POA Notification of New Documents

General POA users will receive a notification when a document from a specified category of letters is added to the eFolder for a Veteran whom they represent.

The screenshot shows the 'All Claims Queue' interface in VBMS. A notification banner at the top states: 'There are documents requiring your attention. There are 6 documents available. [View Documents](#).' Below this, the 'All Claims Queue (1500)' is displayed, showing 'Showing 1 to 10 of 1500 entries'. The table below lists claim details:

Claim Station	Claim Status Name	Claim Status Code	Date of Claim	Document Expiration	Deferral Type	EP Code - Claim Label	File Number	Last Changed Date	New Document	Pending Upload Indicator	General Power of Attorney	Suspense Date
317	Ready for Decision	RFD	01/02/2000		NONE	111 - Initial Compensation 8+ Issues	080808080	02/21/2001			083 - DISABLED AMERICAN VETERANS	07/07/2001

When General POA users select “View Documents” from the Document Banner in VBMS, a new window will open and by default, present a list of all notifications of document inclusions into the Veteran’s eFolder for the organization(s) the user has access to over the last 7 business days.

The screenshot shows the 'New Documents' window in VBMS. The left sidebar contains filter options for Document Status (New Documents selected), Days Since Upload (Business Days Since Upload: 7), Date of Document Upload (Start Date, End Date), Categories, Descriptions, and Local Station.
