the matter and/or the interests of the public. This disclosure may be accomplished by making a public statement using the following, or similar, words: "It may be considered that I have a personal degree of interest in the subject matter of the bill, but I declare that my argument and my ultimate vote answer only to my conscience and my obligation to my constituents and the citizens of the State of Tennessee."⁶

⁶ Derived from TN Senate Rules-85, Art. II, § 2(a)(1).

(3) A public official should not willfully and knowingly disclose, directly or indirectly, for personal gain, confidential information acquired by him or her in the course of and by reason of his or her official duties or employment, unless such disclosure is required or permitted by law.⁷

(4) A public official should not receive anything of economic value or any compensation besides the official's regular salary and benefits, other than as required or permitted by law or in the performance of his or her official duties, for any service which is significantly related to the duties, programs, or operations of the public official's position.⁸

(5) A public official should not hire or supervise a member of the public official's immediate family in carrying out official State duties. However, nothing in this section is intended to prohibit the continued employment of a member of the official's family who currently works for or is supervised by the official. Furthermore, this section is not intended to hinder normal promotional advancements for such employee if that employment predates the election, employment, or appointment of the public official. A public official should recuse himself or herself from any decision involving the promotion, discipline, discharge, or assignment of work to his or her immediate family member.

(6) A public official should not use public funds, time, personnel, or other state-provided resources for the private gain or political purpose of the official or that of another person, unless otherwise authorized by law.

(7) A public official should not request, receive, or agree to receive anything of value based upon any explicit understanding, or any reasonably inferred understanding, that his or her vote, opinion, judgment, or action will be influenced thereby.⁹

ARTICLE 4 **COMPENSATION AND GIFTS**

(1) A public official should not accept any gratuity or compensation for the performance of his or her duties, other than his or her official salary and allowances or as otherwise authorized by law.¹⁰

(2) A public official should not solicit, receive, or accept a gift, favor, or service from any entity or individual which has a matter before the public official or the public official's direct authority, under circumstances where it could reasonably be inferred that such gift would influence the official in the discharge of his or her duties.¹¹

(3) A public official, pursuant to T.C.A. §§ 3-6-304 and 305, may not solicit or accept, directly or indirectly, a gift from an employer of a lobbyist or a lobbyist, as defined in T.C.A. §§ 3-6-301(8) and (17), unless there is a clear exception prescribed elsewhere by law. It is the

With respect to an issue addressed in a formal advisory opinion, a person who conforms that person's behavior to the requirements of the advisory opinion must not be sanctioned if it is later determined that the advisory opinion did not correctly interpret state law. A person who requests an advisory opinion may withdraw the request at any time before the opinion is issued, in which case the commission shall not issue the opinion.

(b)(1) Except as provided in this subsection (b), a person performing staff duties as an employee of the commission shall not issue an advisory opinion under subsection (a), including an informal response.

(2) A person performing staff duties as the executive director, assistant executive director, or as an attorney may give informal advisory opinions to a person subject to the jurisdiction of the commission in accordance with this subsection (b). The executive director shall approve all such informal opinions issued under this subsection (b).

(3) An informal opinion must be based on such information, the operative provisions of the cited statute, and the legislative history and intent pertaining to the statutory provisions, as evidenced by legislative committee and floor actions, discussions, and debates. In addition, the informal opinion must indicate whether a statute or a previous opinion is clear or unclear on the issue. An informal advisory opinion may be given verbally or in writing by either regular mail or electronic mail, but a verbal advisory opinion must be verified in writing by either regular mail or electronic mail in order to receive the consideration provided in subdivision (b)(4).

(4) If the person who requested the informal advisory opinion conforms the person's behavior to the requirements of the informal opinion, then the person must not be sanctioned if it is later determined that the informal opinion was not a correct response or incorrectly interpreted state law or previous commission advisory opinions on the issue.

(5) The commission shall make and keep records of all written inquiries and all written informal advisory opinions given, including the name of the person or entity making the inquiry, as applicable; on behalf of whom the inquiry was made; the date of the inquiry; the person responding to the inquiry; the precise inquiry, including the facts and background information provided; the section or sections of statute involved; and the answer or response given.

(a)(1) Any citizen of Tennessee may file a sworn complaint executed on a form prescribed by the Tennessee ethics commission alleging a violation of laws or rules within the jurisdiction of the commission.

(2) No political party chairman, state or county executive director of a political party, or employee or agent of a political party acting in that person's official capacity may file a complaint with the commission for a violation of laws or rules within the jurisdiction of the commission. Nothing in this section prohibits a private citizen, acting in a private capacity, from filing a sworn complaint with the commission under this section.

(b) A complaint filed under this section shall set forth in simple, concise, and direct statements:

(1) The name of the complainant;

(2) The street or mailing address of the complainant;

(3) The name of each alleged violator;

(4) The position or title of each alleged violator;

(5) A short and plain statement of the nature of the violation and the law or rule upon which the commission's jurisdiction over the violation depends;

(c) The complaint shall be accompanied by an affidavit stating that the information contained in the complaint is either correct or that the complainant has good reason to believe and does believe that the violation occurred. If the complaint is based on information and belief, the complaint shall state the source and basis of the information and belief. The complainant may swear to the facts by oath before a notary public.

(d) The commission may initiate a complaint upon an affirmative vote that includes three (3) members of the commission who are members of the same party or two (2) members of the commission who are members of different parties.

(e)(1) Any complaint that is filed against a candidate in any election, as defined in § 2-10-102, during the period from thirty (30) days immediately prior to the election through election day shall be considered filed

but not verified by the commission. The commission shall take no action relative to the complaint during this thirty-day period. In addition, the commission shall not initiate a complaint during the thirty-day period.

(2) During the thirty-day period, the commission shall stay any proceedings with regard to an ethics complaint filed against a candidate more than thirty (30) days prior to voting for the election; provided, that the candidate may waive the postponement in writing.

(3) For purposes of this subsection (e), any provisions of this chapter setting time periods for initiating a complaint or for performing any other action are considered tolled until after the election at which the candidate stands for elective office.

(f) Within five (5) days after the filing or initiation of a complaint, the commission shall cause a copy of the complaint to be transmitted by return receipt requested mail to the person alleged to have committed the violation.

3-6-202. Confidentiality (Effective April 7, 2008)

(a)(1) The members and staff of the Tennessee ethics commission shall preserve the confidentiality of all commission proceedings, including records relating to a preliminary investigation. Such records shall be exempt from the provisions of title 10, chapter 7 and shall be confidential until:

(A) The alleged violator requests in writing that the investigation and associated records and meetings be made public;

(B) The commission finds that probable cause exists to believe that a violation has occurred. Upon this determination, the records and proceedings shall be made public on:

(i) The date the public hearing to determine whether a violation has occurred commences; or

(ii) The date the commission refers a matter based upon a finding of probable cause; or

(C) The commission determines that no probable cause exists to believe that a violation has occurred. Upon such determination, the records and proceedings shall be made public sixty (60) days after:

(i) The date the report of the commission's finding is issued, if the complainant does not request a probable cause hearing pursuant to § 3-6-203(b)(1); or

(ii) The date the commission issues its finding of no probable cause from a probable cause hearing.

(2) No personal or professional financial records of the alleged violator shall be disclosed pursuant to this section upon a finding of no probable cause.

(3) A member of the commission or a member of the commission staff may acknowledge receipt of a complaint or may disclose information to the extent necessary to successfully pursue an investigation. In no event shall such information against a candidate in any election, as defined in § 2-10-102, be disclosed during the period from thirty (30) days immediately preceding the commencement of voting for that election through election day, unless the candidate requests in writing the disclosure of the information.

(b) A member of the commission or member of the commission staff who knowingly discloses information in violation of this section commits a Class C misdemeanor. A violation of this section also subjects the

person to the civil penalties imposed by § 3-6-205(a)(2). Violation of this section by a member of the commission shall be grounds for removal from office.

3-6-203. Preliminary investigation; referral to attorney general (Effective August 14, 2008)

(a) The commission shall initiate a preliminary investigation of each sworn complaint that complies with § 3-6-201. If the commission determines that the sworn complaint does not comply with § 3-6-201, then the commission shall dismiss the complaint and notify the complainant. In the notification sent to the complainant, the commission shall state with particularity why the complaint does not comply with § 3-6-201. If the commission has referred the complaint to the registry of election finance, then the commission shall also notify the complainant of the referral.

(b) The commission shall refer a factually and legally sufficient complaint to the office of the attorney general and reporter, who shall conduct a preliminary investigation. The commission shall make a probable cause determination after the office of the attorney general and reporter completes its investigation and reports its findings to the commission. Both the alleged violator and the complainant shall be entitled, upon request, to present evidence before the commission prior to the commission's probable cause determination. The commission shall have notice that evidence will be presented to the commission personally served upon, or sent by return receipt requested mail, to the alleged violator and the complainant. The commission has discretion to determine the appropriate procedure for the presenting of evidence.

(1) If the commission determines that no probable cause exists to believe a violation of any law or rule administered and enforced by the commission occurred, the commission shall dismiss the complaint by issuing a report to the complainant and the alleged violator, stating with particularity its reasons for dismissal of the complaint. A complainant may request a hearing upon a determination of no probable cause. If after the hearing the commission determines that there is no probable cause, the commission may order the complainant to reimburse the alleged violator for any reasonable costs and reasonable attorney fees the alleged violator has incurred.

(2) If the commission determines that probable cause exists to believe a violation of any law or rule administered and enforced by the commission occurred, the commission shall conduct a public hearing and, if the alleged violator is a member of the general assembly, shall notify the ethics committee of the appropriate house of the probable cause determination. Both the alleged violator and the complainant shall receive, by personal service or return receipt requested mail, notice of the time, date, and location of the hearing.

3-6-204. Subpoenas; judicial review (Effective August 14, 2008)

(a) The Tennessee ethics commission, on its own motion or at the request of the alleged violator, may issue subpoenas in accordance with the Tennessee Rules of Civil Procedure, except that service may be by certified mail, in addition to the means of service provided by the Tennessee Rules of Civil Procedure. Witnesses under subpoena shall be entitled to the same fees as are now or may hereafter be provided by law or by action of the commission. The party requesting the subpoenas shall bear the cost of paying the fees to the witnesses subpoenaed.

(b) A person who is aggrieved by a final disposition of the commission shall be entitled to judicial review.

(1) Proceedings for review shall be instituted by filing a petition for review in the chancery court of Davidson County, unless another court is specified by statute. The petition shall be filed within sixty (60) days after the entry of the commission's final disposition on the complaint. Copies of the petition shall be served upon the commission, the complainant and all parties of record, including the attorney general and

reporter, in accordance with the provisions of the Tennessee Rules of Civil Procedure pertaining to service of process.

(2) The provision of § 4-5-322 relating to judicial review of agency decisions shall apply to a petition of review filed pursuant to this section.

(A) The Tennessee ethics commission shall have personally served upon, or sent by return receipt requested mail, an assessment letter to any person required to file, upon the commission's discovery that a due report has not been filed. A civil penalty of twenty-five dollars (\$25.00) per day shall begin to accrue five (5) days after personal service or receipt of the letter and shall continue to accrue until the report is filed, or for thirty (30) days, whichever occurs first.

(2) “Class 2 offense” means failing to file a report required by title 8, chapter 50, part 5, within thirty-five (35) days after service of process or receipt of notice by registered or certified mail of an assessment or any other violation of the requirements of title 8, chapter 50, part 5, except where another penalty is prescribed by law. A Class 2 offense is punishable by a maximum civil penalty of not more than ten thousand dollars (\$10,000).

(A) For any Class 2 offense, the Tennessee ethics commission shall send an assessment letter to a person required to file, in a form sufficient to advise the person required to file, of the factual basis of the violation, the maximum penalty and the date a response to the letter must be filed. If a disclosure report is returned to a person required to file for correction, a copy of the original shall be retained on file until the corrected report is returned to the Tennessee ethics commission. If the original filing was in compliance with the intent of the law and minor errors are corrected within the date set for a response, no penalty shall be assessed.

(B) To request a waiver, reduction, or to in any way contest a penalty imposed by the Tennessee ethics commission for a Class 2 offense, a person shall file a petition with the commission.

(b) Any candidate for state public office who fails to file any statement or report required by title 8, chapter 50, part 5, shall be ineligible to qualify for election to any state public office until the statement or report is filed with the commission.

(c) The commission shall not accept a settlement in which the aggregate amount of assessed civil penalties exceeds twenty-five thousand dollars (\$25,000) unless the settlement proposal is considered at either a regular meeting or, notwithstanding § 3-6-103(f), a special meeting called by the chair in which at least twenty-four (24) hours' notice is given to each member of the commission and each party seeking a settlement proposal. If a special meeting is called pursuant to this subsection (c), an agenda for the meeting must be placed on the home page of the commission's website at least twenty-four (24) hours prior to the

meeting. The agenda must include the style of any matter to be considered, and the special meeting must be limited to consideration of only the matters listed on the agenda.

3-6-206. Assessment of penalties (Effective August 14, 2008)

(a) The Tennessee ethics commission shall maintain a register of all civil penalties imposed under this chapter and remaining unpaid.

(b) If a civil penalty lawfully assessed and any lawfully assessed cost attendant to the penalty are not paid within thirty (30) days after the assessment becomes final, any candidate owing a civil penalty shall be ineligible to qualify for election to any state public office until the penalty and costs are paid.

(c) If a civil penalty authorized by this section is imposed, it shall be considered a personal judgment against the person subject to the civil penalty.

3-6-207. Misuse of office for personal financial gain (Effective July 10, 2014)

Notwithstanding § 3-6-203, if the commission determines that probable cause exists to believe that a member of the general assembly has committed an act constituting misuse of office for personal financial gain, then, except as otherwise provided in § 3-6-306(a)(3), no civil penalty shall be imposed and the commission shall instead report its determination and findings to the ethics committee of the appropriate house of the general assembly.

3-6-208. Sanctions (Effective August 14, 2008)

(b) The sanctions authorized by subsection (a) are not exclusive and do not preclude any other remedies or rights of action the alleged violator may have against the complainant or informant under the law; provided, that any person who in good faith files a verified complaint or any person, official, or agency that gives credible information that results in a formal complaint filed by the commission is immune from any civil liability that otherwise might result by reason of such actions.

3-6-209. Sworn complaints against commission member or employees (Effective August 14, 2008)

(a) An individual who is within the jurisdiction of the commission may file a sworn complaint against any member or employee of the commission alleging a violation of this chapter, including allegations of arbitrary and capricious actions of the commission against the individual. The complaint shall state with specificity such allegation. Such complaint shall be filed with the speaker of the senate and the speaker of

the house of representatives. Two (2) members of the majority party and two (2) members of the minority party shall be appointed to the committee by each speaker. The special joint committee shall appoint a chair and other officers deemed necessary. An affirmative vote of five (5) members of the committee shall be required for any committee action.

(b) If the special joint committee finds insufficient evidence to establish probable cause to believe a violation has occurred, it shall dismiss the complaint.

(c) If, upon completion of its preliminary investigation, the committee finds sufficient evidence to establish probable cause to believe a violation has occurred, the chair of the committee shall transmit the findings to the governor, who shall convene a meeting of the governor, the speaker of the senate and the speaker of the house of representatives to take such final action on the complaint as they shall deem appropriate consistent with penalties imposed pursuant to this chapter, including referring the matter to the office of the attorney general and reporter or removing the member of the commission from office and declaring the office vacant.

(d) Upon request of a majority of the governor, the speaker of the senate and the speaker of the house of representatives, the special joint committee shall submit a recommendation as to what penalty, if any, should be imposed.

(2) Files an unsubstantiated complaint in reckless disregard of the truth or falsity of the statements contained in the complaint; or

(3) Files one (1) or more unsubstantiated complaints that constitute abuse of process, then the complainant is subject to the civil penalties authorized by § 3-6-205(a)(2) and may be liable for any reasonable costs and reasonable attorney fees the alleged violator has incurred. The sanctions authorized by this subsection (e) are not exclusive and do not preclude any other remedies or rights of action the member may have against the complainant or informant under the law; provided, that any person who in good faith files a verified complaint or any person, official, or agency who gives credible information that results in an investigation is immune from any civil liability that otherwise might result by reason of such actions.

(c)(1) The commission shall accept any determination of default from TSAC or a guarantee agency, after TSAC or the guarantee agency has afforded a debtor an opportunity to be heard in accordance with subdivision (c)(2); and the commission shall rescind any disciplinary action and restore any registration upon receiving notice from TSAC or the guarantee agency that the individual has agreed to serve the individual’s obligation or is in compliance with an approved repayment plan.

(2)(A) Unless a debtor has made satisfactory arrangements according to the lender, TSAC or the guarantee agency, which may include administrative wage garnishment, voluntary payment arrangements, deferment or forbearance, then the debtor shall be regarded as delinquent or in default. If a debtor is delinquent or in default on a repayment or service obligation under a guaranteed student loan identified in subsection (b), or the debtor has failed to enter into a payment plan, agree to a service obligation or comply with a payment

plan previously approved by TSAC or the guarantee agency, then TSAC or the guarantee agency shall issue to the debtor a notice of intent to file an order with the appropriate licensing authority to seek to suspend, deny or revoke the debtor's registration. The notice shall:

- (i) Be served upon the debtor personally or by certified mail with return receipt requested; and
- (ii) State that the debtor's registration shall be suspended, denied or revoked ninety (90) days after service unless within that time the debtor:

- (a) Pays the entire debt stated in the notice;

- (b) Enters into a payment plan, service obligation or complies with a payment plan previously entered into and approved by TSAC or the guarantee agency;

- (c) Requests and qualifies for deferment, forbearance or other satisfactory compliance; or

- (d) Requests a hearing before TSAC or the guarantee agency.

(B) The hearing request by the debtor shall be made in writing and must be received by TSAC or the guarantee agency within twenty (20) days of the date the notice is served.

(C) TSAC or the guarantee agency, upon receipt of a request for a hearing from the debtor, shall schedule a hearing to determine whether a determination of delinquency or default which could result in suspension, denial or revocation of the debtor's registration is appropriate. The debtor's registration may not be suspended, denied or revoked until a determination is reached following the hearing. The issues that may be determined in the hearing are:

- (i) The amount of the debt, if any;

- (ii) Whether the debtor is delinquent or in default; and

- (iii) Whether the debtor:

- (a) Has entered into a payment plan or service obligation approved by TSAC or the guarantee agency;

- (b) Is willing to enter into a payment plan or service obligation approved by TSAC or the guarantee agency;

- (c) Is willing to comply with a payment plan or service obligation previously entered into and approved by TSAC or the guarantee agency;

- (iv) Whether the debtor is eligible for deferment, forbearance or other satisfactory compliance; or

- (v) Whether the debtor's default or delinquency is the result of a medical hardship that prevented the debtor from working in the person's licensed field and the medical hardship significantly contributed to the default or delinquency.

(D) If a debtor, without good cause, fails to respond to the notice of intent, fails to timely request a hearing, or fails to appear at a regularly scheduled hearing, the debtor's defenses, objections, or request for a payment plan or compliance with a payment plan may be determined to be without merit; and TSAC or the guarantee agency shall enter a final decision and order, requesting suspension, denial or revocation of the debtor's

registration, and further requesting the commission to order the debtor to refrain from engaging in lobbying. TSAC or the guarantee agency shall send a copy of the order to the commission and the debtor.

(E) The administrative hearings shall be conducted in accordance with rules and regulations adopted under the Uniform Administrative Procedures Act, compiled in title 4, chapter 5.

(F)(i) When TSAC or the guarantee agency determines that the debt is paid in full or the debtor has entered into a payment plan, entered into a service obligation, is otherwise in satisfactory compliance or complied with a payment plan previously approved by TSAC or the guarantee agency, TSAC or the guarantee agency shall enter an order requesting that the commission terminate the order suspending, denying or revoking the registration. TSAC or the guarantee agency shall send a copy of the order to the commission and the debtor. Notwithstanding any other law, rule or regulation to the contrary, when the registration is reinstated, the commission shall not impose a reinstatement fee that exceeds fifty dollars (\$50.00).

(ii) Entry of an order seeking to terminate suspension, denial or revocation of a registration does not limit the ability of TSAC or the guarantee agency to issue a new order which seeks to suspend, deny or revoke the registration of the same debtor in the event of another delinquency or default.

(G) TSAC is authorized to promulgate necessary rules and regulations to effectuate the purposes of this subsection (c). All such rules and regulations shall be promulgated in accordance with the Uniform Administrative Procedures Act.

(d) The commission is authorized to promulgate rules and regulations to effectuate the purposes of this section. All such rules and regulations shall be promulgated in accordance with the Uniform Administrative Procedures Act.

1. A lobbyist has invited you to dinner and offered to pay. Can you accept the invitation to dinner?

No, the lobbyist may not pay for your dinner; however, you may attend dinner with the lobbyist and pay for your own meal. As a general rule, a lobbyist may not provide a gift to an official in the legislative or executive branch or their immediate family unless one the gift exception listed in T.C.A. § 3-6-305 applies.

2. You are in Nashville while the Legislature is in session (you are receiving per diem) and the CEO of a company which employs a lobbyist invites you to be their guest to dinner. Can you accept the dinner?

The CEO of a company which employs a lobbyist is considered an “employer of a lobbyist” by definition. Therefore, you may not accept a dinner paid for by the CEO of a company which employs a lobbyist. As a general rule, an employer of a lobbyist may not provide a gift to an official in the legislative or executive branch or their immediate family unless one the gift exceptions listed in T.C.A. § 3-6-305 applies.

3. A constituent, who has been seeking a license from the State, wants to take you out for a meal. You have checked the Commission’s website and she has not employed a lobbyist and she verifies that fact. May you accept the invitation?

Yes, gifts from entities that are neither lobbyists nor employers of lobbyists are permissible.

4. A telecommunications company that is the employer of a lobbyist sent you an invitation to attend a football tailgate party. It appears that the invitation has been sent to the entire membership of the General Assembly. You go to the Commission’s website (<http://www.tn.gov/sos/tec>) and select In-State Events under Public Searches and see that the invitation has been posted. May you accept the invitation?

Yes, you may accept the invitation because the tailgate party is an “in-state event” to which all members of the Legislature have been invited and you reasonably believe that the per person cost of the event is less than \$63. See T.C.A. § 3-6-305(b)(8).

5. The same situation as (4) except that you do not see the lobbyist’s invitation on the Commission’s website and/or you learn that not all members of the Legislature have been invited. Can you accept the invitation to the tailgate party?

No, there is no exception for the lobbyist’s gift under this scenario.

6. Mary is a member of the General Assembly. Jim, her husband, works for a company that is an employer of a lobbyist, Bob. At Thanksgiving the company customarily provides frozen turkeys to all its employees, Bob delivers the turkeys to the employees. May Jim accept the turkey?

Yes, because it a customary gift from the company to its employees. An exception to the gift ban allows officials and their family to receive benefits resulting from employment which are

customarily provided to others in similar circumstances and are not enhanced due to the status of the official. See T.C.A. § 3-6-305(b)(1).

7. You're at home in your district after adjournment of first annual session of the 112th General Assembly. A company, which employs a lobbyist, invites you to take a tour of their factory. After the tour, the company wants to provide lunch at the factory cafeteria. May you accept the tour and lunch?

Yes, an exception to the gift ban allows officials to receive food, refreshments, meals, or beverages that are provided by an employer of a lobbyist in connection with an in-state event to which the official has been invited. For the purposes of a member of the General Assembly, this exception requires an invitation; the gift not exceed \$63.00 per event per day; the employer not exceed an aggregate of \$126 for the official per calendar year; the member not receive legislative per diem on the day of the event; the member not receive gifts not provided to nonmembers in attendance; and, an officer or management-level employee of the employer of the lobbyist attend the event (a lobbyist is not considered an officer or management-level employee for the purposes of this exception). See TCA § 3-6-305(b)(10).

8. Same situation as (7). At the end of the factory tour, the company gives you a goody bag which includes a baseball cap and coffee mug with the company's name on them. The company's representative says that they provide the goody bag to all of its customers and suppliers. May you accept?

Yes, the goody bag in this scenario is a promotional item which is routinely provided in the ordinary course of business. See T.C.A. § 3-6-305(b)(4).

9. You are asked to be part of a panel discussion of a membership organization that employs a lobbyist. As part of the event lunch is provided to everyone in attendance. May you accept the lunch?

Yes, as a speaker on a panel of a membership organization that holds regular meetings you may accept a meal that does not exceed \$63 in value. See T.C.A. § 3-6-305(b)(9).

10. You would like to provide some of your constituents a holiday bag filled with small trinkets. May you ask companies which employ lobbyists for trinkets to fill the goody bags?

No, you may not solicit a gift from an employer of a lobbyist, even if the gift is intended for a third party. See T.C.A. § 3-6-305(a)(2).

11. If I have a long-time friend, who subsequently registers to lobby, what are the limitations on gifts, (Christmas or birthday) and going to dinner or lunch? How does this apply to a family member who is a registered lobbyist?

You would have to look at the specifics for each "gift" (including meals). An exception to the gift ban allows certain gifts, as authorized by the Commission, given for a nonbusiness purpose and motivated by a close personal friendship. See T.C.A. § 3-6-305(b)(3). Commission Rule 0508-01-05-.04 provides guidance as to this exception and can be found at Section 4 (above). As to a family member, "gift" does not include a personal gift received from a member of the person's immediate family or from a relative within the third degree of consanguinity of the person or the person's spouse or from the spouse of any such relative. See T.C.A. § 3-6-301(10).

12. When my school board or mayor and commissioners come and visit the legislature they often invite me to dinner. Is this okay or should I be paying for my own dinner?

They can pay for your meal. Lobbying does not include communications from an elected or appointed public official performing the duties of the office held. In addition, the city or county is specifically exempted from the definition of “employer of a lobbyist” so if they charge the meal back to the city or county it would not be considered a meal paid for by an “employer of a lobbyist”. See TCA § 3-6-301(16)(D).

13. NCSL, ALEC AND SLC host meetings throughout the year which are sponsored by corporations who employ lobbyists. Many times, the host organization (NCSL, ALEC, SLC), offers to pay all or part of the expenses for these meetings. Is this allowed?

Yes, TCA § 3-6-305(b)(7)(A) and (B) provides an exemption for this situation.

14. Often when attending a meeting/conference hosted by NCSL, ALEC, or SLC a company or companies will host a “state night” dinner for attendees (elected officials and staff). The host companies are employers of lobbyists. Is it permissible to attend these dinners?

Yes, TCA § 3-6-305(b)(7)(B) provides an exemption for State Night dinners in this situation.

15. At Christmas, some companies send a tin of nuts, calendar, etc. to my office. These companies do not employ a lobbyist. Is there a prohibition against accepting these items? If a company is a member of an association which employs a lobbyist, is the answer different?

There is no prohibition against accepting these gifts. A company that is a member of an association which employs a lobbyist is not deemed to be the employer of a lobbyist and therefore the gift is still allowable. The exception to this would be if the lobbyist or employer of a lobbyist directed the gift to be given. This would violate T.C.A. § 3-6-305(a)(1) which states a gift may not be given directly or indirectly by a lobbyist or employer of a lobbyist.

16. Mike’s law firm purchased a suite for the upcoming hockey season. Mike is the only registered lobbyist in the firm. Mike is not a hockey fan but asks the managing partner to invite several key members of the General Assembly as the firm’s guests. The managing partner invites the members Mike suggested. Is this permissible?

No, because Mike may not provide a gift, directly or indirectly, to the invited legislators. A lobbyist may not provide a gift, directly or indirectly, to a candidate for public office, official in the legislative branch, official in the executive branch, or immediately family of such candidate or official. See, T.C.A. § 3-6-305(a)(1). In this instance, while the firm is not an employer of a lobbyist, Mike’s involvement makes the event invitation from the firm an indirect gift from a lobbyist to the legislative officials invited.

17. Tom is a member of the General Assembly. After ordering lunch at a downtown sandwich shop, he realizes his wallet is on his desk. Bill, a lobbyist, is next in line and offers to loan Tom \$10.00 for his \$9.58 lunch. Since they’re daily sandwich shop regulars, Bill says “just pay me back tomorrow”. --/*Tom knows Bill is a lobbyist. May Tom accept the loan?

No. A lobbyist may not make, and an official may not solicit or accept, a loan from a lobbyist. See T.C.A. § 3-6-304(d) and (e).

18. My father-in-law resides with my spouse and me. He's an avid golfer and has been invited to attend a professional golf event in Memphis by a company that employs a lobbyist. May he accept the invitation?

Yes, he may accept the invitation. For purposes of the T.C.A. Title 3, Chapter 6, Part 3, "immediately family" means a spouse or minor child living in the household. See T.C.A. § 3-6-301(11).
