- Find ways to relax! Go on a walk, take time to read, watch a favorite holiday movie and more. Strive to find at least one way to relax each day.
- Be okay with saying no. Whether you are saying no to a gathering or a second helping, remember it is okay to say no in order to take care of yourself.
- When it comes to holiday foods, allow yourself to choose a favorite indulgence or two at a meal. Truly savor and enjoy the meal.
- Make time for activity! Play an active game like charades, walk around the neighborhood to look at lights, etc. Did you know that physical activity can boost your immune system?
