**WMA WATERFOWL DRAW INFORMATION**

- A computer drawing will be held to select successful applicants based on the priority system. If any hunt quotas remain unfilled after the draw, additional drawings (up to a total of 5) will be conducted to fill the quota. The priority drawing system is exclusive to the first drawing.

- Priority Drawing System: TWRA’s Priority Drawing System gives priority points to hunters based on the number of years they have participated without being drawn for a hunt. Applicants who were successful last year will have priority of zero.

- Drawing Procedures: Using the “luck of the draw” method, an applicant is randomly selected by the computer. The hunt choices are reviewed in the order designated on the application until a choice with quota remains is found or the application runs out of choices.

- Successful applicants must possess all appropriate licenses and permits and a confirmation number issued by TWRA to hunt. Hunting guests must also possess all appropriate licenses and permits.

- Reservations are nontransferable. Any person violating this rule and regulation is subject to having his/her reservation revoked and may be subject to prosecution.

**WMA WATERFOWL RESERVATION INFORMATION**

- A successful applicant may bring up to 4 additional hunters (guests) of his/her choice, each day of the hunt. The number of hunters in a blind or pool may not exceed 5, one of which must be a successful applicant.

- Successful applicants with an email address associated with their TWRA account will be emailed their confirmation notice and Notice of Intent form which will include information on how to obtain detailed maps, GPS coordinates, and rules and regulations for the hunt. For successful applicants without an email address, TWRA will mail this information.

- Hunters that are successful in drawing a blind/pool/party site on Bogota, Toney Cypress, and Goose Unit E must, within two weeks of their hunt date, return to TWRA a “Notice of Intent” which states they do intend to hunt their assigned blind/pool.

- Hunters that are successful in drawing a blind/pool site on Mee, Bogota, Toney Cypress, and Goose Unit E must, within two weeks of their hunt date, return to TWRA a “Notice of Intent” which states they do intend to hunt their assigned blind/pool.

- The Notice of Intent may be submitted by U.S. mail or e-mail. Detailed information will be mailed to successful applicants.

- If TWRA does not receive the Notice of Intent by the specified deadline, the blind/pool will become vacant. These vacant blinds/pools, if any are available, will be reallocated by a local hand-held drawing. See the 2019-20 Tennessee Hunting Guide for additional details.

- A list of vacant blinds/pools, if any, will be provided on the TWRA website or specific WMA answering machines.
