General Information

North Cumberland WMA Sundquist Unit Riding Area is a multi use trail system. The area is open twenty-four hours a day and camping is allowed on the entire area. **At least one occupant of a vehicle must possess a valid hunting license along with a WMA permit or a High Impact Habitat Conservation Permit is required.** License and permits may be purchased locally at license agents or online at www.tnwildlife.org.

Trails are named and numbered with signs at trail heads and confidence markers placed at half mile intervals. Trail head signs have symbols indicating trail difficulty level and user types allowed. Be aware of logging and mining activities as you travel the trails and primitive roads.

Public use is allowed during all hunts. During daylight hours all users outside of enclosed vehicle or outside of camp must wear, on the upper portion of their body and head, a minimum of 500 square inches of daylight fluorescent orange, visible front and back, during the gun and muzzleloader deer seasons. No person shall remove minerals, including coal, trees, plants (including vines), or building stones from the area without specific authorization.

The area wide speed limit is 25 mph. Organized competition events for motorized/non-motorized vehicles prohibited. Reckless operation of motorized and non-motorized vehicles prohibited. Reckless operation is defined as operating a vehicle in a reckless or negligent manner as to endanger the life limb or property of any person. Maximum noise limit of 86 dBs for all motorized vehicles measured at 50 feet from the exhaust.

Detailed WMA and hunting regulations can be found in the current edition of the *Tennessee Hunting and Trapping Guide* or online at www.tnwildlife.org.
