January 21, 2026 | 1-4 p.m. CST**

Hosted by  in partnership with 

Volunteer Tennessee and Youth Service America (YSA) invite Tennessee organizations to participate in the **New Era of Youth Service in America Tennessee Statewide Partner Forum on January 21, 2026 from 1:00-4:00 p.m. CST in Nashville**. As we look forward to America's Semiquincentennial in July, we know that only 1 in 4 young people regularly participate in their communities. Key partners and stakeholders from across Tennessee will convene to discuss the current state of youth service, envision a New Era of Youth Service, explore strategies to double youth participation, develop a potential state policy agenda, and think through other hot topics. We invite youth and adult leaders to join us for these important discussions at the Tennessee Statewide Partner Forum.

**Please register for the Forum by Friday, January 16, 2026 at <https://www.surveymonkey.com/r/NEYSATN>.** The location will be shared with registered attendees.
