WHAT DO WE DO?

Our Officers are tasked with enforcing hunting, fishing and boating laws. In addition, our officers are heavily involved in educating their communities about hunting, fishing, and boating issues, laws and regulations.

WHO ARE WE LOOKING FOR?

We are looking for individuals who are passionate about protecting the wildlife and resources in the State of Tennessee. Enthusiastic individuals who are interested in protecting and helping people by enforcing boating and hunting safety laws. We need driven, motivated, individuals who desire to help others and serve Communities in a public safety role that allows our officers to become a part of their communities through service and education.
