SECTION I: INTRODUCTION

A. PURPOSE OF AMERICORPS FUNDING

Volunteer Tennessee is a 25-member, bipartisan commission appointed by the Governor with a mission to encourage volunteerism and community service in Tennessee as a means of problem-solving at the local level. Volunteer Tennessee pursues its mission through administration of grants, training, and collaborations and coalitions with public and private organizations interested in volunteerism and service. Volunteer Tennessee currently funds eighteen (18) AmeriCorps State programs across Tennessee. This Tennessee State AmeriCorps Notice of Funding Opportunity (Notice) will focus on grant-making for fiscal year 2023 in six areas: Disaster Services, Economic Opportunity, Education, Environmental Stewardship, Healthy Futures, and Veterans and Military Families.

AmeriCorps improves lives, strengthens communities, and fosters civic engagement through service and volunteering. AmeriCorps brings people together to tackle some of the country's most pressing challenges through national service and volunteerism. AmeriCorps members and AmeriCorps Seniors volunteers serve with organizations dedicated to the improvement of communities and those serving. AmeriCorps helps make service a cornerstone of our national culture.

AmeriCorps grants are awarded to eligible organizations (see *Eligible Applicants* section) proposing to engage AmeriCorps members in evidence-based or evidence-informed interventions/practices to strengthen communities. An AmeriCorps member is an individual who engages in community service through an approved national service position. Members may receive a living allowance and other benefits while serving. Upon successful completion of their service, members earn a [Segal AmeriCorps Education Award](#) that they can use to pay for higher education expenses or apply to qualified student loans.

Public Health AmeriCorps will invest \$400 million, over five years, from the American Rescue Plan Act workforce funding that will enable the recruitment, training, and development of a new generation of public health leaders who are ready to respond to the public health needs of the nation by providing public health service in communities.

Public Health AmeriCorps has two main goals:

- Help meet public health needs of local communities by providing needed capacity and support in state and local public health settings and advancing more equitable health outcomes for communities who are currently or historically underserved.
- Provide pathways to good, quality public health-related careers by providing exposure through onsite experience, training, and more, with a focus on recruiting AmeriCorps members who reflect the communities in which they will serve.

Public Health AmeriCorps members will serve primarily in state, local, and territorial public health departments or in service to public health departments. It is strongly recommended that Public Health AmeriCorps members serve in at least teams of two. AmeriCorps has found that placing at least two Public Health AmeriCorps members at a service site location provides economies of scale and aids in retention of members.

Note that all funded programs will be required to prominently display the Volunteer Tennessee and AmeriCorps logos on printed and electronic materials related to the grant.

B. AMERICORPS INFORMATION, APPLICATION, AND TECHNICAL ASSISTANCE WEBINARS

Volunteer Tennessee will offer webinars to introduce potential applicants to AmeriCorps and Volunteer Tennessee and to go into detail about the *Notice*. A detailed technical assistance webinar may be offered if there is sufficient interest.

Please visit our website (www.volunteertennessee.net) for more details about the webinars and to access recordings following each webinar.

Volunteer Tennessee strongly encourages new and re-competing applicants to attend the *Grant Information Session* webinar in this extremely competitive year.

SECTION II: NOTICE OF FUNDING OPPORTUNITY

Federal Agency Name: AmeriCorps
Funding Opportunity Title: Fiscal Year (FY) 2023 AmeriCorps State and National Grants, and FY 2023 Public Health AmeriCorps Grants
Announcement Type: Initial Announcement
CFDA Number: 94.006

Disclosure: Publication of this Notice of Funding Opportunity (*Notice*) does not obligate AmeriCorps or Volunteer Tennessee to award any specific number of grants or to obligate any particular amount of funding. The actual level, timing, and process of grant funding will be subject to the availability of annual appropriations.

A. PROGRAM DESCRIPTION

A.1. AmeriCorps Funding Priorities

AmeriCorps recently released its [2022-2026 Strategic Plan](#), which defines the agency's goals, objectives, and strategies to both meet and exceed the agency's mission to improve lives and strengthen communities. Over the next 5 years, AmeriCorps will execute the following goals to better position the agency to respond to national and local needs and help the communities it serves prosper: partner with communities to alleviate poverty and advance racial equity; enhance the experience for AmeriCorps members and AmeriCorps Seniors volunteers; unite Americans by bringing them together in service; effectively steward federal resources; and make AmeriCorps one of the best and most equitable places to work in the federal government.

Over the next five years, AmeriCorps will invest in existing and new partnerships with nonprofit, faith-based, and Tribal organizations, and state service commissions, to get things done for America. AmeriCorps will prioritize investment in the most critical issues of our time – public health, climate and the environment, and education and economic opportunity – and will increase efforts to ensure AmeriCorps members and AmeriCorps Senior volunteers reflect the communities where they serve. AmeriCorps will target its investments toward communities where the need is greatest, particularly those with populations that face racial inequality and poverty. These steps will enable more Americans than ever to strengthen the communities that need it most across the nation through their service.

AmeriCorps' priorities for this funding opportunity are:

- Organizations leading service in communities with concentrated poverty, rural communities, tribal communities, and those organizations serving historically underrepresented and underserved individuals, including but not limited to communities of color, immigrants and refugees, people with disabilities, people who identify as part of the LGBTQIA+ community, people with arrest and/or conviction records, and religious minorities (also priority of Public Health AmeriCorps);
- Evidence-based interventions on the AmeriCorps Evidence Exchange (<https://americorps.gov/about/our-impact/evidence-exchange>) that are assessed as having Moderate or Strong evidence. Please note that many of these interventions have demonstrated effectiveness in improving outcomes for individuals living in underserved communities and that the agency has committed resources to supporting grantees seeking to replicate and evaluate these interventions in similar communities;

- Veterans and Military Families, Caregivers, and Survivors – a program model that improves the quality of life of veterans and improves the well-being of military and veteran families, caregivers, and survivors;
- Faith-based organizations;
- Programs that provide additional benefits to AmeriCorps members aimed at enhancing member experience and bolstering member recruitment and retention such as paying more than the minimum living allowance, transportation, housing, food, etc.;
- Programs that create workforce pathways for AmeriCorps members, including deliberate training, certifications, and hiring preferences or support;
- Environmental Stewardship, including supporting communities to become more resilient through measures that reduce greenhouse gas emissions, conserve land and water, increase renewable energy use and improve at-risk ecosystems, especially in underserved households and communities;
- Economic Mobility Corps (See Attachment F);
- (Public Health AmeriCorps) Efforts to help local communities respond to and recover from the COVID-19 pandemic. Applicants may propose programming to aid communities in their efforts to recover from the COVID-19 pandemic, including public health challenges that have been exacerbated by the pandemic, such as mental health and substance abuse.
- (Public Health AmeriCorps) Programs creating pathways to good-quality public health-related careers through onsite experience and training (including pre-apprenticeship or registered apprenticeship programs, work experience and job training programs, and other workforce training and development programs),

A.2. Volunteer Tennessee Funding Priorities

In 2023, Volunteer Tennessee will prioritize the investment of national service resources in the following areas:

- Distressed Counties - programs that align with Governor Bill Lee’s priority to provide services to rural areas. To receive priority consideration, applicants must propose to serve in one or more of Tennessee’s 10 distressed counties or 32 at-risk counties identified here <https://www.tn.gov/transparenttn/state-financial-overview/open-eecd/openecd/tneecd-performance-metrics/openecd-long-term-objectives-quick-stats/distressed-counties.html>.
- Prisoner Re-entry - programs that align with Governor Lee’s priority to enable incarcerated individuals to gain the skills needed for re-entry into society. Applicants for this priority should consider evidence-based interventions on the AmeriCorps Evidence Exchange <https://americorps.gov/evidence-exchange/A-Successful-Prisoner-Reentry-Program-Expands%3A-Lessons-from-the-Replication-of-the-Center-for-Employment-Opportunities>.
- K-3 Reading Success and/or College Readiness - programs that recruit, train, and support AmeriCorps members in order to increase K-3 reading success and/or post-secondary preparation and enrollment. Applicants for this priority should consider evidence-based interventions on the AmeriCorps Evidence Exchange <https://americorps.gov/about/our-impact/evidence-exchange>.

In addition to the priority on distressed counties, prisoner re-entry, and K-3 reading success and/or college readiness, Volunteer Tennessee expects to invest a significant amount of available funding to programs working in the AmeriCorps Funding Priorities described in section A.1 above. Volunteer Tennessee will pursue a balanced portfolio across the Funding Priorities.

To receive priority consideration, applicants must show that the priority area is a significant part of the program focus and intended outcomes and must include a high-quality program design. Proposing programs that receive priority consideration does not guarantee funding.

A.3. Performance Goals or Expected Outcomes

National Performance Measures: AmeriCorps and Volunteer Tennessee expect applicants to use National Performance Measures as part of a comprehensive performance measurement strategy that relies on both performance and evaluation data to learn from their work and make tactical and strategic adjustments to achieve their goals.

Aligned Performance Measure: All applications must include at least one aligned performance measure (output and outcome) that corresponds to the proposed primary intervention. This may be a National Performance Measure or an applicant-determined measure. For more information, please refer to the National Performance Measure Instructions in Attachment C. All Public Health AmeriCorps applications must include an aligned Public Health AmeriCorps performance measure found in Attachment D.

A.4. Program Authority

Awards under this *Notice* are authorized by the [National and Community Service Act of 1990](#), as amended, ([42 U.S.C. § 12501 et seq.](#)).

B. FEDERAL AWARD INFORMATION

B.1. Estimated Available Funds

AmeriCorps and Volunteer Tennessee expect a highly competitive AmeriCorps grant process. AmeriCorps and Volunteer Tennessee reserve the right to prioritize providing funding to existing awards over making new awards. The actual level of funding will be subject to the availability of annual appropriations.

B.2. Estimated Award Amount

Award amounts will vary as determined by the scope of the projects.

B.3. Project and Award Period

Volunteer Tennessee anticipates making three-year grants. Volunteer Tennessee generally makes an initial award for the first year of operation, based on a one-year project period. Applicants must submit a one-year budget. Continuation awards for subsequent years are not guaranteed; they depend upon availability of appropriations and satisfactory performance.

The project start date may not occur prior to the date AmeriCorps awards the grant and Volunteer Tennessee executes a sub-grantee contract. AmeriCorps members may not enroll prior to the start date of the award or the sub-grantee contract, which will not be prior to August 1, 2023. AmeriCorps members may not begin service prior to the beginning of the member enrollment period as designated in the grant award. A program may not certify any hours a member performs prior to the beginning of the member enrollment period.

B.4. Type of Award

AmeriCorps Operating Grants: Volunteer Tennessee may award a Cost Reimbursement or a Fixed Amount grant to any successful applicant, but the availability of a Full-Cost Fixed Amount grant is limited to certain applicants.

Professional Corps are not eligible to apply for Cost Reimbursement grants. See the *Eligible Applicants* section and Attachment A: *Mandatory Supplemental Information* for more information. Volunteer Tennessee will not provide both types of grants for the same project in one fiscal year.

C. ELIGIBILITY INFORMATION

C.1. Eligible Applicants

The following non-Federal entities (all of which are defined in [2 CFR 200.1](#)) are eligible to apply:

- Indian Tribes
- Institutions of higher education
- Local governments
- Nonprofit organizations
- Public health departments

Applicants must have a valid SAM registration and Unique Entity Identifier to receive an award. See Section D.3. Unique Entity Identifier and System for Award Management (SAM) for more information.

Organizations that propose to operate solely within Tennessee must apply through Volunteer Tennessee. A single-state application submitted directly to AmeriCorps by the applicant rather than through Volunteer Tennessee will be considered noncompliant and will not be reviewed.

Organizations that propose to operate in more than one state may apply directly to AmeriCorps. See Attachment A: *Mandatory Supplemental Information* for descriptions of National Direct and Single-State applicants.

New Applicants

Volunteer Tennessee encourages organizations that have not received prior funding from AmeriCorps to apply. Volunteer Tennessee's general practice is to award no more than 20 member positions (slots) to organizations receiving an AmeriCorps grant for the first time.

New Formula applicants are eligible to apply for either Cost Reimbursement or Fixed Amount grants.

New Public Health AmeriCorps applicants are eligible to apply for a Cost Reimbursement grant.

Threshold Issues

Applications should reflect that they meet the following threshold requirements for the grant type for which they are applying.

- Professional Corps applicants and/or applicants determined to be a Professional Corps by AmeriCorps and Volunteer Tennessee must demonstrate that the community in which it will place AmeriCorps members serving as professionals has an inadequate number of said professionals.
- If the proposed service activities require specialized member qualifications and/or training (for example, tutoring programs: [45 CFR §2522.910-.940](#)), the applicant must describe how the program will meet these requirements.
- All applicants must propose program designs that are either evidence-based or evidence-informed. Applicants assessed as lower than the Preliminary evidence tier (i.e., Pre-Preliminary) must provide adequate responses to the Evidence Quality review criteria in order to be considered for funding.

C.2. Cost Sharing or Matching

Fixed Amount Grants

There is no cost share or match requirement for Fixed Amount grants. AmeriCorps and Volunteer Tennessee do not provide all the funds necessary to operate the program; therefore, organizations should plan to raise the additional revenue required to operate the program.

Cost Reimbursement Grants

Applicants are required to match funds based on the chart below. The applicant’s match can be non-AmeriCorps cash and/or in-kind contributions. Applicants must indicate whether the match is proposed or secured. Applicants must demonstrate the ability to meet the match requirement at the time of application submission. See Section D.6. *Funding Restrictions* for more information.

A first-time, successful applicant is required to match at 24 percent for the first three-year funding period. Starting with year four, the match requirement gradually increases every year to 50 percent by year ten, according to the minimum overall share chart found in [45 CFR §2521.60](#) and below.

AmeriCorps Funding Year	1, 2, 3	4	5	6	7	8	9	10+
Grantee Share Requirements	24%	26%	30%	34%	38%	42%	46%	50%

Section 121(e)(5) of the National and Community Service Act of 1990 as amended (NCSA) [42 U.S.C. 12571\(e\)](#) requires programs that use other federal funds as match for an AmeriCorps grant to report the amount and source of these funds to AmeriCorps on a Federal Financial Report. Grantees must track and be prepared to report on that match separately each year and at closeout.

Match Waiver

Please see the Match Waiver information for AmeriCorps State and National Grantees located on the AmeriCorps website’s [Manage Your Grant](#) webpage.

Alternative Match

Under certain circumstances, applicants may qualify to meet alternative matching requirements that increase over the years to 35 percent instead of 50 percent as specified in [45 CFR §2521.60\(b\)](#). To qualify, applicants must demonstrate that the proposed program is either located in a rural county or in a severely economically distressed community as defined in the Application Instructions. Applicants who plan to request an alternative match schedule must submit a request at the time the application is submitted. Programs applying through Volunteer Tennessee must submit requests for alternative match to Volunteer Tennessee, who will submit it to AmeriCorps on their behalf.

Public Health AmeriCorps Cost Sharing or Matching

There is no cost share or matching requirement for Public Health AmeriCorps programs per the Interagency Agreement with the Centers for Disease Control and Prevention (CDC), which has provided the funding for this program.

C.3. Other Eligibility Requirements

Under section 132A(b) of the [NCSA](#), organizations that have violated a Federal criminal statute may not receive assistance described in this *Notice*.

Applications that propose to engage in activities that are prohibited under AmeriCorps’ statutes, regulations, or the terms and conditions of its awards are not eligible to receive AmeriCorps funding.

Note that under appropriations provisions annually enacted by Congress, if AmeriCorps is aware that any corporation has any unpaid federal tax liability

- that has been assessed;
- for which all judicial and administrative remedies have been exhausted or have lapsed; and

- that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability;
- that corporation is not eligible for an award under this *Notice*. However, this exclusion will not apply to a corporation that a federal agency has considered for suspension or debarment and determined that suspension or debarment is not necessary to protect the interest of the federal government.

Pursuant to the Lobbying Disclosure Act of 1995, an organization described in the [Internal Revenue Code of 1986, 26 U.S.C. 501\(c\)\(4\)](#) that engages in lobbying activities is not eligible to apply for AmeriCorps funding.

D. APPLICATION AND SUBMISSION INFORMATION

This *Notice* should be read together with the AmeriCorps regulations, Application Instructions, Performance Measure Instructions, and Mandatory Supplemental Information, which are incorporated by reference. These documents can be found at <https://www.tn.gov/volunteer-tennessee/vt-funds/vt-funding-opportunities.html>. The full Regulations are available online at [AmeriCorps. Gov Funding Opportunities webpage](#).

D.1. Address to Request Application Package

D.2. Content and Form of Application Submission

D.2.a. Application Content

Complete applications must include the following elements:

- Standard Form 424 (SF-424) Face Sheet: This is automatically generated when applicants complete the data elements in the eGrants system
- Narratives
 - Executive Summary: This is a brief description of the proposed program.
 - Program Design
 - Organizational Capability
 - Cost Effectiveness & Budget Adequacy
 - Evaluation Summary/Plan
- Logic Model
- Standard Form 424A Budget
- Performance Measures
- Continuation Changes (Continuation programs only)
- Clarification (if applicable)
- Authorization, Assurances, and Certifications (<https://egrants.cns.gov/cnsmisc/ECERTS.HTM> and <https://egrants.cns.gov/cnsmisc/EASSUR.HTM>)

D.2.b. Page Limits

Volunteer Tennessee will consider the number of pages only as they print out from the “Review” tab in AmeriCorps’ web-based management system, eGrants, (where you will see the “View/Print your application” heading) when determining compliance for page limits. Volunteer Tennessee will not consider the results of any alternative printing methods in determining whether an application complies with the applicable page limits. **Volunteer Tennessee strongly encourages applicants to print out the application from the “Review” tab prior to submission to check that the application does not exceed the page limits.**

Please note the length of a document in word processing document may be different than what will print out in eGrants. The character limits in eGrants do not align with page limits set in the *Notice*. Reviewers will not consider any submitted material that exceeds the page limits in the printed report, even if eGrants allows applicants to enter and submit additional text. Also, note that the system will not prevent an applicant from entering text that will exceed page limitations. This applies to both the Narrative page limit and the Logic Model page limit.

- There are page limits for the Narrative and Logic Model Narrative:
 - Applications must not exceed 10 double-spaced pages for the Narratives as the pages print out from eGrants. The application sections that count towards the page limit are the:
 - SF-424 Face Sheet
 - Executive Summary
 - Program Design, Organizational Capability, and Cost-Effectiveness & Budget Adequacy narratives.
 - The application page limit does not include the Evaluation Summary/Plan, Clarification Summary, Continuation Changes, Budget, Performance Measures, or any required additional documents.
- Logic Model:
 - The Logic Model may not exceed three pages when printed with the application from the “Review” tab in eGrants.

D.3. Unique Entity Identifier and System for Award Management (SAM)

All applicants **must** register with the [System for Award Management](#) (SAM) and maintain an active SAM registration until the application process is complete, and if a grant is awarded, throughout the life of the award. See the [SAM Quick Guide for Grantees](#).

SAM registration must be renewed annually. Volunteer Tennessee suggests finalizing a new registration or renewing an existing one at least three weeks before the application deadline to allow time to resolve any issues that may arise. **Applicants must use their SAM-registered legal name and physical address on all grant applications submitted to Volunteer Tennessee. The legal applicant’s name and physical address in eGrants must match exactly the applicant’s SAM-registered information.**

Volunteer Tennessee will not make awards to entities that do not have a valid SAM registration and Unique Entity Identifier (UEI). If an applicant has not fully complied with these requirements by the time AmeriCorps and Volunteer Tennessee are ready to make the grant award, AmeriCorps and Volunteer Tennessee may determine that the applicant is not qualified to receive an award and use that determination as a basis for making a grant award to another applicant.

Applications must include an Employer Identification Number.
Applications must include a valid Unique Entity Identifier (UEI), which is generated as part of the SAM registration process.

D.4. Submission Dates and Times

D.4.a. Notification of Intent to Apply

Applicants intending to apply for a Public Health AmeriCorps program are **REQUIRED** to send an e-mail by **3:00 p.m. CT on October 11, 2022** to volunteer.tennessee@tn.gov with a Notice of Intent to Apply. The subject of the e-mail must read: *Tennessee Public Health AmeriCorps Notice of Intent*. In the body of the e-mail, include: organization name, mailing address, contact person, and phone

number. **Failure to submit a Notice of Intent to Apply will render an applicant ineligible to apply.** All Notices of Intent to Apply will receive an e-mail response acknowledging receipt. Submission of a Notice of Intent to Apply is not an obligation to apply.

Applicants intending to apply for a new or re-competing Formula programs are **REQUIRED** to send an e-mail by **3:00 p.m. CT on December 16, 2022** to volunteer.tennessee@tn.gov with a Notice of Intent to Apply. Applicants should state the type of grant for which they intend to apply (cost reimbursement or fixed amount) and the focus area the application will address. **Failure to submit a Notice of Intent to Apply will render an applicant ineligible to apply.** All Notices of Intent to Apply will receive an e-mail response acknowledging receipt. **Continuation grantees are not required to submit a notice of intent.** Submission of a Notice of Intent to Apply is not an obligation to apply.

D.4.b. Application Submission Deadline

The due date for applications is **3:00 p.m. CDT on October 25, 2022** for Competitive and Public Health AmeriCorps applicants and **February 13, 2023** for Formula applications. Volunteer Tennessee will not consider applications received after the due date, except as noted in Section *D.4.d. Late Applications*. Volunteer Tennessee reserves the right to extend the submission due date, and any notice of such extended due date(s) will be posted on the Volunteer Tennessee website. These due dates apply to continuation grantees, as well as new and re-competing applicants.

D.4.c. Additional Documents Deadline

Any required additional documents are due on the application deadline in *D.4.b. Application Submission Deadline*. See *D.7.b. Submission of Additional Documents* section for more information on required additional documents.

D.4.d. Late Applications

All applications received after the submission deadline published in the *Notice* are presumed to be non-compliant. To overcome this presumption, the applicant must:

- Submit a written explanation or justification of the extenuating circumstance(s) that caused the delay, including:
 - Timing and specific cause(s) of the delay;
 - Ticket number if a request for assistance was submitted to the National Service Hotline;
 - Any information provided to the applicant by the AmeriCorps Hotline; and
 - Any other documentation or evidence that supports the justification;
- Ensure that Volunteer Tennessee receives the justification and any other evidence that substantiates the claimed extenuating circumstance(s) via email to volunteer.tennessee@tn.gov no later than one business day after the application deadline stated in the *Notice*.

Communication with Volunteer Tennessee staff is not a substitute for the written explanation or justification of the extenuating circumstance that caused the delay as outlined above.

Applicants are also required to continue working in eGrants, [AmeriCorps' web-based application system](#), and with the AmeriCorps Hotline to submit the application as soon possible after the deadline. Volunteer Tennessee will determine whether to accept a late application on a case-by-case basis. Applicants that do not submit a justification or any other evidence to overcome the presumption of non-compliance within the published timeframe will not be reviewed or selected for award.

Please note: Volunteer Tennessee will not consider an advance request to submit a late application. Applicants are encouraged to continue working on their application until it is submitted. If you are experiencing technical difficulties, please carefully review and follow the guidance listed above.

D.5. Intergovernmental Review

This Notice is not subject to [Executive Order 12372](#), "[Intergovernmental Review of Federal Programs](#)."

D.6. Funding Restrictions

D.6.a. Award Funding Requirements

1. Member Living Allowance

A living allowance is not considered a salary or a wage. Programs are not required to provide a living allowance for members serving in less than full-time terms of service. If a program chooses to provide a living allowance to a less than full-time member, it must comply with the maximum limits in the table below. For Cost Reimbursement grants, the amount must be included in the proposed budget as either AmeriCorps or grantee share. Exceptions are noted below.

While Fixed Amount grant applicants are not required to submit detailed budgets, they are still required to provide a living allowance to members that complies with the minimum and maximum requirements. Exceptions are noted below. Fixed Amount grant applicants should indicate that amount in the application.

Table: Minimum and Maximum Living Allowance

Service Term	Minimum # of Hours	Minimum Living Allowance	Maximum Total Living Allowance
Full-time	1,700	\$17,600	\$35,200
Three Quarter-time	1,200	n/a	\$24,640
Half-time	900	n/a	\$17,600
Reduced Half-time	675	n/a	\$13,376
Quarter-time	450	n/a	\$9,152
Minimum-time	300	n/a	\$7,932
Abbreviated-time	100	n/a	\$2,112

Exceptions to the Living Allowance Requirements

i. Programs existing prior to September 21, 1993 are not required to offer a living allowance. If such an applicant chooses to offer a living allowance, it is exempt from the minimum requirement, but not the maximum requirement.

ii. EAP Grantees are not required to provide a living allowance, but if a living allowance is provided, it must comply with the maximum requirements set forth in the Living Allowance Table above.

iii. Professional Corps Grantees must provide members a living allowance or salary, which must meet the minimum, but may exceed the maximum living allowance set in the Living Allowance Table above. Professional Corps member salaries and benefits, including childcare, are paid entirely by the organizations with which the members serve and are not included in the budget request to AmeriCorps (federal or matching share.)

2. Maximum Cost per Member Service Year (MSY)

The AmeriCorps cost per MSY is determined by dividing the AmeriCorps share of budgeted grant costs by the number of MSYs requested. It does not include childcare or the value of the education award a member may earn. The maximum amount an applicant may request from AmeriCorps per MSY is determined on an annual basis.

New and re-competing Volunteer Tennessee sub-grantees/applicants will be held to the maximum cost per MSY for their grant type.

Table: Maximum Cost per MSY

Grant Program	Maximum
Cost Reimbursement Grant	\$23,000
Cost Reimbursement Grant (Public Health AmeriCorps)	\$28,000
Professional Corps Grant (Fixed Amount)	\$1,000*
Education Award Program (EAP) Grant (Fixed Amount)	\$800 or \$1,000**
Full-Cost Fixed Amount Grant	\$23,000

*AmeriCorps requires **Professional Corps** programs to cover the operating expenses associated with the AmeriCorps program through non-AmeriCorps resources. AmeriCorps will only consider operating funds of up to \$1,000 per MSY if an applicant is able to demonstrate significant organizational financial need.

**Per [42 U.S.C. 12581a](#), AmeriCorps may provide the operational support under this section for a program in an amount that is not more than \$800 per individual enrolled in an approved national service position, or not more than \$1,000 per such individual if at least 50 percent of the persons enrolled in the program are disadvantaged youth.

AmeriCorps and Volunteer Tennessee reserve the right to 1) treat an applicant that meets the statutory requirements of a Professional Corps as such, whether or not they submitted their application as a professional corps program; and 2) determine whether an applicant has demonstrated inability to effectively operate in the absence of AmeriCorps operating funds.

3. Segal AmeriCorps Education Award

AmeriCorps members who successfully complete a term of service will be eligible for an Education Award from the National Service Trust. The amount of the Education Award is linked to the value of the Pell Grant. A member has up to seven years after their term of service to use the Education Award.

D.6.b. Indirect Costs

Application budgets may include indirect costs. Based on qualifying factors, applicants will either use a federally approved indirect cost rate, an AmeriCorps-fixed 5/10 percent option, a 10 percent *de minimis* rate of modified total direct costs, or may claim certain costs directly as outlined in [2 C.F.R. § 200.413](#). Local governments and Indian Tribes may use approved indirect cost allocation plans. All methods must be applied consistently across all federal awards. Applicants that have a federal negotiated indirect cost rate or that will be using the 10 percent *de minimis* rate must enter that information in the Organization section in eGrants. However, under section 121(d) of the NCSA and AmeriCorps' regulations at [45 CFR 2521.95](#) and [2540.110](#), no more than five percent of award funds may be used to recover indirect costs on AmeriCorps grants.

The instructions for how to enter the organization's indirect cost rate are located in Attachment E: *eGrants Indirect Cost Rate User Instructions*. Applicants should not submit documentation addressing the indirect cost rate agreement via email.

Please note: To request a federally negotiated indirect cost rate agreement, when AmeriCorps is the applicable cognizant agency for an organization's indirect costs, the applicant must submit a request to IndirectCostRate@cns.gov. The applicant may also obtain instructions and additional information by contacting the email address above.

D.7. Other Submission Requirements

D.7.a. Electronic Application Submission in eGrants

Applicants must submit applications electronically via [eGrants](#), AmeriCorps' web-based application system. AmeriCorps and Volunteer Tennessee recommend that applicants create an eGrants account and begin the application at least three weeks before the submission deadline. Applicants should draft the application as a word processing document, then copy and paste the text into the appropriate eGrants field no later than ten days before the deadline.

The applicant's authorized representative must be the person who submits the application. The authorized representative must be using AmeriCorps' web-based management system under his or her own account in order to sign and submit the application. A copy of the governing body's authorization for this official representative to sign must be on file in the applicant's office.

Applicants should contact the AmeriCorps Hotline at (800) 942-2677 or via [eGrants Questions](#) if they have a problem when they create an account, prepare, or submit the application. AmeriCorps Hotline hours are posted at <https://questions.americorps.gov/app/ask>. Be prepared to provide the application ID, organization's name, and the competition to which the organization is applying. If the issue cannot be resolved by the deadline, applicant must continue working with the AmeriCorps Hotline to submit via eGrants.

If extenuating circumstances make it impossible for an applicant to submit in eGrants, applicants may send an electronic copy of the application via e-mail to volunteer.tennessee@tn.gov. Applicants must include a written explanation and any other documentation or evidence that support their inability to submit their application electronically.

Requests to e-mail applications must be approved in advance by Volunteer Tennessee. All deadlines and requirements in this *Notice* also apply to e-mailed applications. E-mailed applications must include a cover letter detailing the circumstances that make it impossible to submit via eGrants. Volunteer Tennessee will not accept applications submitted via fax or mail/overnight carrier.

D.7.b. Submission of Additional Documents

Applicants are required to submit the following additional documents by the application submission deadline:

- Evaluation briefs, reports, studies. Please refer to the *Evidence Base* section and Attachment A: *Mandatory Supplemental Information* for detailed instructions by evidence tier. If multiple evaluation briefs/reports/studies are submitted by the applicant, the most recent (as measured by the date of completion or publication) will be reviewed first, and any documents submitted beyond the allowable number will not be reviewed.
- Labor union concurrence (if applicable)

- All applicants, regardless of funding level, are required to submit an [Operational and Financial Management Survey \(OFMS\)](#). Please submit the OFMS as a Word document. Forms submitted as a PDF, or any other document format, may not be accepted.

Recompete applicants who have previously received three or more years of Competitive funding for the same project being proposed must also submit:

- Evaluation plan. Please use the evaluation plan template available on the Volunteer Tennessee website. Evaluation plans are not scored and will not be reviewed until after funding decisions are made.

Recompete applicants who have previously received six or more years of Competitive funding for the same project being proposed must also submit:

- Evaluation report. Please submit in Microsoft Word. The evaluation report should include a title page with the AmeriCorps grant number for the project that was evaluated, the name of the project, and the date of completion of the report. If any of this required information is missing, the applicant may not receive credit for meeting their evaluation requirements.

Additional documents must be emailed to volunteer.tennessee@tn.gov with the labels outlined below. Emails should include the following information:

- Subject line: [Legal Applicant Name] - [Application ID number]
If the size of an applicant's files requires multiple emails, please also include an ordering system in the subject line, such as "(1 of 3)".
- Body of the email should identify:
 - the legal applicant name and its point of contact information
 - the application ID number
 - a list of documents that are attached to the email
- Attachments to emails should include:
 - individually saved files that are clearly labeled. **Please do not send all documents as one combined file.**
 - the legal applicant name and application ID number within the file name and heading of each document.

Failure to submit the required additional documents by the deadline may have a negative effect on the assessment of your application.

Do not submit any other items not requested in this Notice or Application Instructions. Volunteer Tennessee will not review or return them.

E. APPLICATION REVIEW INFORMATION

E.1. Application Selection Criteria

Each applicant must describe a project that will deploy AmeriCorps members effectively to solve a significant community problem. AmeriCorps and Volunteer Tennessee urge applicants to submit high quality applications that carefully follow the guidance in this *Notice* and in the Application Instructions. The quality of an application will be an important factor in determining whether an organization will receive funding.

Applications should include a well-designed plan with clear and compelling justifications for receiving the requested funds. Reviewers will assess the quality of applications by using the selection criteria described below and will rate them accordingly. They will also consider the weights assigned to each criterion.

Categories/Subcategories	Percentage
Executive Summary	0
Program Design	50
Theory of Change and Logic Model	24
Evidence Tier	12
Evidence Quality	8
Notice Priority	0
Member Experience	6
Organizational Capability	25
Organizational Background and Staffing	13
Compliance and Accountability	8
Member Supervision	4
Cost Effectiveness and Budget Adequacy	25

E.1.a. Executive Summary (Required - 0 percent)

Please fill in the blanks of these sentences to complete the Executive Summary. **Do not deviate from the template below.**

The [Name of the organization] will have [Number of] AmeriCorps members who will [service activities the members will be doing] in [the locations the AmeriCorps members will serve]. At the end of the first program year, the AmeriCorps members will be responsible for [anticipated outcome of project]. In addition, the AmeriCorps members will leverage [number of leveraged volunteers, if applicable] who will be engaged in [what the leveraged volunteers will be doing].

The AmeriCorps investment will be matched with \$[amount of projected match], \$[amount of local, state, and federal funds] in public funding and \$[amount of non-governmental funds] in private funding.

Fixed-Amount grant applicants (EAP, Full-Cost Fixed, No Cost Slots) should list their Other Revenue (see Attachment A: *Mandatory Supplemental Information*) because they are not required to provide a specific amount of match but still raise significant additional resources to operate the program.

E.1.b. Program Design (50 percent)

Reviewers will consider the quality of the application’s response to the criteria below. Do not assume all sub-criteria are of equal value. Please ensure the Theory of Change and Logic Model incorporate the funding priorities listed above, for example supporting communities historically excluded and/or underserved from government services, addressing structural and institutional inequities, or increasing opportunity in order to achieve sustainable change in communities.

i. Theory of Change and Logic Model (24 points)

The Theory of Change must address the items below:

- The problem is prevalent and severe in communities where the program plans to serve and that has been documented with relevant data.
- The proposed intervention is responsive to the identified community problem.
- The applicant’s proposed intervention is clearly articulated including the design, dosage, target population, and roles of AmeriCorps members and (if applicable) leveraged volunteers.
- The applicant’s intervention is likely to lead to the outcomes identified in the applicant’s Theory of Change.

- The expected outcomes articulated in the application narrative and Logic Model represent meaningful progress in addressing the community problem identified by the applicant.
- The rationale for utilizing AmeriCorps members to deliver the intervention(s) is reasonable.
- The service role of AmeriCorps members will produce significant contributions to existing efforts and help develop additional capacity to address the stated problem.

The Logic Model shall depict:

- A summary of the community problem, including the role current or historical inequities faced by underserved communities may play in contributing to the problem.
- The inputs or resources that are necessary to deliver the intervention, including but not limited to:
 - Locations or sites in which members will provide services
 - Number of AmeriCorps members that will deliver the intervention
- The core activities that define the intervention or program model that members will implement or deliver, including:
 - The duration of the intervention (e.g., the total number of weeks, sessions, or months of the intervention)
 - The dosage of the intervention (e.g., the number of hours per session or sessions per week)
 - The target population for the intervention (e.g., disconnected youth, third graders at a certain reading proficiency level)
- The measurable outputs that result from delivering the intervention (i.e., number of beneficiaries served, types and number of activities conducted). If applicable, identify which National Performance Measures will be used as output indicators
- Outcomes that demonstrate changes in knowledge/skill, attitude, behavior, or condition that occur as a result of the intervention. If applicable, identify which National Performance Measures will be used as outcome indicators.

Note: The Logic Model is a visual representation of the applicant's Theory of Change. Programs should include short, medium, or long-term outcomes in the Logic Model. Applicants are not required to measure all components of their Theory of Change. The applicant's performance measures should be consistent with the program's Theory of Change and should represent significant program activities.

In the application narrative, applicants should discuss the community need as it relates to the [CDC's Social Vulnerability Index](#).

Also in the application narrative, applicants should discuss their rationale for setting output and outcome targets for their performance measures.

Rationales and justifications should be informed by the organization's performance data (e.g., program data observed over time suggests targets are reasonable), relevant research (e.g., targets documented by organizations running similar programs with similar populations), or prior program evaluation findings.

Applicants with multiple interventions should complete one Logic Model chart that incorporates each intervention. Logic model content that exceeds three pages will not be reviewed.

ii. Evidence Base (20 points)

The assessment of an applicant's evidence base has two steps. First, the applicant will be assigned to an evidence tier (see Attachment A: *Mandatory Supplemental Information*). Second, the quality of the

applicant's evidence and the degree to which it supports the proposed program design, including program alignment with the priority areas identified above, will be assessed and scored.

Evidence Tier (12 points):

An evidence tier will be assessed for each applicant for the purpose of understanding the relative strength of each applicant's evidence base and the likelihood that the proposed intervention will lead to outcomes identified in the Logic Model.

In 2022, the evidence tiers of successful AmeriCorps State and National applicants that were competing were as follows: Strong 28%, Moderate 15%, Preliminary 25%, and Pre-Preliminary 32%. The evidence tiers of successful Public Health AmeriCorps applicants were as follows: Strong 2%, Moderate 2%, Preliminary 5%, and Pre-Preliminary 91%. As these figures indicate, AmeriCorps values and funds programs at all points along the evidence continuum and expects programs to progress along the evidence continuum over time. Thus, do not be deterred from applying for funding due to your current evidence level.

Applicants who have outcome or impact evaluation reports of the same intervention described in the application (see Attachment A: *Mandatory Supplemental Information* for a definition of "same intervention") may submit up to 2 of those reports, plus (if applicable) the evaluation report from their last three-year grant cycle, to qualify for the Preliminary, Moderate, or Strong evidence tier. To qualify for consideration, the intervention evaluated in the submitted report(s) must match the intervention proposed by the applicant in the following areas, all of which must be clearly described in the Program Design and Logic Model sections of the application:

- Characteristics of the beneficiary population, including evidence of current or historic inequities facing the population
- Characteristics of the population delivering the intervention
- Dosage (frequency, duration) and design of the intervention, including all key components and activities
- The context in which the intervention is delivered
- Outcomes of the intervention

Submitted reports that do not sufficiently match the intervention proposed by the applicant in all of these areas will not be considered applicable and will not be reviewed or receive any points. Submission of additional documents (e.g., advocacy pieces, policy briefs, other narratives that are not research studies or program evaluations) that are not consistent with the guidance and requirements described in the *Notice* will not be reviewed.

In the Evidence Tier section of the application narrative, applicants must (1) summarize the study design and key findings of any outcome or impact evaluation report(s) submitted and (2) describe any other evidence that supports their program, including past performance measure data and/or other research studies that inform their program design. Applicants who submit evaluation reports for consideration must also describe in the Evidence Base section of the application narrative how the intervention described in the submitted reports is the same as the intervention described in the application (see Attachment A: *Mandatory Supplemental Information*).

Applicants should provide citations for the studies they describe, if applicable; however, reviewers will not review any documents external to the application other than evaluation report(s) submitted in accordance with the *Notice* instructions.

Applicants must meet all requirements of an evidence tier in order to be considered for that tier.

If the evaluation reports submitted by the applicant do not meet the definitions in Attachment A: *Mandatory Supplemental Information*, the applicant may be considered for a lower evidence tier.

Evidence Quality (8 points)

After the applicant's evidence tier has been assessed, the quality of the applicant's evidence and the extent to which it supports the proposed program design will be assessed and scored.

For applicants who are assessed as being in the Preliminary, Moderate, or Strong evidence tiers, reviewers will score the submitted evaluation reports using the following standards:

- The submitted reports are of satisfactory methodological quality and rigor for the type of evaluation conducted (e.g., adequate sample size and statistical power, internal and/or external validity, appropriate use of control or comparison groups, etc.);
- The submitted reports describe evaluations that were conducted relatively recently, preferably within the last six years;
- The submitted reports show a meaningful and significant positive effect on program beneficiaries in at least one key outcome of interest.

For applicants who are assessed as being in the Pre-Preliminary evidence tier, reviewers will score the narrative provided in the Evidence Base section of the application using the following standards:

- The applicant uses relevant evidence, including past performance measure data and/or cited research studies, to inform their proposed program design;
- The described evidence is relatively recent, preferably from the last six years;
- The evidence described by the applicant indicates a meaningful positive effect on program beneficiaries in at least one key outcome of interest.

Applicants assessed in the Pre-Preliminary evidence tier who do not provide adequate responses to the Evidence Quality standards will not meet the threshold requirements for this *Notice* and will not be considered for funding.

iii. Notice Priority (0 points)

- The applicant proposed program fits within one or more of the AmeriCorps funding priorities and meets all of the requirements within that bullet/section as outlined in the *Funding Priorities* sections A.1 and A.2 and more fully described in Attachment A: *Mandatory Supplemental Information*.

iv. Member Experience (6 points)

- AmeriCorps members' service will provide them opportunities to develop as leaders.
- AmeriCorps members will gain skills as a result of their training and service that can be utilized and will be valued by future employers after their service term is completed.
- AmeriCorps members receive additional benefits.
- Description of the demographics of the community served and plans to recruit AmeriCorps members from geographic or demographic communities in which the program operates. This could include but not limited to the following historically underserved, under-represented, and disadvantaged populations of:
 - a. communities of color
 - b. LGBTQI+ (Lesbian, Gay, Bisexual, Transgender, Queer, Questioning or Intersex) communities
 - c. Individuals with varying degrees of English language proficiency
 - d. Individuals with disabilities
 - e. Veterans and military family members as volunteers

- Description of how the organization will ensure its project engages a diverse and inclusive group of members.
- The applicant's organization and/or program has a diversity, equity, and inclusion council or similar mechanism that seeks to diversify its staff and board and create a supportive and safe environment as well ensure that its programming is culturally and community appropriate.

E.1.c. Organizational Capability (25 percent)

Reviewers will consider the quality of the application's response to the following criteria below. Do not assume all sub-criteria are of equal value.

i. Organizational Background and Staffing (13 points)

- The organization details the roles, responsibilities, and structure of the staff that will be implementing the AmeriCorps program as well as providing oversight and monitoring for the program.
- The organization has facilitated, partnered, or participated in educational or workforce development programs (i.e., pre-apprenticeship/registered apprenticeship, work experience and job training programs, etc.).
- The leadership and staff of the organization has the same lived experience as the beneficiary population and/or community being served.
- The applicant's definitions of diversity, equity, inclusion, and accessibility demonstrate the organization is engaged in related to diversity, equity, and inclusion. This can include the inclusion of diversity on the Board of Directors, agency staff and leadership, and/or volunteers.

ii. Compliance and Accountability (8 points)

- The extent to which the organization has a monitoring and oversight plan to prevent and detect non-compliance and enforce compliance with AmeriCorps rules and regulations including those related to prohibited activities and criminal history checks at the grantee, subgrantee (if applicable), and service site locations.
- The extent to which the organization has an effective mechanism in place to report, without delay, any suspected criminal activity, waste, fraud, and/or abuse to both the AmeriCorps Office of Inspector General and AmeriCorps and a plan for training staff and participants on these reporting protocols.
- The extent to which the organization has sufficient policies, procedures, and controls in place to prevent, detect, and mitigate the risk of fraud, waste, abuse, and mismanagement, this can include an assessment of appropriate segregation of duties, internal oversight activities, measures to prevent timekeeping fraud, etc.
- If applicable, the AmeriCorps-required evaluation report meets AmeriCorps requirements.
- If applicable, the AmeriCorps-required evaluation report is of satisfactory quality.

iii. Member Supervision (4 points)

- AmeriCorps members will receive sufficient guidance and support from their supervisor to provide effective service.
- AmeriCorps supervisors will be adequately trained/prepared to follow AmeriCorps and program regulations, priorities, and expectations.

E.1.d. Cost Effectiveness and Budget Adequacy (25 percent)

Reviewers will assess the quality of the application's budget to the following criteria below. Do not assume all sub-criteria are of equal value.

These criteria will be assessed based on the budget submitted. No narrative should be entered in the narrative box except for “See budget”.

i. Cost Effectiveness and Budget Adequacy (25 points)

- Budget complies with Attachment B: *Application Instructions* (Cost Reimbursement Applicants: See *Application Instructions* Appendix 2 and 3; Fixed Amount Applicants: See *Application Instructions* Appendix 4 and 5).
- Cost Reimbursement applicant meets match requirements or Fixed Amount applicant proposes sufficient additional revenue to adequately support the program. Applicant identifies sources in the Source of Funds section of the budget.
- The cost per MSY is equal to or less than the maximum cost per MSY. (See Section D.6.a.2).

Proposed budgets that contain MSY costs that exceed the maximum cost per MSY and/or less than required match will be considered unresponsive to the application criteria.

Cost reimbursement applicants: Indicate the amount of requested match replacement in the Source of Funds section of the budget. See definition of match replacement in Attachment A: *Mandatory Supplemental Information*.

E.1.e. Evaluation Plan (Required for re-competing applicants - 0 percent)

If the applicant has previously received three or more years of competitive funding for the same project being proposed (see Attachment A: *Mandatory Supplemental Information* for the AmeriCorps definition of “same project”), the applicant must submit an evaluation plan as an attachment (see the D.7.b Submission of Additional Documents section). If the applicant has previously received six or more years of competitive funding for the same project being proposed, the applicant must submit both an evaluation plan and an evaluation report as attachments.

Applicants should use the evaluation plan template available on Volunteer Tennessee’s [website](#) to craft their evaluation plans. The template document provides detailed information about the AmeriCorps evaluation requirements ([45 CFR 2522.700-710](#)) and specifies the information that must be provided for the evaluation plan to be approved by AmeriCorps. The evaluation plan will not be scored and will not be reviewed until after funding decisions have been made.

All applicants should enter “N/A” in the “Evaluation Summary or Plan” field of the Narrative. Any other text entered in this field will not be reviewed.

E.1.f. Amendment Justification (0 percent)

Enter N/A. This field will be used if the applicant is awarded a grant and needs to amend it.

E.1.g. Clarification Information (0 percent)

Enter N/A.

E.1.h. Continuation Changes (0 percent)

Enter N/A. This field will be used to enter changes in the application narratives in continuation requests.

E.2. Review and Selection Process

AmeriCorps and Volunteer Tennessee will engage External and Staff Reviewers with relevant knowledge and expertise to assess and provide input on the eligible applications. The review and selection process are intended to produce a diversified set of high-quality programs that represent

the priorities and strategic considerations described in this *Notice*. The determinations made by reviewers may be different from what the applicant self-determined upon submission of its application.

The stages of the review and selection process follow:

E.2.a. Initial Application Compliance and Eligibility Review

AmeriCorps and Volunteer Tennessee staff will conduct a Compliance Review to determine if an application meets the compliance requirements published in this *Notice* and advances to the next stage of the review process.

An application is compliant if the applicant:

- Is an eligible organization;
- Submits an application by the submission deadline; and
- Submits an application that is complete, in that it contains all required elements and follows the instructions provided in this *Notice*.

Reviewing for eligibility is intended to ensure that only those applications that are eligible for award are further reviewed. However, a determination of eligibility can take place at any point during the application review and selection process. Applicants that are determined to be non-compliant and ineligible will not receive an award.

E.2.b. Application Review

Reviewers will evaluate applications based on applications based on the Program Design, Organizational Capability, Cost-Effectiveness and Budget Adequacy, and Evidence Selection Criteria.

Upon submission to AmeriCorps by Volunteer Tennessee, **Competitive applications** will be assessed by AmeriCorps staff. External reviewers will review and assess the evidence criteria in the *Notice*.

Formula applications will be reviewed by Volunteer Tennessee staff and peer reviewers. All reviewers will be screened for conflicts of interest.

E.2.c. Applicant Clarification

AmeriCorps and Volunteer Tennessee may ask an applicant for clarifying information after notification of completed results. An applicant's failure to respond to a request for clarification adequately and in a timely manner may result in the removal of its application from the award process.

E.2.d. Pre-Award Risk Assessment

AmeriCorps and Volunteer Tennessee staff will assess the risks to the program posed by each applicant, including conducting due diligence to ensure an applicant's ability to manage federal funds. This assessment is in addition to the evaluation of the applicant's eligibility for funding and the quality of its application on the basis of the Selection Criteria. Results from this assessment will inform funding decisions. If AmeriCorps and/or Volunteer Tennessee determine that an award will be made, special conditions that correspond to the degree of risk assessed may be applied to the award. Additionally, if AmeriCorps or Volunteer Tennessee conclude that the reasons for applicants having poor risk assessment are not likely to be mitigated, those applications may not be selected for funding.

In assessing risks, AmeriCorps and Volunteer Tennessee may consider the following criteria:

i. Due Diligence:

- federal debt delinquency

- suspension and debarment
- information available through Office of Management and Budget (OMB) - designated repositories of government-wide eligibility qualification or financial integrity information, such as:
 - [Federal Awardee Performance and Integrity Information System \(FAPIIS\)](#)
 - [U.S. Treasury Bureau of Fiscal Services](#)
 - [System for Award Management \(SAM\)](#)
 - "Do Not Pay"
- reports and findings from single audits performed under Uniform Administrative Guidance and findings of any other available audits or investigations
- IRS Tax Form 990
- [Oversight.gov](#)
- Public Litigation Records

ii. Operational and Financial Management:

- financial stability
- Operational and Financial Management Survey (OFMS)

iii. Past Performance:

- applicant's record in managing previous AmeriCorps awards, cooperative agreements, or procurement awards, including:
 - timeliness of compliance with applicable reporting requirements
 - accuracy of data reported
 - conformance to the terms and conditions of previous federal awards
 - applicant's ability to effectively implement statutory, regulatory, or other requirements imposed on award recipients
 - timely closeout of other awards
 - meeting matching requirements
 - the extent to which any previously awarded amounts will be expended prior to future awards
 - Grant progress reports - attainment of Performance Measures
 - Enrollment and retention
 - Monitoring findings
 - national service criminal history check (NSCHC) compliance. See section F.2.d. *National Criminal History Check Requirements* and the [NSCHC webpage](#) for more information

iv. Other Programmatic Risks:

- publicly available information, including information from the applicant organization's website

Additionally, AmeriCorps and Volunteer Tennessee may use the results of the review of the risk assessment evaluation in determining which applications to fund.

E.2.e. Consideration of Integrity and Performance System Information

Prior to making any award that exceeds \$250,000, AmeriCorps is required to review and consider any information about the applicant that is in the designated integrity and performance system accessible through SAM (currently FAPIIS) (see [41 U.S.C. 2313](#)). Additionally, AmeriCorps may expand upon these requirements and use its discretion to review and consider information about any applicant receiving an award, including those under \$250,000.

Any applicant, at its option, may review information in the designated integrity and performance systems accessible through FAPIIS and comment on any information about itself that a Federal awarding agency previously entered and is currently in the designated integrity and performance system accessible through FAPIIS.

AmeriCorps may consider any comments by any applicant, in addition to the other information in the designated integrity and performance system, in making a judgment about the applicant's integrity, business ethics, and record of performance under federal awards when completing its review of risk posed by the applicant under the E.2.d *Pre-Award Risk Assessment* section of this *Notice*.

E.2.f. Selection for Funding

The review and selection process is designed to:

- Identify how well eligible applications are aligned with the E.1 *Application Selection Criteria*
- Build a diversified portfolio based on the following strategic considerations:
 - AmeriCorps and Volunteer Tennessee Funding Priorities (See *Sections A.1. and A.2. Funding Priorities*)
 - Meaningful representation of: rural communities, innovative community strategies

AmeriCorps and Volunteer Tennessee will assess an applicant's strategic considerations. Applicants must check the relevant boxes in the Program Information tab in AmeriCorps' web-based management system. Applicants should only check the boxes if the strategic consideration is a significant and intentional part of their program design and if implementation strategies are described in the application.

AmeriCorps and Volunteer Tennessee reserve the right to prioritize funding existing awards over making new awards.

AmeriCorps and Volunteer Tennessee reserve the right to award applications in an amount other than at the requested level of funding and will document the rationale for doing so.

AmeriCorps and Volunteer Tennessee reserve the right to adjust or make changes to the review process, in the event that unforeseen challenges or exigent circumstances make it impossible, impractical or inefficient to execute the review process as planned. Any such adjustments or changes will not affect the selection criteria (E.1.) that will be used to assess applications submitted in response to this Notice.

E.3. Feedback to Applicants

Each compliant applicant will receive feedback from the External Review of its application. Feedback will be based on the review of the original application and will not reflect any information that may have been provided in response to applicant clarification, if any.

E.4. Transparency in Grantmaking

AmeriCorps and Volunteer Tennessee are committed to transparency in grant-making. A list of all approved applications for new and re-competing applications will be published on [AmeriCorps Funded Grants](#) and/or Volunteer Tennessee's website within 90 business days after all grants are awarded.

Submitted program narratives, executive summaries, a blank template of the external review worksheet, a list of all external reviewers who completed the review process, and a summary of external reviewer comments for successful applications will be available upon request via email to volunteer.tennessee@tn.gov.

F. FEDERAL AWARD ADMINISTRATION INFORMATION

F.1. Federal Award Notices

AmeriCorps will make Competitive awards following the grant selection announcement. AmeriCorps anticipates announcing the results of the competitive funding competition by notifying applicants **by mid-April 2023**, contingent on the availability of congressional appropriations. Applicants will be notified of funding decisions via email. Notification of an award is not an authorization to begin grant activities. An executed subcontract with Volunteer Tennessee is the only document authorizing awardees to commence grant activities. Unsuccessful applicants will also receive a notification that their application was not approved for funding.

Volunteer Tennessee anticipates announcing the results of the Formula competition by notifying applicants **no later than May 23, 2022**, contingent on timely full year appropriations and notification of Competitive grant selections. Applicants will be notified of funding decisions via email. This notification is not an authorization to begin grant activities. The executed contract with Volunteer Tennessee is the authorizing document for grant activities. Unsuccessful Formula applicants will also receive a notification that their application was not approved for funding.

An awardee may not obligate or expend federal funds until the start of the Project Period identified on the executed subcontract.

F.2. Administrative and National Policy Requirements

F.2.a. Uniform Guidance

All awards under this Notice are subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), now consolidated in 2 CFR [Parts 200](#) and [2205](#).

F.2. b. Requests for Monitoring or Payment Integrity Information

AmeriCorps will request documentation from award recipients in order to monitor the grantee and award to ensure compliance with legal requirements, including the [Payment Integrity Information Act of 2019](#). Failure to make timely responses to these requests may result in award funds being placed on manual hold, reimbursement only status, or other remedies may be applied as appropriate.

F.2.c. AmeriCorps Terms and Conditions

All awards made under this Notice will be subject to the FY 2023 AmeriCorps General Terms and Conditions, and the FY 2023 AmeriCorps Specific Terms and Conditions. These Terms and Conditions contain detailed, mandatory compliance and reporting requirements. Current versions of the AmeriCorps General and Specific Terms and Conditions for each of its programs are available on the [AmeriCorps Manage Your Grant](#) webpage.

F.2.d. National Service Criminal History Check Requirements

The National Service Criminal History Check (NSCHC) is a specific screening procedure established by law to protect the beneficiaries of national service. We encourage grantees to minimize barriers to service without putting their program beneficiaries at genuine risk.

- In general, award recipients and subrecipients must conduct an NSCHC for AmeriCorps members, AmeriCorps Seniors volunteers, and staff funded under, or whose salary is reflected as match on, the award.
- AmeriCorps and Volunteer Tennessee strongly encourage applicants to:

- Review the regulations and additional guidance to fully understand how to comply with the requirements. See the NSCHC regulations and guidance: <https://americorps.gov/grantees-sponsors/history-check>.
- Utilize the two AmeriCorps-approved vendors to conduct the required NSCHCs. Two pre-approved NSCHC vendors: <https://americorps.gov/grantees-sponsors/history-check>.
- Failure to conduct a compliant NSCHC may result in significant disallowed costs.
- The cost of conducting NSCHC is an allowable expense under the award and the individual subject to the NSCHC may not be required to cover the cost without being reimbursed.

The NSCHC consists of a check of the:

1. National Sex Offender Public website through NSOPW.gov (nationwide check);
2. State criminal history record repository or agency-designated alternative for the individual's State of residence *and* State of service; and
3. Fingerprint-based check of the FBI criminal history record database through the State criminal history record repository or agency-approved vendor.

All checks must be conducted, reviewed, and an eligibility determination made before the individual begins work or service.

An individual is not eligible to serve or work in a position subject to the NSCHC requirements if:

- the individual refuses to consent to a criminal history check;
- makes a false statement in connection with a criminal history check;
- is registered, or is required to be registered, on a state sex offender registry or the National Sex Offender Registry; or
- has been convicted of murder

See [45 CFR 2540.200– 2540.207](#) and [National Service Criminal History Check Resources](#) for complete information and FAQs.

F.2.e. Official Guidance

All AmeriCorps active Guidance is available on the agency's [Guidance webpage](#). The contents of these documents do not have the force and effect of law and are not meant to bind the public in any way unless incorporated into a contract or grant agreement. These documents are intended only to provide clarity to the public regarding existing requirements under the law or agency policies.

F.3. Use of Material

To ensure that materials generated with AmeriCorps funding are available to the public and readily accessible to grantees and non-grantees, AmeriCorps and Volunteer Tennessee reserve a royalty-free, nonexclusive, and irrevocable right to obtain, use, modify, reproduce, publish, or disseminate publications and materials produced under the award, including data, and to authorize others to do so ([2 CFR §200.315](#)).

F.4. Reporting

Recipients are required to submit a variety of reports that are due at specific times during the life cycle of an award. All reports must be accurate, complete, and submitted on time.

Volunteer Tennessee sub-grantees are required to provide mid-year and end of year progress reports, quarterly financial reports, and an evaluation report as required by the AmeriCorps regulations [45 CFR §§2522.500-2522.540](#) and [§§2522.700-2522.740](#). A final financial report is due at the end of the grant.

Award recipients will be required to report [at Federal Funding Accountability and Transparency Act Subaward Reporting System](#) (FSRS) on all subawards over \$30,000 and may be required to report on executive compensation for your organization and for your subgrantees. Recipients and subrecipients must have the necessary systems in place to collect and report this information. See [2 CFR Part 170](#) for more information and to determine how these requirements apply.

Once the grant is awarded, recipients will be expected to have data collection and data management policies and practices in place that provide reasonable assurance that they are providing AmeriCorps and Volunteer Tennessee with high quality programmatic and financial data. At a minimum, sub-grantees should have policies and practices that address the following five aspects of data quality for themselves and for sub-sites (if applicable):

- data measures what it intends to measure
- data reported is complete
- grantee collects data in a consistent manner
- grantee takes steps to correct data errors
- grantee actively reviews data for accuracy prior to submission.

In addition to semi-annual reporting of progress toward the grant's approved performance measure outputs and outcomes, additional performance data and narrative data must be reported annually (as applicable), including the number of applicants for AmeriCorps positions and the number of volunteers recruited and/or supported by AmeriCorps members (both episodic and ongoing volunteers).

Failure to submit accurate, complete, and timely required reports may affect the recipient's ability to secure future AmeriCorps funding.

F.5. Continuation Funding Information and Requirements

Organizations that have current AmeriCorps State awards that will be in program Year 2 or Year 3 in FY 2023 are considered continuation applicants. Continuation applicants must submit an application in order to be eligible to receive funding for the FY 2023 program year. Continuation applicants must follow the requirements for continuation application content as outlined in the Application Instructions.

Please see *Attachment B: Application Instructions* for how to request Match Replacement funds and/or use of unexpended funds.

Requests by existing continuation applicants for increases in the level of funding or number of positions will be assessed using the E.1. selection criteria published in this *Notice*.

Continuation application review will also be based on progress reports, the federal financial report, evaluation plans, and AmeriCorps and Volunteer Tennessee staff's knowledge of the grant program. To be approved for continuation funding, recipients must demonstrate satisfactory performance with respect to key program goals and requirements, as well as compliance with the terms and conditions of the grant.

AmeriCorps and Volunteer Tennessee reserve the right to award applications in an amount other than at the requested level of funding and will document the rationale for doing so.
