By Terry Silver, Associate Professor
The University of Tennessee at Martin

At the University of Tennessee at Martin, 24 students served 30 hours each (over 700 hours total) in service-learning projects related to their field of study during an Honors 200 Service-Learning course. Several of the students partnered with Discovery Park in Union City where they engaged in various activities including:

- Saturday Morning Science
- Historical Theater Academy
- Artist Showcase Reception
- Pottery Class
- Nature's Ninja's VIP Dinner (Fundraiser)
- Wine and Paint
- Family Education Series – Firefighting History and Science
- Kids Create
- Cork and Fork (Wine pairing dinner – Fundraiser)
- Superhero Day

Dr. Terry Silver and a few of the students are writing an article which details what students learned about themselves, interactions with others, and their career choices.
