Biography

Christopher Epting
Managament Analyst
Operations
Medical Disability Examination Office
Veterans Benefits Administration

Mr. Epting holds the position of Management Analyst of Operations at VBA's Medical Disability Examination Office (MDEO), where he provides expert guidance to the Operations Chief, MDEO and Regional office staff. He contributes to the day-to-day operations of multiple contracts; his knowledge and efforts plays a vital role in MDEO facilitating 280,000 Compensation and Pension (C&P) examinations for Veterans and Service Members monthly.

In FY24, MDEO anticipates achieving its highest number of examinations completed in a single fiscal year since its inception. Mr. Epting's participation on the team continues to contribute to MDEO's efforts in overseeing the timely completion of C&P examinations. Mr. Epting's role as lead in events such as Veteran Claims Clinics (VCC) and Site Visits has contributed to the growth of vendor support at Veteran Claims Clinic events, to include reaching high-volume and rural areas.
