

In App Signing Using Topaz Signature Pad– Fact Sheet on setting up Topaz for Tyler Veterans’ Benefits (TVB) .

If the user is already using the signature pad, may have it installed on the computer and can skip steps # 1 and 2.

1. Install SigPlus Software
<https://www.sigpluspro.com/sigplus.html>
2. Connect and test out pad using DemoOCX
This will verify the pad is set up correctly on the PC
3. Install SigWeb
<https://www.topazsystems.com/sigweb.html>
This allows integration with the browser
Test out on Topaz's demo apps, which will verify browser integration was successful:
